BOUNCE Tip

Bounce this around!

Now this is worth forwarding!

Great Tip...Who woulda thought?

A mail carrier said that the US Postal service sent out a message to all letter carriers to put a sheet of Bounce in their uniform pockets to keep yellow jackets away.

Use them all the time when playing baseball and soccer. I use it when I am working outside. It really works. The yellow jackets just veer around you. And all this time you've just been putting Bounce in the dryer!

It will chase ants away when you lay a sheet near them.

It also repels mice.. Spread them around foundation areas, or in trailers, cars that are sitting and it keeps mice from entering your vehicle.

It takes the odor out of books and photo albums that don't get opened too often.

Repels mosquitoes. Tie a sheet of Bounce through a belt loop when outdoors during mosquito season.

Eliminates static electricity from your television (or

Knut S-C Öjermark

computer) screen. Since Bounce is designed to help eliminate static cling, wipe your television screen with a used sheet of Bounce to keep dust from resettling.

Dissolve soap scum from shower doors. Clean with a sheet of Bounce.

Freshen the air in your home. Place an individual sheet of Bounce in a drawer or hang in the closet.

Put Bounce sheet in vacuum cleaner.

Prevent thread from tangling. Run a threaded needle through sheet of Bounce before beginning to sew.

Prevent musty suitcases. Place an individual sheet of Bounce inside empty luggage before storing.

Freshen the air in your car. Place a sheet of Bounce under the front seat.

Clean baked-on foods from a cooking pan. Put a sheet in a pan, fill with water, let sit overnight, and sponge clean. The antistatic agent apparently weakens the bond between the food.

Eliminate odors in wastebaskets. Place a sheet of Bounce at the bottom of the wastebasket.

The Best of the Net Part V

Collect cat hair. Rubbing the area with a sheet of Bounce will magnetically attract all the loose hairs. (What about dog hair? Elle)

Eliminate static electricity from Venetian blinds. Wipe the blinds with a sheet of Bounce to prevent dust from resettling.

Wipe up sawdust from drilling or sand papering. A used sheet of Bounce will collect sawdust like a tack cloth.

Eliminate odors in dirty laundry. Place an individual sheet of Bounce at the bottom of a laundry bag or hamper.

Deodorize shoes or sneakers. Place a sheet of Bounce in your shoes or sneakers overnight.

Golfers put a Bounce sheet in their back pocket to keep the bees away.

Put a Bounce sheet in your sleeping bag and tent before folding and storing them. Keeps them smelling fresh.

You may wish to print and keep this on file or pass it around!

A man wanted a big, verocious dog to protect his business, so he visited a kennel that specialized in attack dogs.

The man explained to the kennel owner that he wanted the biggest, meanest, most vicious dog in the kennel, and the owner offered to take the man on a tour of the premises.

After they had been walking for a few minutes, they came upon a large dog. He was snarling loudly and biting and clawing at the cage.

"He looks like he'd be a pretty good attack dog," said the buyer.

"Well, he's not bad," replied the owner, "but I have something better in mind for you."

They continued walking around the premises, and after a while they found an even larger, meaner dog than the first. He snarled at the two men and tried to bite them through the wire on his cage.

"Ah," said the buyer, "This must be the dog you were referring to earlier."

"Well, no." said the owner. "I have something better in mind for you."

The men continued their tour. Eventually, they came upon a fairly large dog that was lying quietly on his side, licking his butt. He did not seem to notice as the men approached.

"This is the dog I had in mind for you," said the owner.

The buyer was flabbergasted.

The Best of the Net Part V

"You're joking!" he exclaimed.

"This dog seems quite tame; he doesn't act like an attack dog at all. Hell, he's just lying there, licking his butt!"

"I know, I know," said the owner. "But you see, he just ate a lawyer, and he's trying to get the taste out of his mouth."

Blonde

A blonde lady motorist was about two hours from San Diego when she was flagged down by a man whose truck had broken down. The man walked up to the car and asked, "Are you going to San Diego?" "Sure," answered the blonde, "do you need a lift?" "Not for me. I'll be spending the next three hours fixing my truck. My problem is I've got two chimpanzees in the back which have to be taken to the San Diego Zoo. They're a bit stressed already so I don't want to keep them on the road all day. Could you possibly take them to the zoo for me? I'll give you \$100 for your trouble."

"I'd be happy to," said the blonde. So the two chimpanzees were ushered into the back seat of the blonde's car and carefully strapped into their seat belts. Off they went. Five hours later, the truck driver was driving through the heart of San Diego when suddenly he was horrified!! There was the blonde walking down the street and holding hands with the two chimps, much to the amusement of a big crowd. With a screech of brakes he pulled off the road and ran over to the blonde. "What the heck are you doing here?" he demanded, "I gave you \$100 to take these chimpanzees to the zoo."

"Yes, I know you did," said the blonde, "but we had money left over---so now we're going to Sea World."

In a crowded city at a busy bus stop, a woman who was waiting for a bus

was wearing a tight leather skirt.

As the bus stopped and it was her turn to get on, she became aware that her skirt was too tight to allow her leg

to come up to the height of the first step of the bus..

Knut S-C Öjermark

Slightly embarrassed and with a quick smile to the bus driver, she reached behind her to unzip her skirt a little, thinking that this would give her enough slack to raise her leg. Again, she tried to make the step only to discover she still couldn't.

So, a little more embarrassed, she once again reached behind her to unzip her skirt a little more, and for the second time attempted the step, and, once again, much to her chagrin, she could not raise her leg. With little smile to the driver, she again reached behind to unzip a little more

and again was unable to make the step.

About this time, a large Texan who was standing behind her picked her up easily by the waist and placed her gently on the step of the bus.

She went ballistic and turned to the would-be Samaritan and screeched, "How dare you touch my body! I don't even know who you are!"

The Texan smiled and drawled, "Well, ma'am, normally I would agree with you, but after you unzipped my fly three times, I kinda figured we were friends."

5 To 8 Year Olds Write About The Sea

A number of Primary Schools were doing a project on "The Sea." Kids were asked to draw pictures or write about their experiences. Teachers got together to compare the results and put together some of the comments that were funny and some that were sad. Here are some of them. The kids were all aged between 5 and 8 years.

This is a picture of an octopus! . It has eight testicles. (Kelly age 6)

Whales are animals, not fish. If they don't get air they can drown, like my brother did last summer. (David age 7)

Oysters' balls are called pearls. (James age 6)

If you are surrounded by sea you are an Island. If you don't have sea all round you, you are in continent. (Wayne age 7)

I think sharks are ugly and mean, and have big teeth, just like Emily Richardson. She's not my friend no more. (Kylie age 6)

A dolphin breaths through an asshole on the top of it's head. (Billy age 8)

My uncle goes out in his boat with pots, and comes back with crabs. (Millie age 6)

When ships had sails, they used to use the trade winds to cross the ocean. Sometimes, when the wind didn't blow, the sailors would whistle to make the wind come. My brother said they would be better off eating beans.
(William age 7)

I like mermaids. They are beautiful, and I like their shiny tails. How do mermaids get pregnant? (Helen age 6)

I'm not going to write about the sea. My baby brother is always screaming and being sick, my Dad keeps shouting at my Mum,

Knut S-C Öjemark

and my big sister has just got pregnant, so I can't think what to write. (Amy age 6)

Some fish are dangerous. Jelly fish can sting. Electric eels can give you a shock. They have to live in caves under the sea where I think they have to plug themselves into chargers. (Christopher age 7)

My mom has fish nets, but doesn't catch any fish (Laura age 5)

When you go swimming in the sea, it is very cold, and it makes my willy small. (Kevin age 6)

When me and Sarah went to the sea side in the summer holidays, we hid in the sand dunes and watched my big sister doing it with her boy friend. It was fun. (Lauren age 7)

A submarine goes under the water like a fish, but it has lots of seamen inside. (Emma age 5)

! When I grow up, I want to be captain of a big ship, and have lots of sailors. (Valerie age 6)

?Words of wisdom:

Never read the fine print. There ain't no way you're going to like it.

If you let a smile be your umbrella, then most likely your butt will get soaking wet.

The only two things we do with greater frequency in middle age are urinate and attend funerals.

The trouble with bucket seats is that not everybody has the same size bucket.

To err is human, to forgive -- highly unlikely.

Do you realize that in about 40 years, we'll have thousands of old ladies running around with tattoos?

Money can't buy happiness -- but somehow it's more comfortable to cry in a Porsche than in a Kia.

Drinking makes some husbands see double and feel single.

Living in a nudist colony takes all the fun out of Halloween.

After a certain age, if you don't wake up aching in every joint, you are probably dead.

My husband and I divorced over religious differences. ?He thought he was God and I didn't.

I don't suffer from insanity; I enjoy every minute of it.

I Work Hard Because Millions On Welfare Depend on Me!

Hi ah,....

Hummm let me think ,...why did I send you
this.....don't tell me it's coming to me.....

Oh ya.....

Senior citizens are constantly being criticized for every conceivable deficiency of the modern world, real or imaginary. We know we take responsibility for all we have done and do not blame others.

HOWEVER, upon reflection, we would like to point out that it was **NOT** the senior citizens who took:

The Best of the Net Part V

The **melody** out of music,
The **pride** out of appearance,
The **courtesy** out of driving,
The **romance** out of love,
The **commitment** out of marriage,
The **responsibility** out of parenthood,
The **togetherness** out of the family,
The **learning** out of education,
The **service** out of patriotism,
The **Golden Rule** from rulers,
The **nativity** scene out of cities,
The **civility** out of behavior,
The **refinement** out of language,
The **dedication** out of employment,
The **prudence** out of spending,
The **ambition** out of achievement, or,
God out of government and school.

And we certainly are **NOT** the ones who eliminated
patience and **tolerance** from personal relationships
and interactions with others!!

Knut S-C Öjermark

And, we do understand the meaning of patriotism, and remember those who have fought and died for our country.

Does anyone under the age of 50 know the lyrics to the Star Spangled Banner? or O Canada

Just look at the Seniors with tears in their eyes and pride in their hearts as they stand at attention, on veterans day and our great country's birthday .

The Best of the Net Part V

YES, I'M A SENIOR CITIZEN!

I'm the life of the party..... even if it lasts until 8 p.m.

I'm very good at opening childproof caps... with a hammer.

I'm usually interested in going home before I get to where I am going.

I'm awake many hours before my body allows me to get up.

I'm smiling all the time because I can't hear a thing you're saying.

I'm very good at telling stories; over and over and over and over...

I'm aware that other people's grandchildren are not nearly as cute as mine.

I'm so cared for --- long term care, eye care, private care, dental care.

I'm not really grouchy,

I just don't like traffic, waiting, crowds, lawyers, loud music, unruly kids, Jenny Craig and Toyota commercials, barking dogs, politicians and a few other things I can't seem to remember right now.

I'm sure everything I can't find is in a safe secure place, somewhere.

I'm wrinkled, saggy, lumpy, and that's just my left leg.

I'm having trouble remembering simple words like.....

I'm beginning to realize that aging is not for wimps.

I'm sure they are making adults much younger these days, and when did they let kids become policemen?

I'm wondering, if you're only as old as you feel, how could I be alive at

150?

Knut S-C Öjermark

And, how can my kids be older than I feel sometimes?

I'm a walking storeroom of facts..... I've just lost the key to the storeroom door.

Yes, I'm a SENIOR CITIZEN and I think I am having the time of my life!

Now if I could only remember who sent this to me, I wouldn't send it back to them, but I would send it to many more!

Now- Have I already sent this to you???????

If so, I'll try not to do it again (for a while.)

Questions given to a newspaper columnist by expectant mothers

Will I get pregnant if my husband wears boxers rather than briefs?

A: Yes, but you'll have an even better chance if he doesn't wear anything at all.

Q: What is the easiest way to figure out exactly when I got pregnant?

A: Have sex once a year.

Q: Should I have a baby after 35?

A: No, 35 children is enough.

Q: I'm two months pregnant now. When will my baby move?

A: With any luck, right after he finishes college.

Q: How will I know if my vomiting is morning sickness or the flu?

A: If it's the flu, you'll get better.

Q: My brother tells me that since my husband has a big nose, and genes for big noses are dominant, my baby will have a big nose as well. Is this true?

A: The odds are greater that your brother will have a fat lip.

Q: Since I became pregnant, my breasts, rear end, and even my feet have grown. Is there anything that gets smaller during

Knut S-C Öjermark

pregnancy?

A: Yes, your bladder.

Q: Ever since I've been pregnant, I can't go to bed at night without onion rings. Is this a normal craving?

A: Depends on what you're doing with them.

Q: What is a chastity belt?

A: A labor-saving device.

Q: What is the most common pregnancy craving?

A: For men to be the ones who get pregnant.

Q: What is the most reliable method to determine a baby's sex?

A: Childbirth.

Q: My blood type is O-positive and my husband's is A-negative. What if my baby is born with, say, type AB-positive?

A: Then the jig is up.

Q: The more pregnant I get, the more often strangers smile at me.

Why?

A: 'Cause you're fatter than they are.

Q: My wife is five months pregnant and so moody that sometimes she's borderline irrational.

A: So what's your question?

Q: Under what circumstances can sex at the end of pregnancy bring on labor?

A: When the sex is between your husband and another woman.

Q: What's the difference between a nine-month pregnant woman and a Playboy centerfold?

A: Nothing, if the pregnant woman's husband knows what's good for him.

Q: How long is the average woman in labor?

A: Whatever she says divided by two.

The Best of the Net Part V

Q: My childbirth instructor says it's not pain I'll feel during labor, but pressure. Is she right?

A: Yes, in the same way that a tornado might be called an air current.

Q: When is the best time to get an epidural?

A: Right after you find out you're pregnant.

Q: Is there any reason I have to be in the delivery room while my wife is in labor?

A: Not unless the word "alimony" means anything to you.

Q: What does it mean when the baby's head is crowning?

A: It means you feel as though not only a crown but the entire throne is trying to make its way out of you.

Q: Is there anything I should avoid while recovering from childbirth?

A: Yes, pregnancy.

Q: Does labor cause hemorrhoids?

A: Labor causes anything you want to blame it for.

Q: Under what circumstances should a baby not be circumcised?

A: When it's a girl, for starters.

Q: Where is the best place to store breast milk?

A: In your breasts.

Q: Is there a safe alternative to breast pumps?

A: Yes, baby lips.

Q: What does it mean when a baby is born with teeth?

A: It means that the baby's mother may want to rethink her plans to nurse.

Q: How does one sanitize nipples?

A: Bathe daily and wear a clean bra. It beats boiling them in a saucepan.

Knut S-C Öjermark

Q: What are the terrible twos?

A: Your breasts after baby stops nursing cold turkey.

Q: What is the best time to wean the baby from nursing?

A: When you see teeth marks.

Q: Can a mother get pregnant while nursing?

A: Yes, but it's much easier if she removes the baby from her breast and puts him to sleep first.

Q: Do I have to have a baby shower?

A: Not if you change the baby's diaper very quickly.

Q: Nannies aren't cheap are they?

A: Not usually, but occasionally you'll find a floozy.

Q: Our baby was born last week. When will my wife begin to feel and act normal again?

A: When the kids are in college.

"Hold these. I have to go back for my Wife"

FINISHED

A virile, young Italian man was relaxing at his favorite bar in Rome, when he managed to attract a spectacular young blonde. Things progressed to the point where he invited her back to his apartment, and after some small talk, they retired to his bedroom for sex.

After a pleasant interlude, he asked with a smile, "So... You finish?"

She paused for a second, frowned and replied, "No."

Surprised, the young man reached for her and the love-making resumed.

Knut S-C Öjermark

This time she thrashes about wildly and there are screams of passion.

The love-making ends, and again, the young man smiles and again he asks, "You finish?"

And again, after a short pause, she returns his smile, cuddles closer to him and softly says, "No."

Stunned, but damned if this woman is going to outlast him, the young man reaches for the woman again. Using the last of his strength, he barely manages it but they climax simultaneously, screaming, bucking, clawing and ripping the bed sheets.

The exhausted man falls onto his back, gasping. Barely able to turn his head, he looks into her eyes, smiles proudly and asks again, "You finish?"

Barely able to speak, she whispers in his ear, "No, I Norwegian!"

2. Gentle, relaxed lovemaking reduces your chances of suffering dermatitis, skin rashes and blemishes. The sweat produced cleanses the pores and makes your skin glow.

4. Sex is one of the safest sports you can take up. It stretches and tones up just about every muscle in the body. It's more enjoyable than swimming 20 laps, and you don't need special sneakers!

=====

5. Sex is an instant cure for mild depression. It releases endorphins into the bloodstream, producing a sense of euphoria and leaving you with a feeling of well-being.

=====

6. The more sex you have, the more you will be offered. The sexually active body gives off greater quantities of chemicals called pheromones. These subtle sex perfumes drive the opposite sex crazy!

A crowded airline flight was canceled. A single agent was re-booking a long line of inconvenienced travelers. Suddenly an angry passenger pushed his way to the desk. He slapped this ticket down on the counter and said, "I HAVE to be on this flight and it has to be FIRST CLASS." The agent replied I'm sorry sir. I'll be happy to try to help you, but I've got to help these folks first, and I'm sure we'll be able to work something out." The passenger was unimpressed. He asked loudly, so that the passengers behind him could hear, "DO YOU HAVE ANY IDEA WHO I AM?" Without hesitating, the agent smiled and grabbed her public address microphone. "May I have your attention please," She began her voice heard clearly throughout the terminal. "We have a passenger here at Gate 14 WHO DOES NOT KNOW WHO HE IS. If anyone can help him find his identity, please come to Gate 14." With the folks behind him in line laughing hysterically, the man glared at the agent, gritted his teeth and swore. "Screw you!" Without flinching she smiled and said, "I'm sorry, sir, but you'll have to get in line for that, too.

THE TEACHER (Snappy Answer OF THE YEAR)

A college teacher reminds her class of tomorrow's final exam. "Now class, I won't tolerate any excuses for you not being here tomorrow. I might consider a nuclear attack or a serious personal injury or illness, or a death in your immediate family but that's it, no other excuses whatsoever!" A smart-ass guy in the back of the room raised this hand and asks, "What would you say if tomorrow I said I was suffering from complete and utter sexual exhaustion?" The entire class does its BEST to stifle their laughter and snickering. When silence is restored, the teacher smiles sympathetically at the student, shakes her head, and sweetly says, "Well, I guess you'd have to write the exam with your other hand."

First Grade Testing

Note: forwarded message attached. A college professor was doing a study testing the senses of first graders, using a bowl of lifesavers.

He gave all the children the same kind of lifesavers, one at a time, and asked them to identify them by color and flavor.

The children began to say:

Red.....cherry,"

Yellow.....lemon,"

Green.....lime,"

"Orange.....orange."

Finally the professor gave them all honey lifesavers. After eating them for a few moments none of the children could identify the taste.

Well," he said "I'll give you all a clue, It's what your mother may sometimes call your father."

One little girl looked up in horror, spit her lifesaver out and yelled:

E-mails poach IQ, researcher says

Excessive messages, called 'info-mania,' knock off 10 points

**By Kathrine Jebsen Moore, Bloomberg News
April 25, 2005**

Constant e-mailing and text messaging reduces mental ability by 10 IQ points, a more severe effect than smoking cannabis, by distracting the brain from other tasks, a University of London report showed.

The Best of the Net Part V

The loss of intelligence and disruption caused by electronic "info- mania," costs companies millions of dollars in lost productivity each year, according to the study by the University's Institute of Psychiatry.

"This is a very real and widespread phenomenon," said Dr. Glenn Wilson, author of the research, in a phone interview. "Info-mania, if unchecked, will damage a worker's performance by reducing mental sharpness. Companies should encourage a more balanced and appropriate way of working."

The study of 1,000 adults found that their intelligence declined as tasks were interrupted by incoming e-mails and texts. The average reduction of 10 IQ points, though temporary, is more than double the four-point loss associated with smoking cannabis. A 10-point drop is also associated with missing a night of sleep, the report said.

Sixty-two percent of workers are addicted to checking messages out of office hours and while on vacation, according to the report. A third of all adults will respond to an e-mail immediately or within 10 minutes. One in five is "happy" to interrupt a business or social meeting to respond to an e-mail or text message, the study found.

"E-mails flashing on a screen distracts people, and the use of electronic messaging should be limited," Wilson said.

Women were less affected than men. Their average decline in IQ was five points, compared with 15 for males, suggesting women are better at multitasking, Wilson said.

The study also surveyed opinions on messaging in the workplace. Eighty-nine percent of workers said it's "extremely rude" to answer e-mails and phone messages during a face-to-face meeting. Seventy-two percent were "irritated" by work phone calls held in public places.

The *Scotsman* newspaper earlier reported the findings of the study, which was commissioned by Hewlett-Packard Co., the world's second-biggest personal- computer maker.

HOW TO CALL THE POLICE

George Phillips of Meridian Mississippi was going up to bed when his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window.

George opened the back door to go turn off the light but saw that there were people in the shed stealing things.

He phoned the police, who asked "Are any of those people in your house" and he said no.

Then they said that all patrols were busy, and that he should simply stay in his house, lock his doors and an officer would be along when available.

Knut S-C Öjermark

George said, "Okay," hung up, counted to 30, and phoned the police again.

"Hello I just called you few seconds ago because there were people in my shed.

Well, you don't have to worry about them now 'cause I've just shot them all".

Then he hung up.

Within five minutes three police cars, an Armed Response unit, and an ambulance showed up at the Phillips residence.

Of course, the police caught the burglars red-handed.

One of the Policemen said to George:

"I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!"

CATHOLIC PARROTS - birds of prey (pray!)

The Best of the Net Part V

A lady goes to her priest one day and tells him, "Father, I have a problem. I have two female parrots, but they only know how to say one thing." What do they say?" the priest asks.

They say, "Hi, we're hookers! Do you want to have some fun?" That's obscene!" the priest exclaimed, then he thought for a moment. You know, I have two male talking parrots, that I have taught to pray and read the bible. Bring your two parrots over to my house, and we'll put them in the cage with Francis and Job.

My parrots can teach your parrots to praise and worship, and your parrots are sure to stop saying that phrase in no time." Thank you," the woman said, "this may be the solution."

The next day, she brought her female parrots to the priest's house. As he ushered her in, she saw that his two male parrots were inside their cage holding rosary beads and praying. Impressed, she walked over and placed her parrots in with them.

After a few minutes, the female parrots cried out in unison, "Hi, we're hookers! Do you want to have some fun?" There was stunned silence. Shocked, one male parrot, Job, looked over at the other male parrot, Francis, and exclaimed, "Put the beads away, Frank. Our prayers have been answered!"

Did I read that sign right?

The Year is 1904

Maybe this will boggle your mind, I know it did mine! The year

is 1904 . One hundred years ago. What a difference a century

The Best of the Net Part V

makes! Here are some of the US statistics for 1904:

The average life expectancy in the US was 47 years.

Only 14% of the homes in the US had a bathtub.

Only 8% of the homes had a telephone.

A three-minute call from Denver to New York City cost \$11.00

There were only 8,000 cars in the US, and only 144 miles of paved roads.

The maximum speed limit in most cities was 10 mph.

Alabama, Mississippi, Iowa, and Tennessee were each more heavily populated than California. With a mere 1.4 million residents, California was only the 21st most populous state in the Union.

The tallest structure in the world was the Eiffel Tower.

The average wage in the US was 22 cents an hour.

The average US worker made between \$200 and \$400 per year.

Knut S-C Öjermark

A competent accountant could expect to earn \$2000 per year, a dentist \$2,500 per year.

A veterinarian between \$1,500 and \$4,000 per year.

A mechanical engineer about \$5,000 per year.

More than 95 percent of all births in the US took place at home

Ninety % of all US physicians had no college education.

Instead, they attended medical schools, many of which were condemned in the press and by the government as "substandard."

Sugar cost four cents a pound. Eggs were fourteen cents a dozen.

Coffee was fifteen cents a pound.

Most women only washed their hair once a month, and used borax or egg yolks for shampoo.

Canada passed a law prohibiting poor people from entering the country for any reason.

The Best of the Net Part V

The five leading causes of death in the US were:

1. Pneumonia and influenza
2. Tuberculosis
3. Diarrhea
4. Heart disease
5. Stroke

The American flag had 45 stars. Arizona, Oklahoma, New Mexico, Hawaii, and Alaska hadn't been admitted to the Union yet. The population of Las Vegas, Nevada, was 30!

Crossword puzzles, canned beer, and iced tea hadn't been invented

There was no Mother's Day or Father's Day.

Two of 10 US adults couldn't read or write. Only 6 % of all

Americans had graduated high school.

Marijuana, heroin, and morphine were all available over the counter at corner drugstores. According to one pharmacist, "Heroin clears the complexion, gives buoyancy to the mind, regulates the stomach and bowels, and is, in fact, a perfect guardian of health." (Shocking!)

Knut S-C Öjermark

Eighteen percent of households in the US had at least one full-time servant or domestic.

There were only about 230 reported murders in the entire US And I forwarded this from someone else without typing it myself, and sent it to all of you in a matter of seconds! Try to imagine what it may be like in another 100 years . it staggers the mind.

Halloween Party

A couple was invited to a swanky Halloween Party. She got a terrible headache and told her husband to go to the party alone.

He, being a devoted husband, protested, but she argued and said she was going to take an aspirin and go to bed, and no need for his good time to be spoiled by her not going. So he took his costume and away he went.

The wife, after sleeping soundly for an hour, awakened without pain and as it was still early. She decided to go to the party. Her husband didn't know what her costume was.

She thought she would have some fun by watching her husband to see how he would act when she wasn't with him.

She joined the party and soon spotted her husband cavorting around the

The Best of the Net Part V

dance floor, dancing with every nice chick he could, and copping a little feel here and a little kiss here and there.

His wife sidled up to him, and being a rather seductive babe herself, he left his partner high and dry and devoted his time to the new stuff that had just arrived. She had let him go as far as he wished, naturally, since he was her husband.

Finally he whispered a little proposition in her ear, and she agreed, so off they went to one of the cars and had a little quickie. In fact, two.

Just before unmasking at midnight, she slipped away and went home and put the costume away and got back into bed wondering what kind of explanation he would make for his behavior.

She was sitting up reading when he came in. She asked what kind of time he had. He said "Oh, the same old thing. You know I never have a good time when you're not there."

Then she asked, "Did you dance much?" He replied, "I'll tell you, I never danced one dance. When I got there, I met Pete, Bill, and Paul and some other guys, so we went into the den and played poker all evening.

But you're not going to believe what happened to the guy I loaned my costume to!!!!!!!"

Perfect Breasts

A guy walking down the street sees a woman with perfect breasts. He

Knut S-C Öjermark

says to her, "Hey miss, would you let me bite your breasts for \$100 dollars?"

"Are you nuts? !!" she replies, and keeps walking away.

He turns around, runs around the block and gets to the corner before she does. "Would you let me bite your breasts for \$1,000 dollars?" he asks again.

"Listen you; I'm not that kind of woman! Got it? Go Away !!"

So the guy runs around the next block and faces her again. "Would you let me bite your breasts just once for \$10,000 dollars?"

She thinks about it for a while and says, "Hmm, \$10,000 dollars, eh?"

Ok, just once, but not here. Let's go to that dark alley over there."

So they go into the alley, where she takes off her blouse to reveal the most perfect breasts in the world . As soon as he sees them, he grabs them

and starts caressing them, fondling them slowly, kissing them, licking them, burying his face in them, but not biting them.

The woman finally gets annoyed and asks, "Well? Are you gonna bite them or not?"

"Nah", he replies. "Costs too much....."

Dr. with mental patients

A doctor at an mental hospital decided to take his patients to a Baseball game.

For weeks in advance, he coached his patients to respond to his commands.

When the day of the game arrived, everything went quite well.

As the National Anthem started, the doctor yelled,

"Up Nuts," and the patients complied by standing up.

The Best of the Net Part V

After the anthem, he yelled, "Down Nuts," and they all sat back down in their seats.

After a home run was hit, the doctor yelled, "Cheer Nuts".

They all broke out into applause and cheered.

When the umpire made a particularly bad call against the star of the Home team, the Doctor yelled, "Booooo Nuts," and they all started booing and cat calling.

Comfortable with their response, the doctor decided to go get a beer and a

hot dog, leaving his assistant in charge.

When he returned, there was a riot in progress.

Finding his tizzied assistant, the doctor asked, "What in the world happened?"

The assistant replied, "Well everything was going just fine until this Guy walked by and yelled, "PEANUTS!"

Today's NEWS FLASH:

With all the new technology regarding fertility, a 66-year-old woman Was able to give birth to a baby this week. When she was discharged from the hospital and went home, her relatives came to visit. "May we see the new baby?" one asked. "Not yet," said the mother. "I'll make coffee and we can visit for a while first."

Thirty minutes had passed, and another relative asked, "May we see the new baby now?"

"No, not yet," said the mother. After another few minutes had elapsed, they asked again, "May we see the baby now?" "No, not yet," replied the mother. Growing very impatient, they asked, "Well, when CAN we see the baby?" "WHEN HE CRIES!" she told them.

Knut S-C Öjermark

"WHEN HE CRIES??" they demanded. "Why do we have to wait until he CRIES??"

"BECAUSE, I forgot where I put him."

Two couples were playing poker one evening.

John accidentally dropped some cards on the floor. When he bent down under the table to pick them up, he noticed Bill's wife Sue wasn't wearing any underwear under her dress!

Shocked by this, John upon trying to sit back up again, hit his head on the table and emerged red-faced. Later, John went to the kitchen to get some

The Best of the Net Part V

refreshments.

Bill's wife followed and asked, "Did you see anything that you liked under there?"

Surprised by her boldness, John courageously admitted that, well indeed he did.

She said, " Well, you can have it but it will cost you \$500."

After taking a minute or two to assess the financial and moral costs of this offer, John confirms that he is interested.

She tells him that since her husband Bill works Friday afternoons and John doesn't, John should be at her house around 2 p.m. Friday afternoon.

When Friday rolled around, John showed up at Bill's house at 2 p.m. sharp and after paying Sue the agreed sum of \$500 they went to the bedroom and closed their transaction, as agreed.

John quickly dressed and left.

As usual, Bill came home from work at 6 p.m. and upon entering the house, asked his wife abruptly. "Did John come by the house this afternoon?"

With a lump in her throat Sue answered "Why yes, he did stop by for a few minutes this afternoon."

Her heart nearly skipped a beat when her husband curtly asked, "And did he give you \$500?"

Knut S-C Öjemark

In terror she assumed that somehow he had found out and after mustering her best poker face, replied, "Well, yes, in fact he did give me \$500".

Bill, with a satisfied look on his face, surprised his wife by saying, "Good, I was hoping he did. John came by the office this morning and borrowed \$500 from me.

He promised me he'd stop by our house this afternoon on his way home and pay me back."

Now THAT, my friends, is a poker player!

The Difference - Balls Vs Guts

We have all heard someone refer to a fellow male as, "Man, he's got guts." Or, perhaps the reference may have been: "That guy has some set of balls on him." I have always wondered what determines if a guy has balls, or if he has guts. While these two examples may not clarify the differences for you, hopefully they will provide some insight as to the difficulty of providing a precise and accurate definition and delineation. Perhaps you cannot have one without the other, and they are one and the same, although anatomically located in different areas of the body.

Guts - is arriving home late after a night out with the guys, being assaulted by your wife with a broom, and having the guts to ask: "Are you still cleaning or are you flying somewhere?"

Balls - is coming home late after a night out with the guys, smelling of

The Best of the Net Part V

perfume and beer, lipstick on your collar, slapping your wife on the ass and having the balls to say, "You're next."

A man bumps into a Woman in a hotel lobby and as he does, his elbow goes into her breast They are both quite startled.

The man turns to her and says "Ma'am, if your heart is as soft as your breast, I know you'll forgive me."

She replies, "If your dick is as hard as your elbow, I'm in room 221."

Number 4:

A businessman boards a flight and is seated next to a gorgeous woman.

He notices she is reading a manual about sexual statistics. He asks her about it and she replies, "This is a very interesting book. It says that American Indians have the longest penises and Italian men are the best in bed. By the way, my name is Jill. What's yours?"

"Tonto Tortellini, nice to meet you."

Number 3:

One night, as a couple lays down for bed, the husband starts rubbing his wife's arm. The wife turns over and says "I'm sorry honey, I've got a gynecologist appointment tomorrow and I want to stay fresh."

The husband, rejected, turns over. A few minutes later, he rolls back over

and taps his wife again. "Do you have a dentist appointment tomorrow too?"

Number 2:

Bill worked in a pickle factory. He had been employed there for a number of years when he came home one day to confess to his wife that he had terrible compulsion. He had an urge to stick his penis into the pickle slicer.

His wife suggested that he should see a sex therapist to talk about it, but Bill said he would be too embarrassed. He vowed to overcome the compulsion on his own. One day a few weeks later, Bill came home. His wife could see at once that something was seriously wrong. "What's wrong, Bill?" she asked. "Do you remember that I told you how I had this tremendous urge to put my penis into the pickle slicer?" "Oh, Bill, you didn't." "Yes, I did." "My! God, Bill, what happened?" "I got fired" "No, Bill. I mean, what happened with the pickle slicer?" "Oh...she got fired too."

Number 1:

A couple had been married for 50 years. They were sitting at the breakfast table one morning when the wife says, "Just think, fifty years ago we were sitting here at this breakfast table together." "I know," the old man said, "We were probably sitting here naked as jaybirds fifty years ago."

"Well," Granny snickered, "Let's relive some old times. "Whereupon the two stripped to the buff and sat down at the table.

"You know, honey," the little old lady breathlessly replied, "My nipples are as hot for you today as they were fifty years ago."

"I wouldn't be surprised," replied Gramps. "One's in your coffee and the other is in your oatmeal."

Primary care physician

I recently picked a new primary care physician.

After two visits and exhaustive lab tests, he said I was doing "fairly well" for my age.

A little concerned about that comment, I couldn't resist asking him, "Do you think I'll live to be 80?"

He asked, "do you smoke tobacco or drink beer/wine?"

"Oh no," I replied. "I'm not doing either."

Then he asked, "Do you eat rib-eye steaks and barbecued ribs?"

I said, "No, my other Doctor told me that all red meat is very unhealthy!"

"Do you spend a lot of time in the sun, like playing golf, sailing, hiking, or bicycling?"

"No, I don't," I said.

He asked, "Do you engage in risky behavior like gambling, driving fast cars, or chasing wild women?"

"No," I said. "I don't do any of those things."

The Best of the Net Part V

He looked at me and said, "Then why do you care if you are going to live to be 80?"

Let Me Tell You 'Bout the Birds & the Bees...

A little boy goes to his father and asks, "Daddy how was I born?"

The father answers, "Well son, I guess one day you will need to find out anyway!"

He continues, "You see, your Mom and I first got together in a chat room on AOL. Then I set up a date via E-mail with your Mom and we met at a cyber-cafe. We sneaked into a secluded room, where your mother agreed to a download from my hard drive. As soon as I was ready to upload, we discovered that neither of us had used a firewall, and since it was too late to hit the delete button, nine months later a blessed little pop-up appeared and said, 'You've Got Male.' You are in Florida, Miami to be specific. There is chaos all around you caused by a hurricane with severe flooding. This is a flood of biblical proportions. You are a photojournalist working for a major newspaper, and you're caught in the middle of this epic disaster. The situation is nearly hopeless. You're trying to shoot career-making photos. There are houses and people swirling around you, some disappearing under the water. Nature is unleashing all of its destructive fury.

Suddenly you see a man floundering in the water. He is fighting for his life, trying not to be taken down with the debris. You move closer . . . somehow the man looks familiar. You suddenly realize who it is. It's George W. Bush! At the same time you notice that the raging waters are about to pull him under.

You have two options--you can save the life of G.W. Bush or you can shoot a dramatic Pulitzer Prize winning photo, documenting the death of one of the world's most powerful men.

Sunday's sermon was---Forgive Your Enemies.

Toward the end of the service, the Minister asked, "How many of you have forgiven your enemies?"

80% held up their hands.

The Minister then repeated his question. All responded this time, except a small elderly lady.

"Mrs. Jones?" Are you not willing to forgive your enemies?"

"I don't have any." She replied, smiling sweetly.

"Mrs. Jones, that is very unusual. How old are you?"

"Ninety-eight." She replied.

"Oh Mrs. Jones, would you please come down in front & tell us all how a person can live ninety-eight years & not have an enemy in the world?"

The little sweetheart of a lady tottered down the aisle, faced the congregation, and said:

"I outlived the bitches."

The Best of the Net Part V

Mexican family was considering putting their grandfather in a nursing home. All the Catholic facilities were completely full so they have to put him in a Jewish home. After a few weeks in the Jewish facility, they come to visit grandpa. "How do you like it here?" asks the grandson.

"It's wonderful! Everyone here is so courteous and respectful," says grandpa.

"We're so happy for you. We were worried that this was the wrong place for you."

"Let me tell you about how wonderfully they treat the residents here," grandpa says with a big smile. "There's a musician here -- he's 85-years old. He hasn't played the violin in 20 years and everyone still calls him 'Maestro'! And there's a physician here -- 90 years old. He hasn't been practicing medicine for 25 years and everyone still calls him 'Doctor'!"

And me, I haven't had Sex for 30 Years and they still call me "The Fucking Mexican!"

Here's a smart poodle story

A wealthy older lady decides to go on a photo safari in Africa, taking her faithful aged poodle named Cuddles along for the company. One day the poodle starts chasing butterflies and before long, Cuddles

Knut S-C Öjemark

discovers that she's lost.

Wandering about, she notices a leopard heading rapidly in her direction with the intention of having lunch. The older poodle thinks,

Oh, oh! I'm in deep doo-doo now! Noticing some bones on the ground close by, she immediately settles down to chew on the bones with her back to the approaching cat.

Just as the leopard is about to leap, the older poodle exclaims loudly, "Boy, that was one delicious leopard! I wonder if there are any more around here?" Hearing this, the young leopard halts his attack in mid-strike, a look of terror comes over him and he slinks away into the trees.

"Whew!," says the leopard, "That was close! That older poodle nearly had me!" Meanwhile, a monkey who had been watching the whole scene from a nearby tree, figures he can put this knowledge to good use and trade it for protection from the leopard. So off he goes, but the older poodle sees him heading after the leopard with great speed, and figures that something must be up.

The Best of the Net Part V

The monkey soon catches up with the leopard, spills the beans and strikes a deal for himself with the leopard. The young leopard is furious at being made a fool of and says, "Here, monkey, hop on my back and see what's going to happen to that conniving canine!"

Now, the old poodle sees the leopard coming with the monkey on his back and thinks, What am I going to do now?, but instead of running, the dog sits down with her back to her attackers, pretending she hasn't seen them yet, and just when they get close enough to hear, the older poodle says, "Where's that damn monkey? I sent him off an hour ago to bring me another leopard!"

Moral of this story: Don't mess with older people...age and treachery will always overcome youth and skill! Bullshit and brilliance only come with age and experience!

SOCIAL SECURITY

We contend that for a nation to try to tax itself into prosperity is like a man standing in a bucket and trying to lift himself up by the handle.--Winston Churchill

SOCIAL SECURITY: Franklin Roosevelt, a Democrat, introduced the Social Security (FICA) Program. He promised:

- 1.) That participation in the Program would be completely voluntary,
- 2.) That the participants would only have to pay 1% of the first \$1,400 of their annual incomes into the Program,
- 3.) That the money the participants elected to put into the Program would be deductible from their income for tax purposes each year,
- 4.) That the money the participants put into the independent "Trust Fund" rather than into the General operating fund, and therefore, would only be used to fund the Social Security Retirement Program, and no other Government program, and,
- 5.) That the annuity payments to the retirees would never be taxed as income.

Knut S-C Öjemark

Since many of us have paid into FICA for years and are now receiving a Social Security check every month -- and then finding that we are getting taxed on 85% of the money we paid to the Federal government to "put away," you may be interested in the following:

Now for the quiz:

Q: Which Political Party took Social Security from the independent "Trust" fund and put it into the General fund so that Congress could spend it? A: It was Lyndon Johnson and the Democratically-controlled House and Senate.

Q: Which Political Party eliminated the income tax deduction for Social Security (FICA) withholding? A: The Democratic Party.

Q: Which Political Party started taxing Social Security annuities? A: The Democratic Party, with Al Gore casting the "tie-breaking" deciding vote as President of the Senate, while he was Vice President of the U.S.

Q: Which Political Party decided to start giving annuity payments to immigrants? MY FAVORITE : A: That's right! Jimmy Carter and the Democratic Party. Immigrants moved into this country, and at age 65, began to receive SSI Social Security payments! The Democratic Party gave these payments to them, even though they never paid a dime into it!

Then, after doing all this lying and thieving and violation of the original contract (FICA), the Democrats turn around and tell you that the Republicans want to take your Social Security away! And the worst part about it is, uninformed citizens believe it!

If enough people receive this, maybe a seed of awareness will be planted and maybe good changes will evolve. If you're a Democrat; maybe not !!

Politics is supposed to be the second oldest profession. I have come to realize that it bears a very close resemblance to the first.

Restaurant efficiency

The Best of the Net Part V

A timeless lesson on how consultants can make a difference for an Organization.

Last week, we took some friends out to a new restaurant. The waiters all carried a spoon in his shirt pocket. It seemed a little strange. When the busboy brought our water and utensils, I noticed he also had a spoon in his shirt pocket. Then I looked around saw that all the staff had spoons in their pockets. When the waiter came back to serve our soup, I asked, "Why the spoon?"

"Well" he explained, "the restaurant's owners hired McKenzie Consultants to revamp all our processes. After several months of analysis, they concluded that the spoon was the most frequently dropped utensil. It represents a drop frequency of approximately 3 spoons per table per hour. If our personnel are better prepared, we can reduce the number of trips back to the kitchen and save 15 man-hours per shift."

As luck would have it, I dropped my spoon and he was able to replace it with his spare. "I'll get another spoon next time I go to the kitchen instead of making an extra trip to get it right now."

I was impressed. I also noticed that there was a string hanging out of the waiter's fly. Looking around, I noticed that all the waiters had the same string hanging from their flies. So before he walked off, I asked the waiter, " Excuse me, but can you tell me why you have that string right there?"

"Oh, certainly!" Then he lowered his voice. "Not everyone is so observant. That consulting firm I mentioned also found out that we can save time in the restroom. By tying this string to the tip of you

Knut S-C Öjermark

know what, we can pull it out without touching it and eliminate the need to wash our hands, shortening the time spent in the restroom by 76.39%."

I asked "After you get it out, how do you put it back?"

"Well," he whispered, "I don't know about the others, but I use the spoon."

A SENIOR MOMENT

An elderly Florida lady did her shopping and, upon returning to her car, found four males in the act of leaving with her vehicle. She dropped her shopping bags and drew her handgun, proceeding to scream at the top of her voice, "I have a gun, and I know how to use it! Get out of the car!" The four men didn't wait for a second invitation. They got out and ran like mad. The lady, somewhat shaken, then proceeded to load her shopping bags into the back of the car and got into driver's seat. She was so shaken that she could not get her key into the ignition. She tried and tried, and then it dawned on her why. A few minutes later, she found her own car parked four or five spaces farther down. She loaded her bags into the car and drove to the police station.. The sergeant to whom she told the story couldn't stop laughing. He pointed to the other end of the counter, where four pale men were reporting a car jacking by a mad, elderly woman described as white, less than five feet tall, glasses, curly white hair, and carrying a large handgun. No charges were filed. If you're going to have a Senior Moment, make it a memorable one.

A big-game hunter went on safari with his wife and mother-in-law.

One evening, while still deep in the jungle, the Mrs. awoke to find her mother gone. Rushing to her husband, she insisted on them both trying to find her mother.

The hunter picked up his rifle, took a swig of whiskey, and started to look for her.

In a clearing not far from the camp, they came upon a chilling sight: the mother-in-law was backed up against a thick, impenetrable bush, and a large male lion stood facing her.

The wife cried, "What are we going to do?"

"Nothing," said the hunter husband. "The lion got himself into this mess, let him get himself out of it."

Charm school

Two nicely dressed ladies happen to start up a conversation while waiting in the LAX airport. The first lady was an arrogant California woman married to a wealthy man. The second was a well-mannered, elderly woman from the South. When the conversation centered on whether they had any children, the California woman started by saying, "When my first child was born, my husband built a beautiful mansion for me."

The lady from the South commented, "Well, that's nice."

The first woman continued, "When my second child was born, my husband bought me a beautiful Mercedes-Benz."

Again, the lady from the South commented, "Well, that's nice."

The first woman continued boasting, "Then, when my third child was born, my husband bought me this exquisite diamond bracelet."

Yet again, the Southern lady commented, "Well, that's nice."

The first woman then asked her companion, "What did your husband buy for you when you had your first child?"

"My husband sent me to charm school," declared the Southern lady.

"Charm school!?" the first woman cried, "Good heavens! What on earth for?"

The Southern lady responded, "Well, for one thing, instead of saying 'Who gives a shit?' I learned to say, 'Well, that's nice.'"

The very first ever Blonde GUY joke..... And well worth the wait!

Knut S-C Öjermark

An Irishman, a Mexican and a Blonde Guy were doing construction work on scaffolding on the 20th floor of a building. They were eating lunch.

The Irishman said, "Corned beef and cabbage! If I get corned beef and cabbage one more time for lunch, I'm going to jump off this building."

The Mexican opened his lunch box and exclaimed, "Burritos again! If I get burritos one more time I'm going to jump off, too."

The blond opened his lunch and said, Bologna again! If I get a bologna sandwich one more time, I'm jumping too."

The next day, the Irishman opened his lunch box, saw corned beef and cabbage, and jumped to his death.

The Mexican opened his lunch, saw a burrito, and jumped, too.

The blonde guy opened his lunch, saw the bologna and jumped to his death as well.

At the funeral, the Irishman's wife was weeping. She said, "If I'd known how really tired he was of corned beef and cabbage, I never would have given it to him again!"

The Mexican's wife also wept and said, "I could have given him tacos or enchiladas! I didn't realize he hated burritos so much."

Everyone turned and stared at the blonde's wife. The blonde's wife said, "Don't look at me. He makes his own lunch.

Good Advice

ATTORNEY'S ADVICE -- Read this and make a copy for your files in case you need to refer to it someday. Maybe we should all take some of his advice!

The Best of the Net Part V

A corporate attorney sent the following out to the employees in his company.

1. The next time you order checks have only your initials (instead of first name) and last name put on them. If someone takes your checkbook, they will not know if you sign your checks with just your initials or your first name, but your bank will know how you sign your checks.
2. Do not sign the back of your credit cards. Instead, put "PHOTO ID REQUIRED".
3. When you are writing checks to pay on your credit card accounts, DO NOT put the complete account number on the "For" line. Instead, just put the last four numbers. The credit card company knows the rest of the number, and anyone who might be handling your check as it passes through all the check processing channels won't have access to it.
4. Put your work phone # on your checks instead of your home phone. If you have a PO Box use that instead of your home address. If you do not have a PO Box, use your work address. Never have your SS# printed on your checks. (DUH!) You can Add it if it is necessary. But if you have it printed, anyone can get it.
5. Place the contents of your wallet on a photocopy machine. Do both sides of each license, credit card, etc. You will Know what you had in your wallet and all of the account numbers And phone numbers to call and cancel. Keep the photocopy in a Safe place. I also carry a photocopy of my passport when I travel either here or abroad. We've all heard horror stories about fraud that's committed on us in stealing a name, address, Social Security number, credit cards.

Knut S-C Öjemark

Unfortunately, I, an attorney, have firsthand knowledge because my wallet was stolen last month. Within a week, the thief(s) ordered an expensive monthly cell phone package, applied for a VISA credit card, had a credit line approved to buy a Gateway computer, received a PIN number from DMV to change my driving record information online, and more. But here's some critical information to limit the damage in case this happens to you or someone you know:

1. We have been told we should cancel our credit cards immediately. But the key is having the toll free numbers and your card numbers handy so you know whom to call. Keep those where you can find them.

2 File a police report immediately in the jurisdiction where your credit cards, etc., were stolen. This proves to credit providers you were diligent, and this is a first step toward an investigation (if there ever is one).

But here's what is perhaps most important of all : (I never even thought to do this.)

3. Call the 3 national credit reporting organizations immediately to place a fraud alert on your name and Social Security number. I had never heard of doing that until advised by a bank that called to tell me an application for credit was made over the Internet in my name. The alert means any company that checks your credit knows your information was stolen, and they have to contact you by phone to authorize new credit.

By the time I was advised to do this, almost two weeks after the theft, all the damage had been done. There are records of all the credit checks initiated by the thieves' purchases, none of which I knew about before placing the alert. Since then, no additional damage has been done, and the thieves threw my wallet away This weekend (someone turned it in). It seems to have stopped them dead in their tracks.

Now, here are the numbers you always need to contact about your wallet, etc., has been stolen:

1.) Equifax: 1-800-525-6285

A man walking along a California beach was deep in prayer.

Suddenly, the sky clouded above his head and, in a booming voice, the Lord said, "Because you have TRIED to be faithful to me in all ways, I will grant you one wish."

The man said, "Build a bridge to Hawaii so I can drive over anytime I want."

The Lord said, "Your request is very materialistic. Think of the enormous challenges for that kind of undertaking. The supports to the bottom of the Pacific! The concrete and steel it would take! It will nearly exhaust several natural resources. I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that would honor and glorify me."

The man thought about it for a long time. Finally he said, "Lord, I wish that I could understand my wife. I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she

Fido Learns To Talk!

A boy goes off to college, but about 1/3 way through the semester, he has foolishly squandered what money his parents gave him.

"Hmmm," he wonders, "How am I gonna get more dough?" Then he gets an idea.

He calls his father. "Dad," he says, "you won't believe the wonders that modern education are coming up with! Why, they actually have a program here that will teach Fido how to talk!"

"That's absolutely amazing!" his father says, "How do I get him in that program?"

"Just send him down here with \$1000," the boy says, "I'll get him into the course."

So, his father sends the dog and the \$1000. About 2/3 way through the semester, the money runs out. The boy calls his father again.

"So how's Fido doing, son?" his father asks.

"Awesome, dad, he's talking up a storm," he says, "but you just won't believe this - they've had such good results with this program, that they've implemented a new one to teach the animals how to READ!"

Knut S-C Öjermark

"READ!?" says his father, "No kidding! What do I have to do to get him in that program?"

"Just send \$2,500, I'll get him in the class."

...And his father sends the money.

At the end of the semester, the boy has a problem. When he gets home, his father will find out that the dog can neither talk nor read. So he shoots the dog. When he gets home, his father is all excited. "Where's Fido? I just can't wait to hear him talk and listen to him read something!"

"Dad," the boy says, "I have some grim news. This morning, when I got out of the shower, Fido was in the living room kicking back in the recliner, reading the morning paper, like he usually does. Then he turned to me and asked, 'So, is your daddy still messin' around with that little redhead who lives on Oak Street?'"

The father says, "Oh, shit; I hope you SHOT that lyin' son of a bitch!"

"I sure did, Dad!"

Before he leaves, he tells her that he does not have any cash with him, but he will have his secretary write a check and mail it to her, calling the payment 'RENT FOR APARTMENT.'

On the way home he regrets what he has done, deciding that the whole event was not worth the price he agreed upon. So he has his secretary send a check for \$250 and enclose the following typed note:

Dear Madam:

Enclosed you will find a check in the amount of \$250 for rent of your apartment. I am not sending the amount agreed upon, because when I rented the apartment, I was under the impression that;

- 1) it had never been occupied
- 2) that there was plenty of heat
- 3) that it was small enough to make me feel cozy and at home.

However, once there, I found out that it had been previously occupied, that there wasn't any heat, and that it was entirely too large.

Upon receipt of the note, the girl immediately returned the check for \$250 with the following note:

Dear Sir:

First of all, I cannot understand how you expect a beautiful apartment to remain unoccupied indefinitely. As for the heat, there is plenty of it, if you know how to turn it on.

Regarding the space, the apartment is indeed of regular size, but if you don't have enough furniture to fill it, please don't blame the landlady.

Send the rent in full or we will be forced to contact your present landlady.

Wrong Email Address

The Gallaghers, a couple from Minneapolis, decided to go to Florida during the icy winter. They planned to stay at the same hotel where they spent their honeymoon 20 years earlier.

Both husband and wife had hectic schedules and it was difficult to coordinate their travel schedules. The husband left Minnesota and flew to Florida on Thursday while his wife planned to fly down the day after.

Mr. Gallagher checked into the hotel and decided to send an email to his wife. But in typing he accidentally left out one letter in her email address. Without realizing his error, he sent the email.

Meanwhile, in Houston, the widow Gallager returned home from her husband's funeral. He had been a minister of many years, called home to glory following a sudden heart attack. The widow decided to check her email, expecting messages from relatives and friends. After reading the first message, she fainted.

The widow's son rushed into the room, found his mother on the floor, and saw the computer screen which read:

Little Timmy

A first-grade teacher, Ms. Brooks, was having trouble with one of her students. The teacher asked, "Timmy, what's your problem?"

Timmy answered, "I'm too smart for the 1st grade. My sister is in the 3rd grade and I'm smarter than she is! I think I should be in the 3rd grade too!"

Ms. Brooks had had enough. She took Timmy to the principal's office. While Timmy waited in the outer office, the teacher explained to the Principal what the situation was.

The principal told Ms. Brooks he would give the boy a test. If he failed to answer any of his questions he was to go back to the 1st grade and behave. She agreed.

Timmy was brought in and the conditions were explained to him and he agreed to take the test.

Principal: "What is 3×3 ?"

Timmy: "9".

Principal: "What is 6×6 ?"

Timmy: "36".

And so it went with every question the principal thought a 3rd grader should know. The principal looks at Ms. Brooks and tells her, "I think Timmy can go to the 3rd grade."

The principal and Timmy both agreed.

Ms. Brooks asks, "What does a cow have four of that I have only two of?"

Timmy, after a moment: "Legs."

Ms. Brooks: "What is in your pants that you have but I do not have?"

The principal wondered, why would she ask such a question!

Timmy replied: "Pockets."

Ms. Brooks: "What does a dog do that a man steps into?"

Timmy: "Pants"

Ms. Brooks: What starts with a C, ends with a T, is hairy, oval, delicious and contains thin, whitish liquid?

Timmy: "Coconut."

The principal sat forward with his mouth hanging open.

Knut S-C Öjermark

Ms. Brooks: "What goes in hard and pink then comes out soft and sticky?"

Timmy: "Bubble gum"

Ms. Brooks: "What does a man do standing up, a woman does sitting down and a dog does on three legs?"

Timmy: "Shake hands."

The principal was trembling.

Ms. Brooks: "What word starts with an 'F' and ends in 'K' that means a lot of heat and excitement?"

Timmy: "Firetruck"

The principal breathed a sigh of relief and told the teacher, "Put Timmy in the fifth-grade, I got the last seven questions wrong".....

Cancer News from Johns Hopkins

Hi, Sharing some useful info with you all,

You may know by now that John Hopkins Cancer Centre has set up its first centre outside USA in Singapore. Hope you could let your friends know

The Best of the Net Part V

about the danger of buying take away in plastic containers!!!

Cancer ! News from Johns Hopkins:

No plastic containers in micro.

No water bottles in freezer.

No plastic wrap in micro.

Johns Hopkins has recently sent this out in its newsletters. This information is being circulated at Walter Reed Army Medical Center.

Dioxin chemicals causes cancer, especially breast cancer. Dioxins are highly poisonous to the cells of our bodies. Don't freeze your plastic bottles with water in them as this releases dioxins from the plastic.

Recently, Dr. Edward Fujimoto, Wellness Program manager at Castle Hospital, was on a TV program to explain this health hazard. He talked about dioxins and how bad they are for us. He said that we should not be heating our food in the microwave using plastic containers.

This applies to foods that contain fat. He said that the combination of fat, high heat, and plastics releases dioxin into the food and ultimately into the cells of the body.

Instead, he recommends using glass, Corning Ware, or ceramic containers for heating food. You get the same results, only without the dioxin.

So such things as TV dinners, instant ramen and soups, etc., should be removed from the container and heated in something else.

Paper isn't bad but you don't know what is in the paper.

It's just safer to use tempered glass, Corning Ware, etc.

He reminded us that a while ago some of the fast food restaurants moved away from the foam containers to paper.

The dioxin problem is one of the reasons.

Also, he pointed out that Saran wrap is just as dangerous when placed

Knut S-C Öjemark

over foods to be cooked in the microwave. As the food is nuked, the high heat causes poisonous toxins to actually melt out of the plastic wrap and drip into the food. Cover food with a paper towel instead.

The Golden Years!

Reporters interviewing a 104 year-old woman: "And what do you think is the best thing about being 104?" the reporter asked. She simply replied, "No peer pressure."

The nice thing about being senile is you can hide your own Easter eggs.

Just before the funeral services, the undertaker came up to the very elderly widow and asked, "How old was your husband?" "98," she replied. "Two years older than me." "So you're 96," the undertaker commented. She responded, "Hardly worth going home is it?"

I've sure gotten old. I've had 2 By-pass surgeries. A hip replacement, new knees, fought prostate cancer, and diabetes. I'm half blind, can't hear anything quieter than a jet engine, take 40 different medications that make me dizzy, winded, and subject to blackouts. Have bouts with dementia. Have poor circulation; hardly feel my hands and feet anymore, can't

Knut S-C Öjermark

remember if I'm 85 or 92, have lost all my friends. But.....Thank God, I still have my driver's license!

A 97 year old man goes into his doctor's office and says, "Doc, I want my sex drive lowered." "Sir", replied the doctor, "You're 97. Don't you think your sex drive is all in your head?" "You're darned right it is!" replied the old man.
"That's why I want it lowered!"

An elderly woman from Brooklyn decided to prepare her will and make her final requests. She told her rabbi she had two final requests. First, she wanted to be cremated, and second, she wanted her ashes scattered over Bloomingdales. "Bloomingdales?" the rabbi exclaimed. "Why Bloomingdales?"
"Then I'll be sure my daughters visit me twice a week."

Three old guys are out walking.
First one says, "Windy, isn't it?"
Second one says, "No, it's Thursday!"
Third one says, "So am I. Let's go get a beer."

A man was telling his neighbor, "I just bought a new hearing aid. It cost me four thousand dollars, but its state of the art. It's perfect." "Really," answered the neighbor. "What kind is it?" "Twelve thirty."

Morris, an 82 year-old man, went to the doctor to get a physical. A few days later the doctor saw Morris walking down the street with a gorgeous young woman on his arm. A couple of days later the doctor spoke to Morris and said,
"You're really doing great, aren't you?" Morris replied, "Just doing what you said, Doc:
'Get a hot mamma and be cheerful.'" The doctor said, "I didn't say that. I said, 'You've got a heart murmur. Be careful.'"

Bad Luck

This woman's husband had been slipping in and out of a coma for several months, yet she had stayed by his bedside every single day.

"I think you're bad luck."

Bubba applied for an engineering position at a Lake Charles refinery.

A Yankee applied for the same job and both applicants having the same qualifications were asked to take a test by the manager. Upon completion of the test, both men only missed one of the questions.

The manager went to Bubba and said: "Thank you for your interest but we've decided to give the Yankee the job."

Bubba asked: "And why are you giving him the job? We both got nine questions correct. This being Louisiana, and me being a Southern boy I should get the job!"

The manager said: "We have made our decision not on the correct answers, but rather on the one question that you both missed."

Bubba then asked: "And just how would one incorrect answer be better than the other?"

The manager replied: "Bubba, it's like this, on question #4 the Yankee put down "I don't know." you put down, "Neither do I."

During a visit to the mental asylum, a visitor asked the Director what is the criteria that defines a patient to be institutionalized. "Well," said the Director, "we fill up a bathtub, we offer a teaspoon, a teacup, and a bucket to the patient and ask the patient to empty the bathtub."

1. Would you use the spoon?
2. Would you use the teacup?
3. Would you use the bucket?

"Oh, I understand," said the visitor. "A normal person would choose the bucket as it is larger than the spoon or teacup."

What the hell happened?

A blind man walks into a restaurant and sits down.

The waiter, who is also the owner, walks up to the blind man and hands him a menu.

"I'm sorry, sir, but I am blind and can't read the menu. Just bring me a dirty fork from a previous customer. I'll smell it and order from there."

A little confused, the owner walks over to the dirty dish pile and picks up a greasy fork. He returns to the blind man's table and hands it to him.

The blind man puts the fork to his nose and takes in a deep breath. "Ah, yes, that's what I'll have -- meatloaf and mashed potatoes." Unbelievable, the owner thinks as he walks towards the kitchen. The cook happens to be the owner's wife. He tells her what had just happened. The blind man eats his meal and leaves.

Several days later, the blind man returns and the owner mistakenly brings him a menu again.

"Sir, remember me? I'm the blind man."

"I'm sorry, I didn't !! recognize you. I'll go get you a dirty fork." The owner retrieves a dirty fork and brings it to the blind man. After another deep breath, the blind man says, "That smells great. I'll take the macaroni and cheese with broccoli."

Walking away in disbelief, the owner thinks the blind man is screwing around with him and tells his wife that the next time the blind man comes in he's going to test him. The blind man eats and leaves.

The Best of the Net Part V

He returns the following week, but this time the owner sees him coming and runs to the kitchen. He tells his wife, "Mary, rub this fork on your panties before I take it to the blind man."

Mary complies and hands her husband the fork. As the blind man walks in and sits down, the owner is ready and waiting.

"Good afternoon, sir, this time I remembered you and I already have the fork ready for you."

The blind man puts the fork to his nose, takes a deep whiff, and says, "Hey -- I didn't know Mary worked here..."

I recently picked a new primary care physician.

After two visits and exhaustive lab test, he said I was doing "fairly well" for my age.

A little concerned about that comment, I couldn't resist asking him,

"Do you think I'll live to be 80?"

He asked, "Well, do you smoke or drink beer or wine?"

"Oh no", I replied. "I've never done either."

Then he asked, "Do you eat rib-eye steaks and barbecued ribs?"

I said, "No, I heard that all red meat is very unhealthy."

"Do you spend a lot of time in the sun, like playing golf / sailing / ballooning / motorcycling / rock climbing?"

"No I don't", I said.

He said, "Do you gamble, drive fast cars, or sexually fool around?"

"No", I said. "I have never done any of those things."

He looked at me and said,

"Then why do you give a shit if you live to be 80?"

MATH TRICK

Something else to take up time. Here is a math trick so unbelievable

Knut S-C Öjermark

that it will stump you. ??? Can you figure out how it works?

1. Grab a calculator (you won't be able to do this one in your head)
2. Key in the first three digits of your phone number (NOT the area code)
3. Multiply by 80
4. Add 1
5. Multiply by 250
6. Add the last 4 digits of your phone number
7. Add the last 4 digits of your phone number again.
8. Subtract 250
9. Divide number by 2 Do you recognize the answer?

A DEAD BMW

A blonde pushes her BMW into a gas station. She tells the mechanic it died. After he works on it for a few minutes, it is idling smoothly. She says, "What's the story?" He replies, "Just crap in the carburetor" She asks, "How often do I have to do that?"

SPEEDING TICKET

A police officer stops a blonde for speeding and asks her very nicely if he could see her license. She replied in a huff, "I wish you guys would get your act together. Just yesterday you take away my license and then today you expect me to show it to you!"

EXPOSURE

A blonde is walking down the street with her blouse open and her right breast hanging out. A policeman approaches her and says, "Ma'am, are you aware that I could cite you for indecent exposure?" She says, "Why officer?" "Because your breast is hanging out," he says. She looks

The Best of the Net Part V

down and says, "OH MY GOD, I left the baby on the bus again!"

RIVER WALK

There's this blonde out for a walk. She comes to a river and sees another blonde on the opposite bank. "Yoo-hoo!" she shouts, "How can I get to the other side?" The second blonde looks up the river then down the river and shouts back, "You ARE on the other side."

KNITTING

A highway patrolman pulled alongside a speeding car on the freeway. Glancing at the car, he was astounded to see that the blonde behind the wheel was knitting! Realizing that she was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, "PULL OVER!" "NO!" the blonde yelled back, "IT'S A SCARF!"

BLONDE ON THE SUN

A Russian, an American, and a Blonde were talking one day. The Russian said, "We were the first in space!" The American said, "We were the first on the moon!" The Blonde said, "So what? We're going to be the first on the sun!" The Russian and the American looked at each other and shook their heads. "You can't land on the sun, you idiot! You'll burn up!" said the Russian. To which the Blonde replied, "We're not stupid, you know.
We're going at night!"

IN A VACUUM

A blonde was playing Trivial Pursuit one night. It was her turn. She rolled the dice and she landed on Science & Nature. Her question was, "If you are in a vacuum and someone calls your name, can you hear it?" She thought for a time and then asked, "Is it on or off?"

FINALLY, THE BLONDE JOKE TO END ALL BLONDE JOKES!

A girl was visiting her blonde friend, who had acquired two new dogs, and asked her what their names were. The blonde responded by saying that one was named Rolex and one was named Timex. Her friend said, "Whoever heard of someone naming dogs like that?" "HelOOOooo," answered the blond.
"They're watch dogs!"

LIPSTICK LIP IMPRINTS SCHOOL WASHROOM MIRROR

According to a news report, a certain school in Garden City, MI was recently faced with a unique problem. A number of 12-year-old girls were beginning to use lipstick and would put it on in the washroom. That was fine, but after they put on their lipstick they would press their lips to the mirror leaving dozens of little lip prints. Every night, the maintenance man would remove them and the next day, the girls would put them back.

Finally the principal decided that something had to be done. He called all the girls to the washroom and met them there with the maintenance man. He explained that all these lip prints were causing a major problem for the custodian who had to clean the mirrors every night.

The Best of the Net Part V

To demonstrate how difficult it had been to clean the mirrors, he asked the maintenance man to show the girls how much effort was required. He took out a long-handled squeegee, dipped it in the toilet, and cleaned the mirror with it.

Since then, there have been no lip prints on the mirror.

WHY I FIRED MY SECRETARY...

LAST WEEK WAS MY BIRTHDAY AND I DIDN'T FEEL VERY WELL WAKING UP THAT MORNING. I WENT DOWNSTAIRS FOR BREAKFAST HOPING MY WIFE WOULD BE PLEASANT AND SAY, "HAPPY BIRTHDAY!", AND POSSIBLY HAVE A PRESENT FOR ME. AS IT TURNED OUT, SHE BARELY SAID GOOD MORNING, LET ALONE "HAPPY BIRTHDAY."

I THOUGHT... WELL, THAT'S MARRIAGE FOR YOU, BUT THE KIDS WILL REMEMBER. MY KIDS CAME INTO BREAKFAST AND DIDN'T SAY A WORD. SO WHEN I LEFT FOR THE OFFICE, I WAS FEELING PRETTY LOW AND SOMEWHAT DESPONDENT.

AS I WALKED INTO MY OFFICE, MY SECRETARY, JANE SAID, "GOOD MORNING, BOSS, HAPPY BIRTHDAY!" IT FELT A LITTLE BETTER THAT AT LEAST SOMEONE HAD REMEMBERED. I WORKED UNTIL ONE O'CLOCK AND THEN JANE KNOCKED ON MY DOOR AND SAID, "YOU KNOW, IT'S SUCH A BEAUTIFUL DAY OUTSIDE, AND IT'S YOUR

Knut S-C Öjermark

BIRTHDAY, LET'S GO OUT TO LUNCH, JUST YOU AND ME."

I SAID, "THANKS JANE, THAT'S THE GREATEST THING I'VE HEARD ALL DAY. LET'S GO!" WE WENT TO LUNCH. BUT WE DIDN'T GO WHERE WE NORMALLY WOULD GO. WE DINED INSTEAD AT A LITTLE PLACE WITH A PRIVATE TABLE. WE HAD TWO MARTINIS EACH AND I ENJOYED THE MEAL TREMENDOUSLY.

ON THE WAY BACK TO THE OFFICE, JANE SAID, "YOU KNOW, IT'S SUCH A BEAUTIFUL DAY.. WE DON'T NEED TO GO BACK TO THE OFFICE, DO WE?"

I RESPONDED, "I GUESS NOT. WHAT DO YOU HAVE IN MIND?"

SHE SAID, "LET'S GO TO MY APARTMENT."

AFTER ARRIVING AT HER APARTMENT JANE TURNED TO ME AND SAID, "BOSS, IF YOU DON'T MIND, I'M GOING TO STEP INTO THE BEDROOM FOR A MOMENT. I'LL BE RIGHT BACK."

"OK." I NERVOUSLY REPLIED.

SHE WENT INTO THE BEDROOM AND, AFTER A COUPLE OF MINUTES, SHE CAME OUT CARRYING A HUGE BIRTHDAY CAKE... FOLLOWED BY MY WIFE, KIDS, AND DOZENS OF MY FRIENDS AND CO-WORKERS, ALL SINGING "HAPPY BIRTHDAY".

AND I JUST SAT THERE... ON THE COUCH... NAKED.

In the meantime, thank you for your good wishes, sir."

Feeling as though he had sufficiently impressed the young enlisted man, he asked, "What do you want?"

"Nothing important, sir," the airman replied, "I'm just here to hook up your telephone."

Officer: "Soldier, do you have change for a dollar?"

Soldier: "Sure, buddy."

Officer: "That's no way to address an officer! Now let's try it again!"

"Soldier, do you have change for a dollar?"

Soldier: "No, SIR!"

Jewish bra

A man walked into the Lingerie Department of a department store. He tells the saleslady, "I would like a Jewish bra for my wife, size 34B."

With a quizzical look the saleslady asked, "What kind of bra?"

He repeated "A Jewish bra. She said to tell you that she wanted a Jewish bra, and that you would know what she wanted."

"Ah, now I remember," said the saleslady. "We don't get as many requests for them as we used to. Mostly of our customers lately want The Catholic bra, or the Salvation Army bra, or the Presbyterian bra."

Confused, and a little flustered, the man asked "So, what are the differences?"

The saleslady responded. "It is all really quite simple. The Catholic bra supports the masses.

The Salvation Army lifts up the fallen, and the Presbyterian bra keeps them staunch and upright."

He mused on that information for a minute and said: "Hmmm. I know I'll regret asking, but what does the Jewish bra do?"

"Ah, the Jewish bra," she replied, "makes mountains out of molehills."

Church Humor

An elderly woman walked into the local country church. The friendly

usher greeted her at the door and helped her up the flight of steps.

"Where would you like to sit?" he asked politely.

"The front row please." She answered.

"You really don't want to do that," the usher said. "The pastor is

really boring."

"Do you happen to know who I am?" the woman inquired.

"No," he said.

"I'm the pastor's mother," she replied indignantly.

"Do you know who I am?" he asked.

"No," she said.

"Good," he answered.

Show and Tell:

A kindergarten teacher gave her class a "show and tell" assignment. Each student was instructed to bring in an object to share with the class that represented their religion.

The first student got up in front of the class and said, "My name is Benjamin and I am Jewish and this is a Star of David."

The second student got up in front of the class and said, "My name is Mary. I'm a Catholic and this is a Rosary."

The third student got up in front of the class and said, "My name is Tommy. I am Methodist, and this is a casserole."

The Best Way To Pray:

A priest, a minister and a guru sat discussing the best positions for prayer while a telephone repairman worked nearby.

"Kneeling is definitely the best way to pray," the priest said.

"No," said the minister. "I get the best results standing with my hands outstretched to Heaven."

"You're both wrong," the guru said. "The most effective prayer

position is lying down on the floor."

The Best of the Net Part V

The repairman could contain himself no longer. "Hey, fellas," he interrupted. "The best prayin' I ever did was when I was hangin' upside down from a telephone pole."

Waking Up for Church :

One Sunday morning, a mother went in to wake her son and tell him it was time to get ready for church, to which he replied, "I'm not going."

"Why not?" she asked. "I'll give you two good reasons." He said.

"One, they don't like me, and two, I don't like them."

His mother replied, "I'll give YOU two good reasons why you SHOULD go to church. One, you're 54 years old, and two,! you're the pastor!"

The Twenty and the One:

A well-worn one dollar bill and a similarly distressed twenty dollar bill arrived at a Federal Reserve Bank to be retired. As they moved along the conveyor belt to be burned, they struck up a conversation.

The twenty dollar bill reminisced about its travels all over the country. "I've had a pretty good life," the twenty proclaimed.

"Why I've been to Las Vegas and Atlantic City , the finest restaurants

in New York , performances on Broadway, and even a cruise to the Caribbean ."

"Wow!" said the one dollar bill. "You've really had an exciting life!"

"So tell me," says the twenty, "where have you been throughout

Knut S-C Öjermark

your lifetime?"

The one dollar bill replies, "Oh, I've been to the Methodist Church ,the Baptist Church , the Lutheran Church ..."

The twenty dollar bill interrupts, "What's a church?"

Goat for Dinner:

The young couple invited their elderly pastor for Sunday dinner. While they were in the kitchen preparing the meal, the minister asked their son what they were having. "Goat," the little boy replied.

"Goat?" replied the startled man of the cloth, "Are you sure about that?"

"Yep," said the youngster. "I heard Dad say to Mom, "Today is just as good as any to have the old goat for dinner."

Costello calls to buy a computer from Abbott...

I'm setting up an office in my den and I'm thinking about buying a computer.

ABBOTT: Mac?

The Best of the Net Part V

COSTELLO: No, the name's Lou.

ABBOTT: Your computer?

COSTELLO: I don't own a computer.

I want to buy one.

ABBOTT: Mac?

COSTELLO: I told you, my name's Lou.

ABBOTT: What about Windows?

COSTELLO: Why?

Will it get stuffy in here?

ABBOTT: DO YOU WANT A COMPUTER WITH WINDOWS?

COSTELLO: I don't know.

What will I see when I look at the windows?

ABBOTT: Wallpaper.

COSTELLO: Never mind the windows.

I need a computer and software.

Knut S-C Öjermark

ABBOTT: Software for Windows?

COSTELLO: No. On the computer.

I need something I can use to write proposals, track expenses and run my business.

What do you have?

ABBOTT: Office.

COSTELLO: Yeah, for my office.

Can you recommend anything?

ABBOTT: I just did.

COSTELLO: You just did what?

ABBOTT: Recommend something.

COSTELLO: You recommended something?

ABBOTT: Yes.

COSTELLO: OK, what did you recommend for my office?

The Best of the Net Part V

ABBOTT: Office.

COSTELLO: Yes, for my office.

ABBOTT: I recommend Office with Windows.

COSTELLO: I already have an office with windows.

OK, let's just say I'm sitting at my computer and I want to type a proposal.

What do I need?

ABBOTT: Word.

COSTELLO: What word?

ABBOTT: Word in Office.

COSTELLO: The only word in office is office.

ABBOTT: The Word in Office for Windows.

COSTELLO: Which word in office for windows?

ABBOTT: The Word you get when you click the blue "W".

COSTELLO: I'm going to click your blue "w" if you don't start with some straight answers.

OK, forget that.

Can I watch movies on the Internet?

ABBOTT: Yes, you want Real One.

Knut S-C Öjermark

COSTELLO: Maybe a real one, maybe a cartoon.
What I watch is none of your business. Just tell me what I need.

ABBOTT: Real One.

COSTELLO: If it's a long movie, I also want to watch reels 2, 3 and 4.
Can I watch them?

ABBOTT: Of course.

COSTELLO: Great.
With what?

ABBOTT: Real One.

COSTELLO: OK, I'm at my computer and I want to watch a movie.

What do I do?

ABBOTT: You click the blue "1".

COSTELLO: I click the blue one what?

ABBOTT: The blue "1".

COSTELLO: Is that different from the blue W?

ABBOTT: The blue "1" is Real One and the blue "W" is Word.

The Best of the Net Part V

COSTELLO: What word?

ABBOTT: The Word in Office for Windows.

COSTELLO: But there are three words in "office for windows".

ABBOTT: No, just one.
But it's the most popular Word in the world.

COSTELLO: It is?

ABBOTT: Yes, but to be fair, there aren't many other Words left.
It pretty much wiped out all the other Words out there.

COSTELLO: And that word is real one?

ABBOTT: Real One has nothing to do with Word.
Real One isn't even part of Office.

COSTELLO: STOP.
Don't start that again.

What about financial bookkeeping?

You have anything I can track my money with?

ABBOTT: Money.

COSTELLO: That's right.
What do you have?

Knut S-C Öjermark

ABBOTT: Money.

COSTELLO: I need money to track my money?

ABBOTT: It comes bundled with your computer.

COSTELLO: What's bundled with my computer?

ABBOTT: Money.

COSTELLO: Money comes with my computer?

ABBOTT: Yes.
No extra charge.

COSTELLO: I get a bundle of money with my computer?

How much?

ABBOTT: One copy.

COSTELLO: Isn't it illegal to copy money?

ABBOTT: Microsoft gave us a license to copy Money.

COSTELLO: They can give you a license to copy money?

ABBOTT: Why not?
THEY OWN IT.

Cancer News from Johns Hopkins

Hi, Sharing some useful info with you all,

You may know by now that John Hopkins Cancer Centre has set up its first centre outside USA in Singapore. Hope you could let your friends know about the danger of buying take away in plastic containers!!!

Cancer ! News from Johns Hopkins:

No plastic containers in micro.

No water bottles in freezer.

No plastic wrap in micro.

Johns Hopkins has recently sent this out in its newsletters. This information is being circulated at Walter Reed Army Medical Center.

Knut S-C Öjermark

Dioxin chemicals causes cancer, especially breast cancer. Dioxins are highly poisonous to the cells of our bodies. Don't freeze your plastic bottles with water in them as this releases dioxins from the plastic.

Recently, Dr. Edward Fujimoto, Wellness Program manager at Castle Hospital, was on a TV program to explain this health hazard. He talked about dioxins and how bad they are for us. He said that we should not be heating our food in the microwave using plastic containers.

This applies to foods that contain fat. He said that the combination of fat, high heat, and plastics releases dioxin into the food and ultimately into the cells of the body.

Instead, he recommends using glass, Corning Ware, or ceramic containers for heating food. You get the same results, only without the dioxin.

So such things as TV dinners, instant ramen and soups, etc., should be removed from the container and heated in something else.

Paper isn't bad but you don't know what is in the paper.

It's just safer to use tempered glass, Corning Ware, etc.

He reminded us that a while ago some of the fast food restaurants moved away from the foam containers to paper.

The dioxin problem is one of the reasons.

Also, he pointed out that Saran wrap is just as dangerous when placed over foods to be cooked in the microwave. As the food is nuked, the high heat causes poisonous toxins to actually melt out of the plastic wrap and drip into the food. Cover food with a paper towel instead. This is an article

SOMETHING TO THINK ABOUT

Knut S-C Öjermark

TO THOSE OF YOU NOT FAMILIAR WITH JOE ARPAIO, HE IS THE MARICOPA ARIZONA COUNTY SHERIFF AND HE KEEPS GETTING ELECTED OVER AND OVER.

The Best of the Net Part V

THIS IS ONE OF THE REASONS WHY:

Sheriff Joe Arpaio (in Arizona) who created the "tent city jail":

He has jail meals down to 40 cents a serving and charges the inmates for them.

He stopped smoking and porno magazines in the jails. Took away their weights. Cut off all but "G" movies.

He started chain gangs so the inmates could do free work on county and city projects.

Then he started chain gangs for women so he wouldn't get sued for discrimination.

He took away cable TV until he found out there was a federal court order that required cable TV for jails. So he hooked up the cable TV again only let in the Disney channel and the weather channel.

When asked why the weather channel he replied, so they will know how hot it's gonna be while they are working on my chain gangs.

He cut off coffee since it has zero nutritional value.

When the inmates complained, he told them, "This

Knut S-C Öjemark

isn't the Ritz/Carlton. If you don't like it, don't come back."

He bought Newt Gingrich' lecture series on videotape that he pipes into the jails.

When asked by a reporter if he had any lecture series by a Democrat, he replied that a democratic lecture series might explain why a lot of the inmates were in his jails in the first place.

More on the Arizona Sheriff:

With temperatures being even hotter than usual in Phoenix (116 degrees just set a new record), the Associated Press reports: About 2,000 inmates living in a barbed-wire-surrounded tent encampment at the Maricopa County Jail have been given permission to strip down to their government-issued pink boxer shorts.

On Wednesday, hundreds of men wearing boxers were either curled up on their bunk beds or chatted in the tents, which reached 138 degrees inside the week before.

Many were also swathed in wet, pink towels as sweat collected on their chests and dripped down to their pink socks.

"It feels like we are in a furnace," said James Zanzot, an inmate who has lived in the tents for 1 = years. "It's inhumane."

Joe Arpaio, the tough-guy sheriff who created the tent city and long ago started making his prisoners wear pink, and eat bologna sandwiches, is not one bit sympathetic. He said Wednesday that he told all of the

The Best of the Net Part V

inmates: "It's 120 degrees in Iraq and our soldiers are living in tents too, and they have to wear full battle gear, but they didn't commit any crimes, so shut your damned mouths!"

Way to go, Sheriff! Maybe if all prisons were like this one there would be a lot less crime and/or repeat offenders. Criminals should be punished for their crimes - not live in luxury until it's time for their parole, only to go out and commit another crime so they can get back in to live on taxpayers money and enjoy things taxpayers can't afford to have for themselves.

If you agree, pass this on. If not, just delete it.

You'll cry because time is passing too fast, and you'll eventually lose someone you love. HUMOR: Texas

In Texas, geography teachers tell their students,
"Never ask a person if they're from Texas,"
explaining, "If they are, they will find a way to tell
you within minutes. And, if they are not, why
embarrass them."

Parched by the unrelenting sun, a visitor to Texas
asked a native, "Doesn't it ever rain out here?"

The local replied, "Remember Noah and the forty days
and forty night of rain?"

The visitor said he recalled.

"We got two inches then."

In a small Texas town, a rancher's mule kicked his
wife in the head, killing her instantly. At the
funeral, nearly the whole town of 250 people showed
up. A friend of the family said, "I didn't know your
wife had so many friends."

The husband replied, "She didn't. Most of them are

How many Texans does it take to change a light bulb?

101. 1 to change it, and 100 to brag about it!

Three rich Texans met at an exclusive resort and got to bragging about the size of their ranches.

"Yes," says the first, "I've got about 250,000 acres full of cattle. I call it the Lazy Z."

"That's nice," says the second, "But I've got 350,000 acres full of cattle and oil. I call it the Big W."

The third Texan didn't say anything, so the first two press him, "Well, what's the size of your spread?"

"About 60 acres." he says.

"60 acres!?" say the first two, "Why that's pitiful. What do you call it?"

"Downtown Dallas."

At this same exclusive resort, the wives of these three rich Texans met and got to talking. The first

Knut S-C Öjermark

wife says, "My husband loves me so much he gave me this beautiful 15-caret diamond."

The other two ladies say, "How nice."

The second wife says, "My husband loves me so much that once a year we rent an expensive villa in Italy for a whole month, and I don't have to lift a finger."

The other two ladies say, "How nice."

The third wife doesn't say anything, but the first two press her, so she says, "Well, I come from a poor family and so I didn't get a lot of education. But my husband loves me so much that he sent me to the finest finishing school in Boston, where they taught me to say 'How nice' instead of 'Ah bullshit!'"

(6) "When I first started driving, who would have thought gas would someday cost 29 cents a gallon. Guess we'd be better off leaving the car in the garage,"

(10) "Did you see where some baseball player just signed a contract for \$75,000 a year just to play ball? It wouldn't surprise me if someday that they will be making more than the President."

"With what money?" demanded his parents? "We know what a Porsche costs."

"Well," said the boy, "this one cost me fifteen dollars."

So the parents began to panic and asked. "Who would sell a car like that for fifteen dollars?" they said.

"It was the lady up the street," said the boy. "I don't know her name; they just moved in."

She saw me ride past on my bike and asked me if I wanted to buy a Porsche for fifteen dollars."

"Oh my Goodness," moaned the mother to the boys father, "John, you go right up there and see what's going on."

So the boy's father walked up the street to the house where the lady lived and found her out in the yard calmly planting petunias!

He introduced himself as the father of the boy to whom she had sold a Porsche for fifteen dollars and demanded to know what was going on.

"Well," she said, "this morning I got a phone call from my husband. I thought he was on a business trip, but learned from a friend he has run off to Hawaii with his secretary."

Stress Management

A lecturer, when explaining stress management to an audience, raised a glass of water and asked, "how heavy is this glass of water?" Answers called out ranged from 20g to 500g. The lecturer replied, "The absolute weight doesn't matter. It depends on how long you try to hold it."

"If I hold it for a minute, that's not a problem. If I hold it for an hour, I'll have an ache in my right arm. If I hold it for a day, you'll have to call an ambulance. "In each case, it's the same weight, but the longer I hold it, the heavier it becomes."

He continued, "And that's the way it is with stress management. If we carry our burdens all the time, sooner or later, as the burden becomes increasingly heavy, we won't be able to carry on." "As with the glass of water, you have to put it down for a while

Knut S-C Öjermark

and rest before holding it again. When we're refreshed, we can carry on with the burden."

"So, before you return home tonight, put the burden of work down. Don't carry it home. You can pick it up tomorrow. Whatever burdens you're carrying now, let them down for a moment if you can." "Relax; pick them up later after you've rested. Life is short. Enjoy it!

And then he shared some ways of dealing with the burdens of life:

Accept that some days you're the pigeon, and some days you're the statue.

Some people understand life better than others, and they call some of these people "retarded"...

At the Seattle Special Olympics, nine contestants, all physically or

The Best of the Net Part V

mentally disabled, assembled at the starting line for the 100-yard dash. At the gun, they all started out, not exactly in a dash, but with a relish to run the race to the finish and win. All, that is, except one little boy who stumbled on the asphalt, tumbled over a couple of times, and began to cry. The other eight heard the boy cry. They slowed down and looked back. Then they all turned around and went back.....every one of them. One girl with Down's Syndrome bent down and kissed him and said, "This will make it better." Then all nine linked arms and walked together to the finish line.

Everyone in the stadium stood; the cheering went on for several minutes. People who were there are still telling the story... Why? Because deep down we know this one thing: What matters in this life is more than winning for ourselves. What matters in this life is helping others win, even if it means slowing down and changing our course. If you pass this on, we may be able to change our hearts as well as someone else's.

Cows, Constitution, Commandments, and Carlin

COWS, Is it just me, or does anyone else find it amazing that our government can track a cow born in Canada almost three years ago, right to the stall where she sleeps in the state of Washington And they tracked her calves to their stalls. But they are unable to locate 11 million illegal aliens wandering around our country. Maybe we should give them all a cow.

CONSTITUTION They keep talking about drafting a Constitution for Iraq.

Why don't we just give them ours? It was written by a lot of really smart guys, it's worked for over 200 years and we're not using it anymore.

TEN COMMANDMENTS The real reason that we can't have the Ten Commandments in a Courthouse? You cannot post "Thou Shalt Not Steal," "Thou Shalt Not Commit Adultery" and "Thou Shall Not Lie" in a building full of lawyers, judges and politicians! It creates a hostile work environment!

Knut S-C Öjermark

And Last but not least..... George Carlin said it best about Martha Stewart

..., "Boy, I feel a lot safer now that she's behind bars. O.J. Simpson and Kobe Bryant are still walking around; Osama Bin Laden too, but they take the one woman in America willing to cook, clean, and work in the yard, and haul her _ _ _ off to jail."

The Ventriloquist

A young ventriloquist is touring the clubs and one night he's doing a show in a small town in Arkansas. With his dummy on his knee, he starts going through

his usual dumb blonde jokes when a blonde woman in the 4th row stands on her chair and starts shouting: "I've heard enough of your stupid blonde jokes. What makes you think you can stereotype women that way? What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person. Because you and your kind continue to perpetuate discrimination against not only blondes, but women in general...and all in the name of humor!

The embarrassed ventriloquist begins to apologize, and the blonde yells, "You stay out of this mister! I'm talking to that little shit on your knee."

The undertaker asked, "Why....why would you spend

\$5,000 to ship your mother-in-law home

when it would be wonderful to beburied here and spend only \$150?"

The man replied, "About 2000 years ago a man diedhere.

He was buried here and three days later he arose from the dead.

Listen up! If you don't laugh out loud at this one, call the morgue and reserve a tray, because you are dead.

Always wear clean underwear in public, especially when working under your vehicle. From the Northwest Florida Daily News comes this story of a Crestview couple who drove their car to Wal Mart only to have their car break down in the parking lot.

The man told his wife to carry on with the shopping while he fixed the car in the lot. The wife returned later to see a small group of people near the car. On closer inspection, she saw a pair of male legs protruding from under the chassis. Although the man was in shorts, his lack of underpants turned private parts into glaringly public ones.

Unable to stand the embarrassment, she dutifully stepped forward, quickly put her hand UP his shorts, and tucked everything back into place.

On regaining her feet, she looked across the hood and found herself staring at her husband who was standing idly by. The mechanic, however, had to have three stitches in his forehead.

Ham Sandwich - This is funny! Especially if you have children

(This is a true story. If you have children you will probably relate to this father.)

As ham sandwiches go, it was perfection: a thick slab of ham on a fresh bun with crisp lettuce and plenty of expensive, light brown, gourmet mustard.

The corners of my jaw aching in anticipation, I carried it to the table in our backyard, picked it up with both hands but was stopped by my wife suddenly at my side.

"Here, hold Johnny (our six-week-old son) while I get my sandwich," she said.

I had him balanced between my left elbow and shoulder and was reaching again for the ham sandwich when I noticed a streak of mustard on my fingers.

I love mustard.

I had no napkin.

I licked it off.

It was not mustard.....

No man ever put a baby down faster. It was the first and only time I have sprinted with my tongue protruding. With a washcloth in each hand, I did the sort of routine shoeshine boys do; only I did it on my tongue.

Knut S-C Öjermark

Later, after she stopped crying from laughing so hard, my wife said,
"Now you know why they call that fancy mustard

"Poupon."

U.S. Senator Unhurt in Air Crash

The Associated Press reports that New York junior, Senator Hillary Clinton, narrowly escaped injury in the aircraft that she was piloting when she was forced to make an emergency landing in Southern New Jersey because of bad weather.

National Transportation Safety Board officials have issued a preliminary determination that pilot error contributed to the accident, and that the senator was flying a single engine aircraft in IFR [instrument flight rating] conditions while only having obtained a VFR (visual flight rating) rating.

The absence of a post-crash fire was likely due to insufficient fuel on board. No one on the ground was injured.

Photographs taken (shown below) at the scene show the extent of damage to Senator Clinton's aircraft. She was very lucky.

Elderly woman

An elderly woman walked into the Bank of Canada one morning with a purse full of money. She wanted to open a savings account and insisted on talking to the president of the Bank because, she said, she had a lot of money.

After many lengthy discussions (after all, the client is always right) an employee took the elderly woman to the president's office.

Knut S-C Öjemark

The president of the Bank asked her how much she wanted to deposit. She placed her purse on his desk and replied, "\$165,000". The president was curious and asked her how she had been able to save so much money. The elderly woman replied that she made bets.

The president was surprised and asked, "What kind of bets?"

The elderly woman replied, "Well, I bet you \$25,000 that your testicles are square."

The president started to laugh and told the woman that it was impossible to win a bet like that.

The woman never batted an eye. She just looked at the president and said, "Would you like to take my bet?"

"Certainly", replied the president. "I bet you \$25,000 that my testicles are not square."

"Done", the elderly woman answered. "But given the amount of money involved, if you don't mind I would like to come back at 10 o'clock tomorrow morning with my lawyer as a witness."

"No problem", said the president of the Bank confidently.

That night, the president became very nervous about the

The Best of the Net Part V

bet and spent a long time in front of the mirror examining his testicles, turning them this way and that, checking them over again and again until he was positive that no one could consider his testicles as square and reassuring himself that there was no way he could lose the bet.

The next morning at exactly 10 o'clock the elderly woman arrived at the president's office with her lawyer and acknowledged the \$25,000 bet made the day before that the president's testicles were square.

The president confirmed, that the bet was the same as the one made the day before. Then the elderly woman asked him to drop his pants etc. so that she and her lawyer could see clearly.

The president was happy to oblige.

The elderly woman came closer so she could see better and asked the president if she could touch them. "Of course", said the president. "Given the amount of money involved, you should be 100% sure."

The elderly woman did so with a little smile. Suddenly the president noticed that the lawyer was banging his head against the wall. He asked the elderly woman why he was doing that and she replied, "Oh, it's probably because I bet him \$100,000 that around 10 o'clock in the morning I would be holding the balls of the President of the Bank of Canada!"

Blind Pilots

Two men dressed in Pilots' uniforms walk up the aisle. Both are wearing dark glasses, one is using a guide dog, and the other is tapping his way along the aisle with a cane. Nervous laughter spreads through the cabin, but the men enter the cockpit, the door closes, and the engines start up. The passengers begin glancing nervously around, searching for some kind of a sign that this is just a little practical joke. None is forthcoming.

The plane moves faster and faster down the runway, and the people sitting in the window seats realize they're headed straight for the water at the edge of the airport territory. Just as it begins to look as though the plane will plough straight into the water, panicked screams fill the cabin. At that moment, the plane lifts smoothly into the air. The passengers relax and laugh a little sheepishly, and soon all retreat into their magazines, secure in the knowledge that the plane is in good hands.

In the cockpit, one of the blind pilots turns to the other and says, "You know, Bob, one of these days, they're gonna scream too late and we're all gonna die.

Bubba and Junior were standing at the base of a flagpole. A woman walked by and asked what they were doing. Then she took a tape measure from her packet, took a measurement, announce, "Eighteen feet, six inches," and walked away. Junior shook his head and laughed, "Ain't that just like a dumb blonde. The bartender just shakes his head in disapproval while wiping the bar, but says nothing.

The second guy says, "What? Are you insane? There's no way in heck that could happen!"

"No, it's true," said the first man, "let me prove it to you."

He gets up from the bar, jumps over the balcony and plummets toward the street below. When he passes the 10th floor, the high wind whips him around the building and back into the 10th floor window and he takes the elevator back up to the bar. He meets the second man, who is astonished." You know, I saw that with my own eyes, but that must've been a

one-time fluke. That was scientifically impossible!"

"No, I'll prove it again," says the first man as he jumps. Again, just as his body hurtles towards the street, the 10th floor wind gently carries him around the building and into the window. He takes the elevator back to the bar.

Once upstairs, he successfully urges his dubious fellow drinker to try it.

"Well, what the heck," the second guy says, "I've seen that it works, so I'll try it!"

He immediately jumps over the balcony - plunges downward - rapidly passes the 11th, 10th, 9th, 8th floors ...his body hits the sidewalk with a loud "splat."

Back upstairs, the bartender who had been silent the whole time turns to the first drinker, and shakes his head. He says, "You know, Superman, you're a real asshole when you're drunk."

Three old ornery grandmas were sitting on a bench outside

The old man said, "There ain't no way you can guess it."

One of the ornery grandmas said, "Sure we can! Just drop your under shorts and we can tell your exact age."

He did.

The grandmas stared at him for a while and then they all piped up and said, "You're 84 years old!"

The old man was stunned. "Amazing! How did you guess that?"

The ornery old grandmas, laughed. Slapping their knees and grinning from ear to ear, all three happily yelled in unison, "You told us yesterday!"

Two medical students were walking along the street when they saw an old man walking with his legs spread apart.

One of the students said to his friend: "I'm sure he has Petry Syndrome. Those people walk just like that." The other student says: "No, I don't think so. The old man surely has Zovitzki Syndrome. He walks just as we learned in class."

Since they couldn't agree they decided to ask the old man. They approached the old man and one of the students said to him: "We're medical students and couldn't help but notice the way you walk, but we couldn't agree on the syndrome you might have. Could you tell us what it is?"

The old man said: "I'll tell you, but first you'll tell me what you think." One of the students said: "I think it's Petry Syndrome."

The old man said: "You thought..... but you're wrong."
Then the other student said: "I think you have Zovitzki Syndrome."

The old man said: "You thought..... but you're wrong."
So they asked him: "Well, what do you have?" And the old man said: "I thought It was a fart..... but I was also wrong."

An older, white haired man walked into a jewelry store one Friday evening with a beautiful young gal at his side. He told the jeweler he was looking for a special ring for his girlfriend.

The jeweler looked through his stock and brought out a \$5,000 ring and showed it to him. The old man said, "I don't think you understand...I want something very special!"

At that statement, the jeweler went to his special stock and brought another ring over. "Here's a stunning ring at only \$40,000.00," the jeweler said.

The young lady's eyes sparkled and her whole body trembled with excitement. The old man seeing this said, "We'll take it."

The jeweler asked how payment would be made and the old man stated, by check. "I know you need to make sure my check is good, so I'll write it now and you can call the bank Monday to verify the funds an I'll pick the ring up Monday afternoon," he said.

Monday morning, a very teed-off jeweler phoned the old man.

A Spanish teacher

A Spanish teacher was explaining to her class that in Spanish, unlike English, nouns are designated as either masculine or feminine.

"House" for instance, is feminine: "la casa." "Pencil," however, is masculine: "el lapiz."

A student asked, "What gender is 'computer'?"

Instead of giving the answer, the teacher split the class into two

The Best of the Net Part V

groups, male and female, and asked them to decide for themselves whether "computer" should be a masculine or a feminine noun.

Each group was asked to give four reasons for its recommendation.

The men's group decided that "computer" should definitely be of the feminine gender ("la computer"), because:

1. No one but their creator understands their internal logic;
2. The native language they use to communicate with other computers is incomprehensible to everyone else;
3. Even the smallest mistakes are stored in long term memory for possible later retrieval; and
4. As soon as you make a commitment to one, you find yourself spending half your paycheck on accessories for it.

(No chuckling... this gets better!)

The women's group, however, concluded that computers should be Masculine ("el computer"), because:

1. In order to do anything with them, you have to turn them on;
2. They have a lot of data but still can't think for themselves;
3. They are supposed to help you solve problems, but half the time they ARE the problem; and
4. As soon as you commit to one, you realize that if you had waited a little longer, you could have gotten a better model.

The women won.

Nope,I really don't see a pattern here to justify profiling, do you?

So, to ensure we Americans never offend anyone, particularly fanatics intent on killing us, airport security screeners will no longer be allowed

The Best of the Net Part V

to profile certain people. They must conduct random searches of 80-year-old women, little kids, airline pilots with proper identification, secret agents who are members of the President's security detail, 85-year old Congressmen with metal hips, and Medal of Honor winning and former Governor Joe Foss, but leave Muslim Males between the ages 17 and 40 alone because of profiling.

Let's show this to as many people as we can so that the Gloria Alredds and other dander-headed attorneys, along with Federal Judges, that want to thwart common sense, feel doubly ashamed of themselves - if they have any such sense. As the writer of the award winning story "Forrest Gump" so aptly put it, "Stupid is as stupid does."

Trial Testimony

Things to remember

Lawyers should never ask a witness a question if they aren't prepared to for the answer. In a trial, in a small southern town, the prosecuting attorney called his first witness, a grandmotherly elderly woman to the stand.

He approached her and asked, "Mrs. Jones, do you know me?" She responded, "Why, yes I do know you Mr. Williams. I've known you since you were a young boy and frankly, you've been a big disappointment to me. You lie, you cheat on your wife, you manipulate people and talk about them behind their backs.

You think you're a big shot when you haven't the brains to realize you never will amount to anything more than a two-bit paper pusher. Yes, I know you."

The lawyer was stunned!

Not knowing what else to do, he pointed across the room and asked, "Mrs. Jones, do you know the defense attorney?" She again replied, "Why yes, I do. I've known Mr. Bradley since he was a youngster too. He's lazy, bigoted and he has a drinking problem. He can't build a normal relationship with

Knut S-C Öjermark

anyone and his law practice is one of the worst in the entire state. Not to mention he cheated on his wife with three different women, and one of them was your wife. Yes, I know him."

The defense attorney almost passed out.

The judge asked both counselors to approach the bench, and in a very quiet voice, said, "If either of you bastards asks her if she knows me, I'll throw your sorry a\$\$es in jail."

Old Harold's In The Hospital

Harold was an old man. He was sick and in the hospital.

There was one young nurse that just drove him crazy.

Every time she came in, she would talk to him like he was a little child. She would say in a patronizing tone of voice, "And how are we doing this morning, or are we ready for a bath, or are we hungry?"

Old Harold had had enough of this particular nurse. One day, Old Harold had breakfast, pulled the juice off the tray, and put it on his bed side stand. He had been given a urine bottle to fill for testing.

The juice was apple juice. So .. you know where the juice

The Best of the Net Part V

went! The nurse came in a little later, picked up the urine bottle and looked at it. "My, but it seems we are a little cloudy today ."

At this, Old Harold snatched the bottle out of her hand, popped off the top, and drank it down, saying, "Well, I'll run it through again. Maybe I can filter it better this time."

The nurse fainted! . Old Harold just smiled!

T-G-I-F vs. S-H-I-T

A business man got on an elevator. When he entered there was a blonde already inside who greeted him with a bright, "T-G-I-F".

He smiled at her and replied, "S-H-I-T".

She looked puzzled and repeated, "T-G-I-F", more slowly.

He again answered, "S- H- I- T".

The blonde was trying to keep it friendly, so she smiled her biggest smile and said as sweetly as possible, "T-G-I-F".

The man smiled back at her and once again replied, "S-H-I-T".

The exasperated blonde finally decided to explain. "T-G-I-F means 'Thank Goodness It's Friday'. Get it, duhhh?"

Knut S-C Öjermark

The man answered, "S-H-I-T means 'Sorry, Honey, It's Thursday.'"

Modern Day Cowboy

A modern day cowboy has spent many days crossing the Texas plains without water. His horse has already died of thirst. He's crawling through the sand, certain that he has breathed his last breath, when all of a sudden, he sees an object sticking out of the sand several yards ahead of him.

He crawls to the object, pulls it out of the sand, and discovers what looks to be an old brief case. He opens it and out pops a genie. But this is no ordinary genie.

She is wearing an IRS ID badge and a dull gray dress. There's a calculator in her pocketbook. She has a pencil tucked behind one ear.

"Well, cowboy," says the genie... "You know how I work. You have three wishes."

"I'm not falling for this." said the cowboy. "I'm not going to trust an IRS genie."

"What do you have to lose? You've got no transportation, and it looks like you're a goner anyway!"

The cowboy thinks about this for a minute, and decides that the genie is right.

"OK, I wish I were in a lush oasis with plenty of food and drink."

POOF

The cowboy finds himself in the most beautiful oasis he has ever seen. And he is surrounded with jugs of wine and platters of delicacies.

"OK, cowpoke, what's your second wish."

"My second wish is that I was rich beyond my wildest dreams."

POOF

The cowboy finds himself surrounded by treasure chests filled with rare

The Best of the Net Part V

gold coins and precious gems.

"OK, cowpuncher, you have just one more wish. Better make it a good one!"

After thinking for a few minutes, the cowboy says... "I wish that no matter where I go, beautiful women will want and need me."

POOF

He turned into a tampon.

The moral of the story:

Spanish Luncheon Menus

An American touring Spain stopped at a local restaurant following a day of sightseeing. While sipping his sangria, he noticed a sizzling, scrumptious looking platter being served at the next table. Not only did it look good, the smell was wonderful. He asked the waiter, "What is that you just served?"

The waiter replied, "Ah senor, you have excellent taste! Those are bull's testicles from the bull fight this morning. A delicacy!"

The American, though momentarily daunted, said, "What the hell, I'm on vacation! Got try something new, bring me an order!"

The waiter replied, "I am so sorry senor. There is only one serving per day because there is only one bull fight each morning. If you come early tomorrow and place your order, we will be sure to

Knut S-C Öjermark

save you this delicacy!"

The next morning, the American returned, placed his order, and then that evening he was served the one and only special delicacy of the day. After a few bites, and inspecting the contents of his platter, he called to the waiter and said, "These are delicious, but they are much, much smaller than the ones I saw you serve yesterday!"

The waiter shrugged his shoulders and replied, "Si senior. Sometimes the bull wins."

They turn to the woman and ask her, "What are you?"

She replies: "I'm a WIFE, you now....Wash, Iron, F---, Etc."

When you turn them in to the front desk your personal information is there for any employee to access by simply scanning the card in the hotel scanner. An employee can take a hand full of cards home and using a scanning device, access the information onto a laptop computer and go shopping at your expense. Simply put, hotels do not erase the information on these cards until an employee re-issues the card to the next hotel guest. At that time, the new guest's information is electronically "overwritten" on the card and the previous guest's information is erased in the overwriting process.

But until the card is rewritten for the next guest, it usually is kept in a drawer at the front desk with **YOUR INFORMATION ON IT!!!!**

The bottom line is: Keep the cards, take them home with you, or destroy them.

NEVER leave them behind in the room or room wastebasket, and **NEVER** turn them in to the front desk when you check out of a room. They will not charge you for the card (it's illegal) and you'll be sure you are not leaving a lot of valuable personal information on it that could be

The Best of the Net Part V

easily lifted off with any simple scanning device card reader. For the same reason, if you arrive at the airport and discover you still have the card key in your pocket, do not toss it in an airport trash basket. Take it home and destroy it by cutting it up, especially through the electronic information strip!

The Confessional

The elderly priest, speaking to the younger priest said, "It was a good idea to replace the first four rows of pews with plush bucket theater seats. It worked like a charm. The front of the church always fills first now."

The young priest nodded, and the old priest continued, "And you told me a little more beat to the music would bring young people back to the church, so I supported you when you brought in that rock 'n' roll gospel choir. We are packed to the balcony!!"

"Thank you, Father," answered the young priest. "I am pleased that you are open to the new ideas of youth."

"However," said the elderly priest, "I'm afraid you've gone too far with the drive-thru confessional."

"But, Father," protested the young priest, "my confessions and the donations have nearly doubled since I began that!"

"I know, son, but that flashing neon sign 'Toot 'n' Tell or Go To Hell' just can't stay on the church roof."

A nun is sitting with her Mother Superior chatting. "I used some horrible language this week and feel absolutely terrible about it."

"When did you use this awful language?" asks the elder.

Well, I was golfing and hit an incredible drive that looked like it was going to go over 280 yards, but it struck a phone line that is hanging over the fairway and fell straight down to the ground after going only about 100 yards."

"Is that when you swore?"

No, Mother," says the nun. "After that, a squirrel ran out of the bushes and grabbed my ball in its mouth and began to run away."

"Is THAT when you swore?" asks the Mother Superior again.

Well, no." says the nun. "You see, as the squirrel was running, an eagle came down out of the sky, grabbed the squirrel in his talons and began to fly away!"

"Is THAT when you swore?" asks the amazed elder nun.

No, not yet. As the eagle carried the squirrel away in its claws, it flew near the green and the squirrel dropped my ball."

"Did you swear THEN?" asked Mother Superior, becoming impatient.

No, because the ball fell on a big rock, bounced over the sand trap, rolled onto the green, and stopped about six inches from the hole."

The two nuns were silent for a moment.

Then Mother Superior sighed and asked, "You missed the fucking putt, didn't you?"

Revenge

A boy about 12 years old walked down the street dragging a flattened frog on a string behind him. He came up to the doorstep of a brothel and knocked on the door.

When the Madam answered it, she saw the little boy and asked what he wanted.

He said, "I want to have sex with one of the women inside. I have the Money to buy it, and I'm not leaving until I get it."

The Best of the Net Part V

The Madam figured why not, so she told him to come in. Once in, she told him to pick any of the girls.

He asked, "Do any of the girls have any venereal diseases?"

Of course, the Madam said no.

He said, "I heard all the men talking about having to get shots after Making love with Amber.

THAT'S the girl I want."

Since ! the little boy was so adamant and had the money to pay for it, the cynical Madam told him to go to the first room on the right. He headed down the hall dragging the squashed amphibian behind him. Ten minutes later he came back, still dragging the frog, paid the Madam, and headed out the door.

The Madam stopped him and asked, "Why did you pick the only girl in the place with a disease, instead of One of the others?"

He said, "Well, if you must know, tonight when I get home, my parents are going out to a restaurant to eat, leaving me at home with a baby-sitter.

After they leave, my baby-sitter

will have sex with me because she just happens to be very fond of cute little boys.

She will then get the Dose that I just caught".

"When Mum and Dad get back, Dad will take the baby-sitter home. On the way, he'll give her one in the car and he'll catch the dose. Then when Dad gets home from the baby-sitter's, he and Mum will go to bed and have sex, and Mum will catch it".

"In the morning when Dad goes to work, the Milkman will deliver the milk, have a quickie with Mum and catch the clap, and HE'S the bastard who ran over my FROG!"

A blonde's car breaks down on the Interstate one day. So she eases it over onto the shoulder of the road. She carefully steps out of the car and

opens the trunk. Out jump two men in trench coats who walk to the rear of the vehicle where they stand facing oncoming traffic and begin opening

their coats and exposing their nude bodies to approaching drivers...

Not surprisingly, one of the worst pileups in history of this highway occurs.

"My car broke down," says the lady, calmly.

"Well, what are these perverts doing here by the road?!" asks the cop...

Southerners

Gabriel came to the Lord and said, "I have to talk to you. We have some Southerners up here who are causing problems. They're swinging on the pearly gates, my horn is missing, barbecue sauce is all over their robes, their dogs are riding in the chariots, and they're wearing baseball caps and cowboy hats instead of their halos. They refuse to keep the stairway to heaven clean. There are watermelon seeds and pig feet bones all over the place. Some of them are walking around with just one wing."

The Lord said, "Southerners are southerners, Gabriel. Heaven is Home to all my children. If you want to know about real problems, call the devil."

Knut S-C Öjermark

The devil answered the phone, "Hello? Hold on a minute." The devil returned to the phone, "O. K., I'm back. What can I do for you?"

Gabriel replied, "I just want to know what kind of problems you're having down there."

The devil said, "Hold on again. I need to check on something." After about 5 minutes the Devil returned to the phone and said, "I'm back. Now what was the question?"

Gabriel said, "What kind of problems are you having down there?"

The devil said, "Man, I don't believe this....Hold on." This time the devil was gone 15 minutes. The devil returned and said, "I'm sorry, Gabriel, I can't talk right now. Those Southerners have put out the fire and are trying to install air conditioning."

Three blondes were all applying for the last available position on the Texas Highway Patrol. The detective conducting the interview looked at the 3 of them and said, "So ya'll want to be a cop, eh?" The blondes all nodded. The detective got up, opened a file drawer and pulled out a file folder. Sitting back down, he opened it up and withdrew a picture, and said, "To be a detective, you have to be able to detect. You must be able to notice things such as distinguishing features and oddities such as scars, etc."

So he stuck the photo in the face of the 1st blonde and withdrew it after about 2 seconds. "Now, he said, "did you notice any distinguishing features about the man?" The blonde immediately said, "Yes, I did. He has only one eye!" The detective shook his head and said, "Of course he

has only one eye in this picture! It's a profile of his face! You're dismissed!" The 1st blonde hung her head and walked out of the office.

The detective then turned to the 2nd blonde, stuck the photo in her face for 2 seconds, pulled it back and said, "What about you? Notice anything unusual or outstanding about this man?" "Yes! He only has one ear!" The detective put his head in his hand and exclaimed, "Didn't you hear what I just told the other lady? This is a profile of the man's face! Of course you can only see one ear!! You're excused, too!" The 2nd blonde sheepishly walked out of the office.

The detective turned his attention to the 3rd and last blonde and said, "This is probably a waste of time, but....." He flashed the photo in her face for a couple of seconds and withdrew it, saying "All right. Did you notice anything distinguishing or unusual about this man?" The blonde said, "I did. This man wears contact lenses." The detective frowned, took another look at the picture and began looking at some of the papers in the folder. He looked up at the blonde with a puzzled expression and said, "You're absolutely right! His bio says he wears contacts... How in the world could you tell that by looking at this picture?"

The blonde rolled her eyes and said, "Well duh! With only one eye and one ear, he certainly can't wear glasses?."

A new young monk arrives at the monastery. He is assigned to help the other monks in copying the old canons and laws of the church by hand. He notices, however, that all of the monks are copying from copies, not from the original manuscript.

So, the new monk goes to the head abbot to question this, pointing out that if someone made even a small error in the first copy, it would never be picked up. In fact, that error would be continued in all of the subsequent copies.

The head monk, says, "We have been copying from the copies for centuries, but you make a good point, my son."

The young monk asks the old abbot, "What's wrong, father?" With a choking voice, the old abbot replies...

The Rambo Granny of Melbourne, Australia

Gun-toting granny Ava Estelle, 81, was so ticked-off when two thugs raped her 18-year-old granddaughter that she tracked the unsuspecting ex-cons down - - and shot off their testicles.

The old lady spent a week hunting those men down -- and when she found them, she took revenge on them in her own special way, said Melbourne police investigator Evan Delp. Then she took a taxi to the nearest police station, laid the gun on the sergeant's desk and told him as calm as could be:

'Those bastards will never rape anybody again, by God.' Cops say convicted rapist and robber Davis Furth, 33, lost both his penis and his testicles when outraged Ava opened fire with a 9-mm pistol in the hotel room where he and former prison cellmate Stanley Thomas, 29, were holed up.

The wrinkled avenger also blew Thomas' testicles to kingdom come, but doctors managed to save his mangled penis, police said. The one guy, Thomas, didn't lose his manhood, but the doctor I talked to said he won't be using it the way he used to, Detective Delp told reporters. Both men are still in pretty bad shape, but I think they're just happy to be alive after what they've been through.

The Rambo Granny swung into action August 21 after her granddaughter Debbie was carjacked and raped in broad

The Best of the Net Part V

daylight by two knife-wielding creeps in a section of town bordering on skid row. "When I saw the look on my Debbie's face that night in the hospital, I decided I was going to go out and get those bastards myself 'cause I figured the Law would go easy on them," recalled the retired library worker. "And I wasn't scared of them, either-- because I've got me a gun and I've been shootin' all my life. And I wasn't dumb enough to turn it in when the law changed about owning one."

So, using a police artist's sketch of the suspects and Debbie's description of the sickos', tough-as-nails Ava spent seven days prowling the wino-infested neighborhood where the crime took place till she spotted the ill fated rapists entering their flophouse hotel.

I knew it was them the minute I saw 'em, but I shot a picture of 'em anyway and took it back to Debbie and she said sure as hell, it was them, the oldster recalled.

So I went back to that hotel and found their room and knocked on the door and the minute the big one, Furth, opened the door, I shot 'em right square between the legs, right where it would really hurt 'em most, you know.

Then I went in and shot the other one as he backed up pleading to me to spare him. Then I went down to the police station and turned myself in.

Now, baffled lawmen are trying to figure out exactly how to deal with the vigilante granny. What she did was wrong, and she broke the law, but it is difficult to throw an 81-year-old woman in prison, Det. Delp said, especially when 3 million people in the city want to nominate her for sainthood and a

THE WOODEN BOWL

The Wooden Bowl

I guarantee you will remember the tale of the Wooden Bowl tomorrow, a week from now, a month from now, a year from now.

A frail old man went to live with his son, daughter-in-law, and four-year old grandson. The old man's hands trembled, his eyesight was blurred, and his step faltered. The family ate together at the table.

But the elderly grandfather's shaky hands and failing sight made eating difficult. Peas rolled off his spoon onto the floor. When he grasped the glass, milk spilled on the tablecloth.

The son and daughter-in-law became irritated with the mess. "We must do something about father," said the son. "I've had enough of his spilled milk, noisy eating, and food on the floor."

So the husband and wife set a small table in the corner. There, Grandfather ate alone while the rest of the family enjoyed dinner. Since Grandfather had broken a dish or two, his food was served in

The Best of the Net Part V

a wooden bowl!

When the family glanced in Grandfather's direction, sometime he had a tear in his eye as he sat alone. Still, the only words the couple had for him were sharp admonitions when he dropped a fork or spilled food.

The four-year-old watched it all in silence.

One evening before supper, the father noticed his son playing with wood scraps on the floor. He asked the child sweetly, "What are you making?"

Just as sweetly, the boy responded, "Oh, I am making a little bowl for you and Mama to eat your food in when I grow up." The four-year-old smiled and went back to work.

The words so struck the parents so that they were speechless. Then tears started to stream down their cheeks. Though no word was spoken, both knew what must be done.

That evening the husband took Grandfather's hand and gently led him back to the family table. For the remainder of his days he ate every meal with the family. And for some reason, neither husband nor wife seemed to care any longer when a fork was dropped, milk spilled, or the tablecloth soiled.

On a positive note, I've learned that, no matter what happens, how bad it seems today, life does go on, and it will be better tomorrow.

I've learned that you can tell a lot about a person by the way he/she handles three things: a rainy day, lost luggage, and tangled Christmas tree lights.

Knut S-C Öjermark

I've learned that, regardless of your relationship with your parents, you'll miss them when they're gone from your life.

I've learned that making a "living" is not the same thing as making a "life."

I've learned that life sometimes gives you a second chance.

I've learned that you shouldn't go through life with a catcher's mitt on both hands. You need to be able to throw something back.

I've learned that if you pursue happiness, it will elude you. But, if you focus on your family, your friends, the needs of others, your work and doing the very best you can, happiness will find you.

I've learned that whenever I decide something with an open heart, I usually make the right decision.

I've learned that even when I have pains, I don't have to be one.

I've learned that every day, you should reach out and touch someone.

People love that human touch -- holding hands, a warm hug, or just a friendly pat on the back.

I've learned that I still have a lot to learn.!

The Queen....Meets Dubya!

Heathrow Airport in England, a 300-foot red carpet was stretched out to Air Force One and President Bush strode to a warm but dignified handshake from Queen Elizabeth II.

They rode in a silver 1934 Bentley to the edge of central London where they boarded an open 17th century coach hitched to six magnificent white horses.

As they rode toward Buckingham Palace, each looking to their side and waving to the thousands of cheering Britons lining the streets,

all was going well. This was indeed a glorious display of pageantry and dignity.

Suddenly the scene was shattered when the right rear horse let rip the most horrendous, earth-shattering, eye-smarting blast of flatulence, and the coach immediately filled with noxious fumes.

Uncomfortable, but maintaining control, the two dignitaries did their best to ignore the whole incident, but then the Queen decided that was a ridiculous

manner with which to handle a most embarrassing situation.

She turned to Mr. Bush and explained, "Mr. President, please accept my regrets. I'm sure you understand that there are some things even a Queen cannot control."

George W., ever the Texas gentleman, replied, "Your Majesty, please don't give the matter another thought. You know, if you hadn't said something, I just assumed it was one of the horses."

The Hypnotist

A woman comes home and tells her husband, "Remember those headaches I've been having all these years? Well, they're gone."

"No more headaches?" the husband asks, "What happened?"

His wife replies, "Margie referred me to a hypnotist. He told me to stand in front of a mirror, stare at myself and repeat 'I do not have a headache; I do not have a headache, I do not have a headache.' It worked! The headaches are all gone."

The husband replies, "Well, that is wonderful."

His wife then says, "You know, you haven't been exactly a ball of fire in the bedroom these last few years. Why don't you go see the hypnotist and see if he can do anything for that?" The husband agrees to try it.

Following his appointment, the husband comes home, rips off his clothes, picks up his wife and carries her into the bedroom. He puts her on the bed and says, " Don't move, I'll be right back."

He goes into the bathroom and comes back A few minutes later and jumps into bed and makes passionate love to his wife like never before.

He goes back into the bathroom, comes back and round two was even better than the first time. The wife sits up and her head is spinning.

Her husband again says, "Don't move, I'll be right back."

With that, he goes back in the bathroom. This time, his wife quietly follows him and there, in the bathroom, she sees him standing at the mirror and saying, "She's not my wife. She's not my wife. She's not my wife!"

His funeral services will be held on Monday.

Two little kids are in a hospital, lying on stretchers next to each other outside the operating room.

The first kid leans over and asks, "What are you in here for?"

The second kid says, "I'm in here to get my tonsils out and I'm a little nervous."

The first kid says, "You've got nothing to worry about. I had that done when I was four.

They put you to sleep, and when you wake up they give you lots of Jell-O and ice cream. It's a breeze."

The second kid then asks, "What are you here for?"

And the second kid says, "Whoa, Good luck buddy, I had that done when I was born. Couldn't walk for a year."

This is good .

The other day a young person asked me how I felt about being old. I was taken aback, for I do not think of myself as old. Upon seeing my reaction, she was immediately embarrassed, but I explained that it was an interesting question, and I would ponder it, and let him know.

Knut S-C Öjermark

Old Age, I decided, is a gift.

I am now, probably for the first time in my life, the person I have always wanted to be. Oh, not my body! I sometime despair over my body... the wrinkles, the baggy eyes, and the sagging butt. And often I am taken aback by that old person that lives in my mirror, but I don't agonize over those things for long.

The Best of the Net Part V

I would never trade my amazing friends, my wonderful life, my loving family for less gray hair or a flatter belly. As I've aged, I've become more kind to myself, and less critical of myself.? I've become my own friend. I don't chide myself for eating that extra cookie, or for not making my bed, or for buying that silly cement gecko that I didn't need, but looks so avante garde on my patio. I am entitled to overeat, to be messy, to be extravagant. I have seen too many dear friends leave this world too soon; before they understood the great freedom that comes with aging.

I know I am sometimes forgetful. But there again, some of life is just as well forgotten... and I eventually remember the important things.

Knut S-C Öjermark

Sure, over the years my heart has been broken. How can your heart not break when you lose a loved one, or when a child suffers, or even when a beloved pet gets hit by a car? But broken hearts are what give us strength and understanding and compassion. A heart never broken is pristine and sterile and will never know the joy of being imperfect.

I am so blessed to have lived long enough to have my hair turn gray, and to have my youthful laughs be forever etched into deep grooves on my face. So many have never laughed, and so many have died before their hair could turn silver. I can say "no" and mean it. I can say "yes" and mean it.

As you get older, it is easier to be positive. You care less about what other people think.

Knut S-C Öjemark

I don't question myself anymore. I've even earned the right to be wrong.

So, to answer your question, I like being old. It has set me free. I like the person I have become. I am not going to live forever, but while I am still here, I will not waste time lamenting what could have been, or worrying about what will be. And I shall eat dessert every single day.

A retiree was given a set of golf clubs by his co-workers.

Thinking he'd try the game, he asked the local pro for lessons, explaining that he knew nothing whatever of the game. The pro showed him the stance and swing and then said, "Just hit the ball toward the flag on the first green."

The novice teed up and smacked the ball straight down the fairway and onto the green, where it stopped inches from the hole. "Now what?" the fellow asked the speechless pro.

The pro just stood there and stared at the novice. "Uh... you're supposed to hit the ball into the cup," the pro finally said after he was able to speak again.

"Oh great! NOW you tell me," said the beginner in a disgusted tone.

The Kind Lawyer

One afternoon, a wealthy lawyer was riding in the back of his limousine when he saw two men eating grass by the road side. He ordered his driver to stop and he got out to investigate.

"Why are you eating grass?" he asked one man.

"We don't have any money for food," the poor man replied.

"Oh, come along with me then."

"But sir, I have a wife with two children!"

"Bring them along! And you, come with us too!" he said to the other man.

"But sir, I have a wife with six children!" the second man answered.

"Bring them as well!"

They all climbed into the car, which was no easy task, even for a car as large as the limo. Once underway, one of the poor fellows said, "Sir, you are too kind. Thank you for taking all of us with you."

The lawyer replied, "No problem; the grass at my home is

Under the rug was a disc with four screws. He gets his Swiss army knife, unscrews the screws, throws them and the disc out the window.

The next morning, the hotel manager asks the newlyweds, "How was your room? How was the service? How was your stay at the Watergate Hotel?"

The groom says, "Why are you asking me all of these questions?"

The hotel manager says "Well, the room UNDER you complained of the chandelier falling on them."

SEX FROGS

A beautiful, well endowed, young lady went to her local pet store in search of an exotic pet. As she looked about the store, she noticed a box full of frogs.

The sign said: "Sex Frogs! Only \$20 each! Money Back Guarantee! Comes with complete instructions."

The girl excitedly looked around to see if anybody was watching her and whispered softly to the man behind the counter, "I'll take one." The man packaged the frog and said, "Just follow the instructions carefully." The girl nodded, grabbed the box, and quickly went home.

As soon as she closed the door to her apartment, she read the instructions thoroughly and carefully. Then she followed the instructions to the letter:

1. Take a shower.
2. Splash on some nice-smelling perfume.
3. Slip into a very sexy teddy.
4. Crawl into bed and place the frog in the bed.

She quickly got into bed with the frog. To her surprise, nothing happened. The girl was totally frustrated and quite upset. She re-read the instructions and noticed that, at the bottom of the page, there was a note. It said, "If you have any problems or questions, please call the pet store." So, the lady called the pet store.

The man said, "I had some other complaints earlier today. I'll be right over."

Within five minutes, the man was ringing her

doorbell. The lady welcomed him and said, "See, I've done everything according to the instructions and the damn frog just sits there."

The man, looking very concerned, picked up the frog, stared directly into its eyes, and sternly said, "Listen to me!.... I'm only going to show you how to do this one more time!"

Anger Management

When you occasionally have a really bad day, and you just need to take it out on someone, don't take it out on someone you know, take it out on someone you don't know.

I was sitting at my desk when I remembered a phone call I'd forgotten to Make. I found the number and dialed it. A

Knut S-C Öjermark

man answered, saying

"Hello." I Politely said, "This is Chris. Could I please speak with Robyn Carter?"

Suddenly a manic voice yelled out in my ear "Get the right f**in number!" and the phone was slammed down on me.

I couldn't believe that anyone could be so rude.

When I tracked down Robyn's correct number to call her, I found that I had accidentally Transposed the last two digits.

After hanging up with her, I decided to call the 'Wrong' number again.

When the same guy answered the phone, I yelled "

You're an asshole!" and hung up. I wrote his number down with the word 'asshole' next to it, and Put it in my desk drawer.

Every couple of weeks, when I was paying bills or had a really bad day, I'd call him up and yell, "You're an asshole!"

It always cheered me up. When Caller ID was introduced, I thought my therapeutic "asshole calling" Would have to stop.

So, I called his number and said, "Hi, this is John Smith from the Telstra. I'm calling to see if you're familiar with our Caller, ID Program?"

He yelled "NO!" and slammed down the phone.

I quickly called him back and said, "That's because you're an asshole!"

One day I was at the store, getting ready to pull into a parking spot.

Some guy in a black BMW cut me off and pulled into the spot I had Patiently waited for. I hit the horn and yelled that I'd been waiting for. That spot, but the idiot ignored me. I noticed a "For Sale" sign in his back window which included his phone number, so I Wrote down the Number.

A couple of days later, right after calling the first asshole (I had his number on speed dial) I thought that I'd better call

The Best of the Net Part V

the BMW asshole, Too.

I said, "Is this the man with the black BMW for Sale?"

"Yes, it is", he said.

"Can you tell me where I can see it?" I asked.

"Yes, I live at 34 Mowbray Blvd., in Vaucluse. It's a yellow house, and the car's parked right out in front."

"What's your name?" I asked.

"My name is Don Hansen," he said.

"When's a good time to catch you, Don?"

"I'm home every evening after five."

"Listen, Don, can I tell you something?"

"Yes?"

"Don, you're an asshole!" Then I hung up, and added his number to my speed dial, too.

Now, when I had a problem, I had two asshole toCall. Then I came up with An idea. I called Asshole #1.

"Hello."

"You're an asshole!" (But I didn't hang up.)

"Are you still there?" he asked.

"Yeah," I said.

"Stop calling me," he screamed.

"Make me," I said.

"Who are you?" he asked.

"My name is Don Hansen."

"Yeah? Where do you live?"

"Asshole, I live at 34 Mowbray Blvd, Vaucluse, a yellow house, with my black Beamer parked in front."

He said, "I'm coming over right now, Don. And you had better start saying your prayers."

I said, "Yeah, like I'm really scared, asshole," and hung up.

Then I called Asshole #2. "Hello?" he said.

"Hello, asshole," I said.

Knut S-C Öjermark

He yelled, "If I ever find out who you are..."

"You'll what?" I said.

"I'll kick your ass," he exclaimed.

I answered, "Well, asshole, here's your chance. I'm coming over right now."

Then I hung up and immediately called the police, saying that I lived at 34 Mowbray Blvd, Vauclose, and that I was on my way over there to kill my gay lover. Then I called Channel 9 News about the gang war going down in Mowbray Blvd, Vauclose.

I quickly got into my car and headed over to Mowbray. I got there just in time to watch two asshole beating the crap out of each other in front of six cop cars, an overhead police helicopter and a news crew.

NOW I feel much better.

Little Johnny

Little Johnny watched his daddy's car pass by the school playground and go into the woods. Curious, he followed the car and saw Daddy and Aunt Jane in a passionate embrace. Little Johnny found this so exciting that he could not contain himself as he ran home and started to tell his mother,

"Mommy, I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, then he helped her take off her shirt. Then Aunt Jane helped Daddy take his pants off, then Aunt Jane....."

At this point Mommy cut him off and said, "Johnny, this is such an

The Best of the Net Part V

interesting story, suppose you save the rest of it for supper time. I want to see the look on Daddy's face when you tell it tonight." !

At the dinner table, Mommy asked little Johnny to tell his story.

Johnny started his story,

"I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, then he helped her take off her shirt.

Then Aunt Jane helped Daddy take his pants off, then Aunt Jane and Daddy started doing the same thing that Mommy and Uncle Bill used to do when Daddy was in the Army."

Moral of this Story:

Sometimes you need to listen to the whole story before you interrupt.

Great Airline Humor

Here are some conversations that airline passengers normally will never hear. The following are accounts of actual exchanges between airline pilots and control towers around the world.

=====
Tower: "Delta 351, you have traffic at 10 o'clock, 6 miles!"

Knut S-C Öjemark

Delta 351: "Give us another hint! We have digital watches!"

=====

"TWA 2341, for noise abatement turn right 45 Degrees."

"Center, we are at 35,000 feet. How much noise can we make up here?"

"Sir, have you ever heard the noise a 747 makes when it hits a 727?"

=====

A student became lost during a solo cross-country flight.

While attempting to locate the aircraft on radar, ATC asked, "What was your last known position?"

Student: "When I was number one for takeoff."

=====

A DC-10 had come in a little hot and thus had an exceedingly long roll out after touching down. San Jose Tower Noted: "American 751, make a hard right turn at the end of the runway, if you are able. If you are not able, take the Guadalupe exit off Highway 101, make a right at the lights and return to the airport."

=====

There's a story about the military pilot calling for a priority landing because his single-engine jet fighter was running "a bit peaked." Air Traffic Control told the fighter jock that he was number two, behind a B-52 that had one engine shut down. "Ah," the fighter pilot remarked, "The dreaded seven-engine approach."

=====

Taxiing down the tarmac, a DC-10 abruptly stopped, turned around and returned to the gate. After an hour-long wait, it finally took off. A concerned passenger asked the flight attendant, "What, exactly, was the problem?"

"The pilot was bothered by a noise he heard in the engine, explained the flight attendant. "It took us a while to find a new pilot."

=====

A Pan Am 727 flight waiting for start clearance in Munich overheard the following: Lufthansa (in German): "Ground, what is our start clearance

The Best of the Net Part V

time?" Ground (in English): "If you want an answer you must speak in English." Lufthansa (in English): "I am a German, flying a German airplane, in Germany. Why must I speak English?" Unknown voice from another plane (in a beautiful British accent):
"Because you lost the bloody war."

=====
Tower: "Eastern 702, cleared for takeoff, contact Departure on frequency 124.7" Eastern 702: "Tower, Eastern 702 switching to Departure. By the way, after we lifted off we saw some kind of dead animal on the far end of the runway." Tower: "Continental 635, cleared for takeoff behind Eastern 702, contact Departure on frequency 124.7. Did you copy that report from Eastern 702?" Continental 635: "Continental 635, cleared for takeoff, roger; and yes, we copied Eastern... we've already notified our caterers."

=====
One day the pilot of a Cherokee 180 was told by the tower to hold short of the active runway while a DC-8 landed. The DC-8 landed, rolled out turned around, and taxied back past the Cherokee. Some quick-witted comedian in the DC-8 crew got on the radio and said, "What a cute little plane. Did you make it all by yourself?" The Cherokee pilot, not about to let the insult go by, came back with a real zinger: "I made it out of DC-8 parts. Another landing! like yours and I'll have enough parts for another one."

=====
The German air controllers at Frankfurt Airport are renowned as a short-tempered lot. They not only expect one to know one's gate parking location, but how to get there without any assistance from them. So it was with some amusement that we (a Pan Am 747) listened to the following exchange between Frankfurt ground control and a British Airways 747, call sign Speedbird 206. Speedbird 206: "Frankfurt, Speedbird 206 clear of active runway."

Ground: "Speedbird 206. Taxi to gate Alpha One-Seven."

The BA 747 pulled onto the main taxiway and slowed to a stop.

Knut S-C Öjermark

Ground: "Speedbird, do you not know where you are going?"

Speedbird 206: "Stand by, Ground, I'm looking up our gate location now."

Ground (with quite arrogant impatience): "Speedbird 206, have you not been

to Frankfurt before?"

Speedbird 206 (coolly): "Yes, twice in 1944, but it was dark, -- and I didn't land."

=====

While taxiing at London's Gatwick Airport, the crew of a US Air flight departing for Ft. Lauderdale made a wrong turn and came nose to nose with a United 727.

An irate female ground controller lashed out at the US Air crew, screaming: "US Air 2771, where the hell are you going?! I told you to turn right onto Charlie taxiway! You turned right on Delta! Stop right there. I know it's difficult for you to tell the difference between C and D, but get it right!" Continuing her rage to the embarrassed crew, she was now shouting

hysterically: "God! Now you've screwed everything up! It'll take forever to sort this out! You stay right there and don't move till I tell you to! You can expect progressive taxi instructions in about half an hour and I want you to go exactly where I tell you, when I tell you, and how I tell you! You got that, US Air 2771?" "Yes, ma'am," the humbled crew responded. Naturally, the ground control communications frequency fell terribly silent after the verbal bashing of US Air 2771. Nobody wanted to chance engaging the irate ground controller in her current state of mind. Tension in every cockpit out around Gatwick was definitely running high. Just then an unknown pilot broke the silence and keyed his microphone, asking: "Wasn't I married to you once?"

Jesse Jackson, while visiting a primary school class, found himself in the middle of a discussion related to words and their meanings. The teacher asks the Rev. Jackson if he would like to lead the discussion on the word "tragedy." So the illustrious leader asks the class for an example of a "tragedy."

One little boy stood up and offered: "If my best friend, who lives on a farm, is playing in the field and a runaway tractor comes along and knocks him dead, that would be a tragedy. "No," says the Great Jesse Jackson, "that would be an accident."

A little girl raised her hand: "If a school bus carrying 50 children drove over a cliff, killing everyone inside, that would be a tragedy."

"I'm afraid not," explains the exalted spiritual leader. "That's what we would call a great loss."

The room goes silent. No other children volunteer. Rev. Jackson searches the room. "Isn't there someone here who can give me an example of a tragedy?"

Finally at the back of the room a small boy raises his hand. In a quiet voice he says: "If a plane carrying the Rev. Jackson were struck by a missile and blown to smithereens that would be a tragedy."

"Fantastic!" exclaims Jackson, "That's right. And can you tell me why that would be a tragedy?"

"Well," says the boy, "because it sure as hell wouldn't be a great loss, and it probably wouldn't be an accident either."

Confession to a Puerto Rican Wife....

The Best of the Net Part V

Jose was dying. His wife, Cuca was maintaining a vigil by his side. She held his fragile hand in the weak light, tears running down her face.

Her praying woke him from his slumber. He looked up, pale lips moving slightly. "Cuca mi amor", he whispered. "Jose mi amor", she said "Rest don't talk". He was insistent. "Cuca," he said in a tired voice, "I have something that I must confess." "There's nothing to confess," replied the weeping Cuca, "everything's all right, go to sleep now."

"No, no. I must die in peace, I....slept with your sister, your best friend, her best friend, and your mother." "I know mi amor" whispered Cuca, "now let the poison work, pendejo.

3 Viagra pills

A guy goes to his doctor and says, "Doc, I have a problem."

"My girlfriend is sleeping over this Friday, my ex-wife is sleeping over this Saturday and my wife is coming home Sunday."

"I need 3 Viagra pills to satisfy them all."

The doctor says, "You know 3 Viagra pills 3 nights in a row is pretty dangerous for any man. I will give them to you on the condition that you return to my office on Monday so that I can check you out."

The man says, "You have a deal Doc."

Monday morning the man returns with his arm in a sling.

The doctor asks, "What happened"?

The man answered, "Nobody showed up!"

FINALLY SOMEONE CLEARED THIS UP!

For centuries, Hindu women have worn a red spot on their foreheads. We have always naively thought that it had something to do with their religion.

The

true story has recently been revealed by the Indian Embassy in Washington, D.C. When one of these women gets married, she brings with her, a dowry.

On her wedding night, the husband scratches off the red spot to see if he has won a convenience store, a gas station, a donut shop or a motel in the United States.

Sperm Count

A 75-year-old man went to his doctor to get a sperm count. The Dr. gave him a jar, sent him home and told him to bring back a semen sample tomorrow.

The next day, the 75-year-old man returned to the doctor's office and gave him the jar, which was as clean and empty as on the previous day.

The doctor asked what happened, and the man explained, "Well, doc, it's like this. .. First I tried with my right hand, but nothing. Then I tried with my left

The Best of the Net Part V

hand, but still nothing. Then I asked my wife for help. She tried with her right hand, then her left, still nothing. She even tried with her mouth, first with the teeth in, then with her teeth out, and still nothing.

We even called up Arlene, the lady next door, and she tried too, first with both hands, then an armpit, and she even tried squeezing it between her knees, but still nothing."

The doctor was shocked. "You asked your neighbor!?!?"
The old man replied, "Yep, but no matter what all three of us tried, with our arthritis, we still couldn't get the jar open."

Subject: NASA story

Scientists at NASA built a gun specifically to launch standard 4 pound dead chickens at the windshields of airliners, military jets and the space shuttle, all traveling at maximum velocity. The idea is to simulate the frequent incidents of collisions with airborne fowl to test the strength of the windshields.

British engineers heard about the gun and were eager to test it on the windshields of their new high speed trains. Arrangements were made, and

a

gun was sent to the British engineers. When the gun was fired, the engineers stood shocked as the chicken hurled out of the barrel, crashed

Knut S-C Öjermark

into the shatterproof shield, smashed it to smithereens, blasted through the control console, snapped the engineer's back-rest in two, and embedded itself in the back wall of the cabin, like an arrow shot from a bow. The horrified Brits sent NASA the disastrous results of the experiment, along with the designs of the windshield and begged the US scientists for suggestions.

You're going to love this...

NASA responded with a one-line memo

-- "Defrost the chicken."

A customer at Green's Gourmet Grocery marveled at the proprietor's quick wit and intelligence.

"Tell me, Green, what makes you so smart?"

"I wouldn't share my secret with just anyone," Green replies. "But since you're a faithful customer, I'll let you in on it. Fish heads. You eat enough of them, you'll be positively brilliant."

"You sell them here?" the customer asks.

"Only \$5 each," says Green. The customer buys three. A week later, he's back in the store complaining that the fish heads were disgusting and he isn't any smarter.

The Best of the Net Part V

"You didn't eat enough," says Green.

The customer goes home with 20 more fish heads. Two weeks later, he's back and this time he's really angry.

"Hey, Green," he says, "You're selling me fish heads for \$5 apiece when I can buy the whole fish for \$3. You're ripping me off!"

"You see?" says Green. "You're smarter already."

BEST LAWYER STORY OF THE YEAR

A Charlotte, NC lawyer purchased a box of very rare and expensive cigars, then insured them against fire, among other things.

Within a month, having smoked his entire stockpile of these great cigars, and without yet having made even his first premium payment on the policy, the lawyer filed claim against the insurance company. In his claim, the lawyer stated the cigars were lost in a series of small fires.

The insurance company refused to pay, citing the obvious reason that

The Best of the Net Part V

the man had consumed the cigars in the normal fashion.
The lawyer sued . and WON! (Stay with me.)

In delivering the ruling, the judge agreed with the insurance company that the claim was frivolous. The judge stated nevertheless, that the lawyer "held a policy from the company in which it had warranted that the cigars were insurable and also guaranteed that it would insure them against fire, without defining what is considered to be unacceptable fire" and was obligated to pay the claim.

Rather than endure lengthy and costly appeal process, the insurance company accepted the ruling and paid \$15,000 to the lawyer for his loss of the rare cigars lost in the "fires."

NOW FOR THE BEST PART... After the lawyer cashed the check, the insurance company had him arrested on 24 counts of ARSON!!! With his own insurance claim and testimony from the previous case being used against him, the lawyer was convicted of intentionally burning his insured property and was sentenced to 24 months in jail and a \$24,000 fine.

"Say, what's your name?" the bartender asked the first duck.

"Huey," was the reply.

"How's your day been, Huey?"

"Great. Lovely day. Had a ball. Been in and out of puddles all day. What else could a duck want?" said Huey.

"Oh. That's nice," said the bartender. He turned to the second duck, "Hi, and what's your name?"

Knut S-C Öjermark

The bartender turned to the third duck and said, "So, you must be Louie?"

"No," she said, batting her eyelashes. "My name is Puddles."

A Real Lifesaver

This is a beautiful story about a lady on a cruise ship. I just received this today from a lady friend! A real heroic woman!

Dear Diary:

Knut S-C Öjermark

MONDAY AFTERNOON: What a wonderful cruise this is going to be. I felt singularly honored today as the Captain asked me to dine at his table tonight.

TUESDAY AFTERNOON: I spent the entire afternoon on the bridge with the Captain. He explained everything he was doing and told me there are 1262 passengers on board and he is responsible for everyone's comfort, safety and having a good time. He is so charming and invited me to dine at his table again tonight.

WEDNESDAY EVENING: The Captain saw me at the pool this afternoon and invited me to have dinner in his cabin. His cabin is very cozy and the dinner was served with the best wines. He made several amorous proposals to me, but I stood firm on my moral convictions.

THURSDAY EVENING: Tonight the Captain threatened to sink the ship if I do not give in to his exotic proposals.

FRIDAY MORNING: I saved 1262 lives last night ... twice!

Swedes from Minnesota

Two Minnesotans walk into a pet shop in Dingle. They head to the bird section and Sven says to Hans, "Dat's dem." The owner comes over and asks if he can help them. "Yeah, we'll take four of dem dere little budgies in dat cage up dere," says Sven. The owner puts the budgies in a paper bag.

Hans and Sven pay for the birds, leave the shop and get into Sven's pick-up and drive to the top of the Conor Pass. At the Conor Pass, Sven looks down at the 1000-foot drop and says: "Dis looks like a grand place."

He takes two birds out of the bag, puts them on his shoulders and jumps off the cliff. Hans watches as Sven falls all the way to the bottom, killing himself stone dead.

Looking down at the remains of his best pal, Hans shakes his head and says:

"Dis budgie jumping is too dangerous for me."

BUT WAIT!!!! There's MORE!

PART TWO:

Moments later Ole arrives up at Conor Pass. He's been to the pet shop too and walks up to the edge of the cliff carrying another paper bag in one hand and a shotgun in the other. "Hi, Hans. Watch dis," Ole says.

He takes a parrot from the bag and throws himself over the edge of the cliff. Hans watches as half way down, Ole takes the gun and shoots the parrot. Ole continues to plummet down and down until he hits the bottom and breaks every bone in his body.

Hans shakes his head and says, "And I'm never trying dat parrotshooting either."

Knut S-C Öjermark

BUT WAIT!!!!.....There's MORE!!

PART THREE:

Hans is just getting over the shock of losing two friends when Lars appears.

He's also been to the pet shop and is carrying a paper bag out of which he pulls a chicken. Lars then grasps the chicken by the legs holds it over his head and hurls himself off the cliff and disappears down and down until he hits a rock and breaks his spine.

Once more Hans shakes his head - "First der vas Sven with his budgie jumping, den Ole parrotshooting . . . and now Lars tries hengliding

Bill Clinton

It doesn't matter what party you are this is absolutely hilarious. This comes from a black comedian on a Canadian TV show:

"Yep, that's right - I miss Bill Clinton! He was the closest thing we ever got to having a black man as President. Number 1- He played the sax. Number 2- He smoked weed. Number 3-He had his way with ugly white women.

Even now? Look at him... his wife works, and he don't!

And, he gets a check from the government every month.

Chrysler Corporation is adding a new car to its line to honor Bill Clinton.

The Dodge Drafter will be built in Canada.

When asked what he thought about foreign affairs, Clinton replied, I don't know, I never had one."

American Indians nicknamed Bill Clinton "Walking Eagle" because he is so full of crap he can't fly.

Clinton lacked only three things to become one of America's finest leaders: integrity, vision, wisdom.

Clinton was doing the work of three men: Larry, Curly and Moe.

The Clinton revised judicial oath: "I solemnly swear to tell the truth as I know it, the whole truth as I believe it to be, and nothing but what I think you need to know."

Clinton will be recorded in history as the only President to do Hanky Panky between Bushes.

MATURITY

I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising. I decided to take an aerobics class for seniors. Have poor circulation; hardly feel my hands and feet anymore. Can't remember if I'm 85 or 92. Have lost all my friends. But, thank God, I still have my driver's license.

Wal-Mart To Sell Wines

Wal-Mart announced that they will soon be offering customers a new discount item: Wal-Mart's own brand of wine. The world's largest retail chain is teaming up with E&J Gallo Winery of California to produce the spirits at an affordable price, in the \$2-5 range.

Wine connoisseurs may not be inclined to throw a bottle of Wal-Mart brand into their shopping carts, but "there is a market for cheap wine," said

The Best of the Net Part V

Kathy Micken, professor of marketing. She said, "But the right name is important."

Customer surveys were conducted to determine the most attractive name for the Wal-Mart brand. The top surveyed names in order of popularity are:

10. Chateau Traileur Parc
9. White Trashfindel
8. Big Red Gulp
7. World Championship Riesling
6. NASCARbernet
5. Chef Boyardeaux
4. Peanut Noir
3. I Can't Believe It's Not Vinegar!
2. Grape Expectations

And the number 1 name for Wal-Mart Wine:

1. Nasti Spumante

The beauty of Wal-Mart wine is that it can be served with either white meat (possum) or red meat (squirrel).
