Viagra

Viagra was just approved for use in England. But, the initial shipment was stolen. Now Scotland Yard is looking for hardened criminals.

What term describes Viagra when it wears off? Viagra Falls!!

Did you hear what happens to men who take iron supplements and then use Viagra? When they get an erection, they point north.

Niagra--Gives men the urge to marry their girlfriends and take them on extended honeymoons.

The first overdose of Viagra was reported. The person died and they couldn't close the coffin for three days.

Did you hear about the man who choked on a Viagra tablet and got a stiff neck?

What do Viagra and Disney World have in common? A one hour wait for a two minute ride.

Long Viagra Jokes

A man dies "in the act" and rigor mortis has set into his private parts. The funeral director can't get the coffin lid nailed on and has to discuss the alternatives with the man's beautiful young widow. "I'm afraid that the only way to get the lid on is either to pay another \$3,000 for an extra large coffin or to amputate his member."

"Well I have no more money," states the widow, "and it is against my religion for me to bury my husband in more than one piece."

The funeral director thinks about this and then comes up with a brain-wave: He'll amputate the member and then stick it up the deceased's backside, in which case a more expensive coffin is unnecessary and the husband will still be, in a manner of speaking, in the one piece. The widow reluctantly agrees.

On the day of the funeral, the deceased is displayed in an open casket. As the mourners file by, one mourner places flowers on the

The Best of the Net - Part III

coffin and a drop of water from the flowers falls onto the deceased's face, looking for all the world like a teardrop. The next mourner to file by is the widow. She looks down at her lifeless husband, notices the "teardrop" and says to him quietly, "See, I told you it hurts!"

Top Ten Slogans Currently Being Considered by Viagra:

10. "Viagra. The quicker dicker upper"
9. "One-a-day, like iron"
8. "Get a piece of the rock"
7. "You've come a long way, baby"
6. "Viagra, it plumps when you take 'em"
5. "Strong enough for a man, but made for a woman"
4. "Tastes great, more filling"
3. "Viagra, built ram tough"
2. "Here's the beef!"

and the number one slogan being considered by Viagra:

1. Just do her.

Some honorable mentions:

- "We work harder, so you don't have to"
- "Ten inches long... and growing."
- "Viagra, when it absolutely, positively has to be there tonight"
- "Viagra, home of the whopper"
- "Viagra, Now is a great time to be silver"
- "This is your penis. This is your penis on Viagra. Any questions?"

At the Retirement Home where my grandfather lives they have prescribed Viagra for all of the old men.....
It prevents them from falling out of bed!

Did you know they won't prescribe Viagra to Lawyers anymore. (It only makes them taller)

Drink plenty of water when you take a Viagra pill. If one gets stuck in your throat you'll get a terrible stiff neck.

Teacher's Salary

Theorem on salary

Dilbert's Theorem on Salary states that Engineers, Teachers, Programmers and Scientists can never earn as much salary as business executives and sales people. This theorem can now be supported by a mathematical equation based on the following three postulates:

Postulate 1: Knowledge is Power (Knowledge=Power)

Postulate 2: Time is Money (Time=Money)

Postulate 3: (as every Physics student knows): Power = Work/Time

It therefore follows:

Knowledge = Work/Time
and since Time = Money,
we have: Knowledge = Work/Money
Solving for Money, we get:
Money = Work /Knowledge

Thus, as Knowledge approaches zero, Money approaches infinity, regardless of the amount of Work done

the More you Make!**

Two men from Texas

Two men from Texas were sitting at a bar, when a young lady nearby began to choke on a hamburger. She gasped and gagged and one Texan turned to the other and said, "That little gal is havin' a bad time. I'm agonnago over dere and help."

He ran over to the young lady, held both sides of her head in his big Texan hands and asked, "Kin ya swaller?" Gasping, she shook her headno. He asked, "Kin ya breathe?" Still gasping, she again shook her headno.

With that, he yanked up her skirt, pulled down her panties and licked her on the butt. The young woman was so shocked that she coughed up the piece of hamburger and began to breathe on her own.

The Texan sat back down with his friend and said, "Ya know, it's sure amazin' how that hind-lick maneuver always works."

Knut S-C Ojermark

Bubba was bragging to his boss one day

"You know, I know everyone there is to know. Just name someone, anyone, and I know them."

Tired of his boasting, his boss called his bluff, "OK, Bubba how about Tom Cruise?"

"Sure, yes, Tom and I are old friends, and I can prove it."

So Bubba and his boss fly out to Hollywood and knock on Tom Cruise's door, and sure enough, Tom Cruise, shouts, "Bubba! Great to see you! You and your friend come right in and join me for lunch!"

Although impressed, Bubba's boss is still skeptical. After they leave Cruise's house, he tells Bubba that he thinks Bubba's knowing Cruise was just lucky.

"No, no, just name anyone else," Bubba says.

"President Clinton," his boss quickly retorts.

"Yes," Bubba says, "I know him, let's fly out to Washington."

The Best of the Net - Part III

And off they go. At the White House, Clinton spots Bubba on the tour and motions him and his boss over, saying, "Bubba, what a surprise, I was just on my way to a meeting, but you and your friend come on in and let's have a cup of coffee first and catch up."

Well, the boss is very shaken by now, but still not totally convinced. After they leave the White House grounds, he expresses his doubts to Bubba, who again implores him to name anyone else.

"The Pope," his boss replies.

"Sure!" says Bubba. "I've known the Pope a long time."

So off they fly to Rome.

Bubba and his boss are assembled with the masses in Vatican Square when Bubba says, "This will never work. I can't catch the Pope's eye among all these people. Tell you what, I know all the guards so let me just go upstairs and I'll come out on the balcony with the Pope."

And he disappears into the crowd headed toward the Vatican.

Sure enough, half an hour later Bubba emerges with the Pope on the balcony. But by the time Bubba returns, he finds that his boss has had a heart attack and is surrounded by paramedics. Working his way to his boss's side, Bubba asks him, "What happened?"

His boss looks up and says, "I was doing fine until you and the Pope came out on the balcony and the man next to me asked, 'Who's that on the balcony with Bubba?'"

Priest and a nun were lost in a snowstorm.

After a while, they came upon a small cabin. Being exhausted, they prepared to go to sleep. There was a stack of blankets and a sleeping bag on the floor but only one bed.

Being a gentleman, the priest said, "Sister, you sleep on the bed. I'll sleep on the floor in the sleeping bag." Just as he got zipped up in the bag and was beginning to fall asleep, the nun said "Father, I'm cold." He unzipped the sleeping bag, got up, got the blanket and put it on her.

Once again, he got into the sleeping bag, zipped it up and started to drift off to sleep when the nun once again said, "Father, I'm still very cold." He unzipped the bag, got up again, put another blanket on her and got into the sleeping bag once again.

Just as his eyes closed, she said, "Father, I'm sooooo cold." This time, he remained there and said, "Sister, I have an idea. We're out here in the wilderness where no one will ever know what happened. Let's pretend we're married." The nun said, "That's fine by me."

To which the priest yelled out, "Get up and get your own stupid blanket!"

A guy decides that he'd like to have a pet and goes to a pet shop.

After looking around he spots a parrot sitting on a little perch. It doesn't have any feet or legs. The guy says out loud, "Geez, I wonder what happened to this parrot?"

"I was born this way," says the parrot. "I'm a defective parrot."

"Ha, ha," the guy laughs. "It sounded like this parrot actually understood what I said and answered me."

"I understood every word," says the parrot. "I am a highly intelligent, thoroughly educated bird."

"Yeah?" the guy asks. "Then answer this: how do you hang onto your perch without any feet?"

"Well," the parrot says, "this is a little embarrassing, but since you asked I'll tell you.

I wrap my little parrot penis around this wooden bar, kind of like a little hook. You can't see it 'cause of my feathers."

The Best of the Net - Part III

"Wow," says the guy, "you really can understand and answer, can't you?"

"Of course. I speak both English and Spanish. I can converse with reasonable competence on almost any subject: politics, religion, sports, physics, philosophy ... and I am especially good at ornithology. You ought to buy me. I am a great companion. "The guy looks at the price tag. \$200. He says, "I can't afford that."

"Pssst," the parrot hisses, motioning the guy over with one wing. "Nobody wants me cause I don't have any feet. You can get me for \$20, just make an offer."

The guy offers 20 dollars and walks out with the parrot.

Weeks go by. The parrot is sensational. He's funny, he's interesting, he's a great pal, he understands everything, sympathizes, gives good advice. The guy is delighted.

One day the guy comes home from work and the parrot says, "Pssst," and motions him over with one wing. The guy goes up close to the cage.

"I don't know if I should tell you this or not," says the parrot, "but it's about your wife and the mailman..."

"What?" says the guy. "What?"

"Well," the parrot says, "when the mailman came to the door today, your wife greeted him in a sheer nightgown and kissed him on the mouth."

"What happened then?" asks the guy.

Knut S-C Ojermark

"Then the mailman came into the house and lifted up the nightgown and began petting her all over," reports the parrot.

"My God!!" the guy says. "Then what?"

"Then he lifted up the nightgown, got down on his knees and began to lick her body, starting with her breasts, slowly going down and down..."

The parrot pauses for a long time ...

"What happened? What happened?" says the frantic guy.

"I don't know," says the Parrot. "My dick got hard and I fell off my perch!"

ONE:

A married couple were asleep when the phone rang at 2 in the morning. The wife (undoubtedly blonde), picked up the phone, listened a moment and said, "How should I know, that's 200 miles from here!" and hung up. The husband said, "Who was that?" The wife said, "I don't know, some woman wanting to know "if the coast is clear."

TWO:

Two blondes are walking down the street. One notices a compact on the sidewalk and leans down to pick it up. She opens it, looks in the mirror and says, "Hmm, this person looks familiar." The second blonde says, "Here, let me see!" So the first blonde hands her the compact. The second one looks in the mirror and says, "You dummy, it's me!"

THREE:

A blonde suspects her boyfriend of cheating on her, so she goes out and buys a gun. She goes to his apartment unexpectedly and when she opens the door she finds him in the arms of a redhead. Well, the blonde is really angry. She opens her purse to take out the gun, and as she does so, she is overcome with grief. She takes the gun and puts it to her head. The boyfriend yells, "No, honey, don't do it." The blonde replies, "Shut up, you're next!"

FOUR:

A blonde was bragging about her knowledge of state capitals. She proudly says, "Go ahead, ask me, I know all of them." A friend says, "OK, what's the capital of Wisconsin?" The blonde replies, "Oh, that's easy: W."

FIVE:

What did the blonde say to her doctor when he told her she was pregnant? "Is it mine?"

The Best of the Net - Part III

SIX:

A blonde had just totaled her car in a horrific accident. Miraculously, she managed to pry herself from the wreckage without a scratch and was applying fresh lipstick when the state trooper arrived.

"My God!" the trooper gasped. "Your car looks like an accordion that was stomped on by an elephant. Are you OK ma'am?" "Yes, officer, I'm just fine" the blonde chirped." "Well, how in the world did this happen?" the officer asked as he surveyed the wrecked car. "Officer, it was the strangest ! thing!" the blonde began. "I was driving along this road when from out of nowhere this TREE pops up in front of me. So I swerved to the right, and there was another tree! I swerved to the left and there was ANOTHER tree! I swerved to the right and there was another tree! I swerved to the left and there was" "Uh, ma'am," the officer said, cutting her off, "There isn't a tree on this road for 30 miles. That was your air freshener swinging back and forth."

SEVEN:

Returning home from work, a blonde was shocked to find her house ransacked and burglarized. She telephoned the police at once and reported the crime. The police dispatcher broadcast the call on the channels, and a K-9 unit patrolling nearby was the first to respond. As the K-9 officer approached the house with his dog on a leash, the blonde ran out on the porch, shuddered at the sight of the cop and his dog, then sat down on the steps. Putting her face in her hands, she moaned, "I come home to find all my possessions stolen. I call the police for help, and what do they do? They send me a BLIND policeman!"

A man is waiting for his wife to give birth.

The doctor comes in and informs the dad that his son was born without a torso, arms, or legs. The son is just a head!

The dad loves his son just the same and raises him as well as he can, with love and compassion.

After 21 years, the son is old enough for his first drink. Dad takes him to the bar and tearfully tells the son that he is proud of him. Dad orders the biggest, strongest drink for his boy.

With all the bar patrons looking on curiously and the bartender shaking his head in disbelief, the boy takes his first sip of alcohol.

Swoooooop! A torso pops out!

The bar is dead silent, then bursts into a whoop of joy. The father, shocked, begs his son to drink again.

The patrons chant, "Take another drink!" The bartender shakes his head in dismay.

Swoooooop! Two arms pops out.

The bar goes wild. The father, crying and wailing, begs his son to drink again.

The patrons chant, "Take another drink!" The bartender ignores the whole affair.

By now, the boy is getting tipsy, and with his new hands he reaches down, grabs his drink and guzzles the last of it.

Swoooooop! Two legs pop out.

The bar is in chaos. The father falls to his knees and tearfully thanks God.

The boy stands up on his new legs and stumbles to the left...then to the right...and through the front door into the street, where a truck runs over him and kills him instantly.

The bar falls silent. The father moans in grief.

The bartender sighs and says, wait for it. . .

It's a major groaner. . .

Ready?

"That boy should have quit while he was a head."

Jake, Johnny, and Billy Bob went to the rodeo.

Unfortunately, a big bull jumped the fence into the spectators and they were trampled to death.

Being good God-fearing men, they ascended to Heaven where they were Met at the Pearly Gates by St. Peter. He said, "Welcome to Heaven, gentlemen.

I'm sure you'll be quite comfortable here, but I must warn you that we do have our rules in Heaven.

If you break them, you'll be punished.

One rule is, never step on a duck.

If you step on a duck, the duck quacks, then they all quack, and it just goes on and on."

That sounded simple enough.

They passed through the Pearly Gates and were surprised to find there were ducks everywhere!

In no time at all, Jake stepped on one. The duck quacked, then they all quacked, they made a terrible racket and it just went on and on.

Pretty soon along came St. Peter with a terribly homely woman in tow. "I warned you that if you broke the duck rule you'd be punished." He chained the homely woman to Jake and said, "You will be together forever," and walked away.

Sometime later, despite his best efforts, Johnny accidentally stepped on a duck.

The duck quacked, then they all quacked and made a terrible commotion that just went on and on.

Sure enough, along came St. Peter with an even homelier woman. "I warned you that if you broke the duck rule you'd be punished."

With that, he chained the woman to Johnny and said, "The two of you will be together for all eternity," and walked away.

Well, Billy Bob was very careful not to step on a duck.

Knut S-C Ojermark

One day St. Peter came along with a drop dead gorgeous blonde. He chained her to Billy Bob and said, "You will be together now and forever more," and walked away. Billy Bob exclaimed, "Wow, I wonder what I did to deserve this?"

"I don't know about you," said the beautiful woman, -- "But I stepped on a duck..

Good Eats...

A very traditional elderly woman was enjoying a good game of bridge with her girlfriends one evening. "Oh, no! I have to rush home and fix dinner for my husband! He's going to really ticked if it's not ready on time!" she exclaimed suddenly.

When she got home, she realized that she didn't have enough time to go to the supermarket, and all she had in the cupboard was a wilted lettuce leaf, an egg, and a can of cat food. In a panic, she opened the can of cat food, stirred in the egg, and garnished it with the lettuce leaf just as her husband pulled up.

She greeted her husband and then watched in horror as he sat down to his dinner. To her surprise, the husband really enjoyed his dinner. "Darling, this is the best dinner you have made for me in forty years of marriage. You can make this for me any old day." Needless to say, every bridge night from then on, the woman made her husband the same dish. She told her bridge cronies about it and they were all horrified.

"You're going to kill him!" they exclaimed.

The Best of the Net - Part III

Two months later, her husband died.

The women were sitting around the table playing bridge when one of the cronies said, "You killed him! We told you that feeding him that cat food every week would do him in! How can you just sit there so calmly and play bridge knowing you murdered your husband?"

The wife stoically replied, "I didn't kill him. He fell off the mantel while he was cleaning himself."

African village

An English anthropologist was doing research in an isolated African village, and the tribal chief asked if he would like to attend a trial his people were conducting that afternoon.

Knut S-C Ojermark

"You'll be surprised," said the chief, "at how well we've copied your country's legal procedures. You see, we have read accounts of many English trials in your newspapers, and incorporated them into our judicial system."

When the Brit arrived at the wooden constructed courthouse, he was truly amazed to see how closely the African court officials resembled those of England. The counsels were suitably attired in long black robes and the traditional white powdered wigs worn by all British jurists. Each argued his case with eloquence and in proper judicial language. But he couldn't help being puzzled by the occasional appearance of a bare-breasted native girl running through the crowd waving her arms frantically.

The Best of the Net - Part III

After the trial, the anthropologist congratulated his host on what he had seen and then asked, "What was the purpose of having a seminude woman run through the courtroom during the trial?"

"I really don't know," confessed the Chief, "but in all the accounts we read in your papers about British trials, there was invariably mentioned something about 'an excited titter' running through the gallery."

A new employee is hired at the Tickle Me Elmo factory.

The personnel manager explains her duties, and tells her to report to work promptly at 8:00 AM.

The next day at 8:45 AM, there's a knock at the personnel manager's door.

The assembly line foreman comes in and starts ranting about this new employee. He says she's incredibly slow, and the whole line is backing up.

The foreman takes the personnel manager down to the factory floor to show him the problem. Sure enough, Elmos are backed up all over the place.

At the end of the line is the new employee. She has a roll of the material used for the Elmos and a big bag of marbles. They both watch as she cuts a little piece of fabric, wraps it around two marbles, and starts sewing the little package between Elmo's legs.

The personnel manager starts laughing hysterically. After several minutes, he pulls himself together, walks over to the woman, and says, "I'm sorry, I guess you misunderstood me yesterday. Your job

is to give Elmo two test tickles. "

Another blonde joke

A brunette, redhead and blonde went to a fitness spa for some fun and relaxation. After a stimulating healthy lunch, all three decided to visit the ladies room and found a strange looking woman sitting at the entrance who said, "Welcome to the ladies room. Be sure to check out our newest feature: a mirror which, if you look into it and say something truthful, you will be awarded with a wish. But be warned, for if you say something false, you will be sucked into the mirror to live in a void of nothingness for all eternity!"

The three women quickly entered and upon finding the mirror, the brunette said, "I think I'm the most beautiful of us three," and in an instant she was surrounded by a pile of money.

The redhead stepped up and said "I think I'm the most talented of us three," and she suddenly found the keys to a brand new Lexus in her hands.

Is your computer mouse okay?

Subject: Computer Problems
Somehow, this is believable!!!

This memo is from an unnamed computer company. It went to all field engineers about a computer peripheral problem. The author of this memo was quite serious. The engineers rolled on the floor! (Especially note last sentence)

Mouse balls are now available as FRU (Field Replacement Unit). Therefore if a mouse fails to operate or should it perform erratically, it may need a ball replacement. Because of the delicate nature of this procedure, replacement of mouse balls should only be attempted by properly trained personnel.

Before proceeding, determine the type of mouse balls by examining the underside of the mouse. Domestic balls will be larger and harder than foreign balls.

Ball removal procedures differ depending upon the manufacture of the mouse./ Foreign balls can be replaced using the pop-off method. Domestic balls are replaced by using the twist-off method. Mouse balls are not usually static-sensitive. However, excessive handling can result in sudden discharge.

Knut S-C Ojermark

Upon completion of ball replacement, the mouse may be used immediately. It is recommended that each replacer have a pair of spare balls for maintaining optimum customer satisfaction.

Any customer missing his balls should contact the local personnel in charge of removing and replacing these necessary items.

Spaghetti al Dente

A doctor was having an affair with his Italian-born nurse. Shortly afterward, she told him she was pregnant. Not wanting his wife to know, he gave the nurse a sum of money and asked her to go to Italy and have the baby there. "But how will I let you know when the baby is born?" she asked. He replied, "Just send me a postcard and write "spaghetti" on the back. I'll take care of the child's expenses."

Not knowing what else to do, the nurse took the money and flew to Italy. Six months went by and then one day the doctor's wife called him at the office and explained, "Dear, you received a very strange postcard in the mail today from Europe, and I don't understand what it means."

The Best of the Net - Part III

The doctor said, "Just wait until I get home, and I will explain it to you". Later that evening the doctor came home, read the postcard, fell to the floor with a heart attack.

Paramedics rushed him to the ER. The lead medic stayed back to comfort the wife. He asked her what she thought caused the cardiac arrest. So the wife picked up the card and read: "Spaghetti, Spaghetti, Spaghetti, Spaghetti; Two with sausage and meatballs, two without."

NOAH'S PROBLEMS

It is the year 2000 and Noah lives in the United States. The Lord speaks to Noah and says, "In one year, I am going to make it rain and over the whole earth with water until all is destroyed. But I want you to save the righteous people and two of every kind of living thing on the earth. Therefore, I am commanding you to build an Ark.

In a flash of lightning, God delivered the specification for the Ark. Fearful and trembling, Noah took the plans and agreed to build the Ark. Remember, says the Lord, You must complete the Ark and bring everything aboard in one year. Exactly one year later, a fierce storm cloud covered the earth and all of the seas of the earth went into a tumult. The Lord saw Noah, sitting in his front yard weeping. Noah, he shouted, where is the Ark?

Lord, please forgive me! Noah cried. I did my best but there were big problems.

First, I had to get a permit for the construction and your plans did not comply with the codes. I had to hire an engineering firm and redraw the plans.

Knut S-C Ojermark

Then I got into a fight with OSHA over whether or not the Ark needed a fire sprinkler system and floatation devices. Then my neighbor objected, claiming I was violating zoning ordinances by building the Ark in my front yard, so I had to get a variance from the city planning commission. I had problems getting enough wood for the Ark, because there was a ban on cutting trees to protect the Spotted Owl. I finally convinced the US Forest Service that I needed the wood to save the owls. However, the Fish and Wildlife Service won't let me catch any owls. So, no owls. The carpenters formed a union and went out on strike. I had to negotiate a settlement with the National Labor Union. Now I have 16 carpenters on the Ark, but still no owls. When I started rounding up the other animals, I got sued by an animal rights group. They objected to me only taking two of each kind aboard.

Just when I got the suit dismissed the EPA notified me that I could not complete the Ark without filing an environmental impact statement on your proposed flood. They didn't take very kindly to the idea that they had no jurisdiction over the conduct of the Creator of the Universe. Then the Army Corps of Engineers demanded a map of the proposed new flood plan. I sent them a globe. Right now, I am trying to resolve a complaint filed with the Equal Employment Opportunity Commission that I am practicing discrimination by not taking godless, unbelieving people aboard! The IRS has seized my assets, claiming that I'm building the Ark in preparation to flee the country to avoid paying taxes. I just got a notice from the state that I owe them some kind of user tax and failed to register the Ark as a "recreational water craft."

Finally, the ACLU got the courts to issue an injunction against further construction of the Ark, saying that since God is flooding the earth, it is a religious event and therefore, unconstitutional. I really don't think I can finish the Ark for another 5 or 6 years! Noah wailed.

The sky began to clear, the sun began to shine and the seas began to calm. A rainbow arched across the sky. Noah looked up hopefully. You mean you are not going to destroy the earth, Lord?

No, said the Lord sadly. I don't have to. The government already has...

They ring the doorbell and once again and the man opens the door.

"Well now, that is just darn cute. Who are you this time?"

"We're Hansel and Gretel" says the little boy.

"Well, I hate to disappoint you son, but you can't be Hansel and Gretel because you're black!"

Heads hung low, they leave. Not too much later the man hears the bell ring again.

This time when he opens the door there stand the two children but this time they are BUCK NAKED.

"Oh my! And just who are you supposed to be now?!" he asks.

"We're M & M's, " said the little girl.

"I'm plain. He got nuts.

guys show up looking for a handout. Feeling sorry for them, the woman tells them that they can get a meal if they will chop some firewood. Gratefully, they head to the rear of the house.

Guests arrive, and all is going well with the children having a wonderful time. But the clown has not shown up, and finally, the clown calls to report that he is stuck in traffic, and will probably not make the party at all. The woman is very disappointed and unsuccessfully tries to entertain the children herself.

She happens to look out the window and sees one of the guys doing cartwheels across the lawn. She watches in awe as he swings from tree branches, does midair flips, and leaps high in the air. She calls the other guy over and says, "What your friend is doing is absolutely marvelous. I have never seen such a thing. Americans With No Abilities Act Becomes Law

WASHINGTON, D.C. -- On Tuesday, Congress approved the Americans With No Abilities Act, sweeping new legislation that provides benefits and protection for more than 135 million talentless Americans. The act, being signed into law by President Clinton shortly after it's passage, is being hailed as a major victory for the millions upon millions of U.S. citizens who lack any real skills or uses.

The Best of the Net Part III

"Roughly 50 percent of Americans -- through no fault of their own -- do not possess the talent necessary to carve out a meaningful role for themselves in society," said Clinton, a longtime ANA supporter. "Their lives are futile hamster-wheel existence of unrewarding, dead-end busywork: Xeroxing documents written by others, fulfilling mail-in rebates for Black & Decker toaster ovens, and processing bureaucratic forms that nobody will ever see. Sadly, for these millions of non-abled Americans, the American dream of working hard and moving up through the ranks is simply not a reality."

Under the Americans With No Abilities Act, more than 25 million important-sounding "middle man" positions will be created in the white-collar sector of non-abled persons, providing them with an illusory sense of purpose and ability. Mandatory, non-performance-based raises and promotions will be also be offered to create a sense of upward mobility for even the most unremarkable, utterly replaceable employees.

The legislation also provides corporations with incentives to hire non-abled workers, including tax breaks for those who hire one non-germane worker for every two, seemingly talented hirees.

Finally, the Americans With No Abilities Act also contains tough new measures to prevent discrimination against the non-abled by banning prospective employers from asking such job-interview questions as: "What can you bring to this organization?" and "Do you have any special skills that would make you an asset to this company?"

"As a non-abled person, I frequently find myself unable to keep up with co-workers who have something going for them," said Mary Lou Gertz, who lost her position as an unessential filing clerk at a Minneapolis tile wholesaler last month because of her lack of notable skills. "This law should really help people like me."

Knut S-C Ojermark

With the passage of the Americans With No Abilities Act, Gertz and millions of other untalented, inessential citizens can finally see a light at the end of the tunnel. Said Clinton: "It is our duty, both as lawmakers and as human beings, to provide each and every American citizen, regardless of his or her lack of value to society, some sort of space to take up in this great nation."

The mind of a six year old is wonderful.

The teacher paused then asked the class, "And what do you think that farmer said?"

One little boy raised his hand and said, "I think he said: "Holy Shit! A talking chicken!"

The teacher was unable to teach for the next 10 minutes.

Dog Fight

After much contemplation, the Israelis and Arabs realized that, if they continued, they would someday end up destroying the world.

The Best of the Net Part III

So they sat down and decided to settle the whole dispute with a dogfight. The negotiators agreed that each country would take five years to develop the best fighting dog they could. The dog that won the fight would earn its country the right to rule the world. The losing side would have to lay down its arms.

The Arabs found the biggest, meanest Dobermans and Rottweilers in the world. They bred them together and then crossed their offspring with the meanest Siberian wolves. They selected only the biggest, strongest puppy from each litter, killed all the other puppies and fed the one dog all of the milk. They used steroids and trainers in their quest for the perfect killing machine, until, after the five years were up, they had a dog that needed iron prison bars on his cage. Only the trainers could handle this beast.

When the day of the big fight arrived, the Israelis showed up with a strange animal: It was a nine-foot-long Dachshund. Everyone felt sorry for the Israelis. No one else thought this weird animal stood a chance against the growling beast in the Arab camp. The bookies predicted the Arabs would win in less than a minute.

The cages were opened. The Dachshund waddled toward the center of the ring. The Arab dog leapt from his cage and charged the giant wiener-dog. As he got to within an inch of the Israeli dog, the Dachshund opened its jaws and swallowed the Arab beast in one bite. There was nothing left but a small bit of fur from the killer dog's tail.

The Arabs approached the Israelis, shaking their heads in disbelief. "We do not understand. Our top scientists and breeders worked for five years with the meanest, biggest Dobermans and Rottweilers. They developed a killing machine."

Knut S-C Ojermark

"Really?" the Israelis replied. "We had our top plastic surgeons working for five years to make an alligator look like a Dachshund!"

Who needs to grow up anyway?

The first day of school our professor introduced himself and challenged us to get to know someone we didn't already know. I stood up to look around when a gentle hand touched my shoulder. I turned around to find a wrinkled, little old lady beaming up at me with a smile that lit up her entire being. She said, "Hi handsome. My name is Rose. I'm eighty-seven years old. Can I give you a hug?" I laughed and enthusiastically responded, "Of course you may!" and she gave me a giant squeeze.

"Why are you in college at such a young, innocent age?" I asked. She jokingly replied, "I'm here to meet a rich husband, get married, have a couple of children, and then retire and travel." "No seriously," I asked. I was curious what may have motivated her to be taking on this challenge at her age. "I always dreamed of having a college education and now I'm getting one!" she told me. After class we walked to the student union building and shared chocolate milkshake. We became instant friends. Every day for the next three months we would leave class together and talk nonstop. I was always mesmerized listening to this "time machine" as she shared her wisdom and experience with me. Over the course of the year, Rose became a campus icon and she easily made friends wherever she went. She loved to dress up and she reveled in the attention bestowed upon her from the other students. She was living it up. At the end of the

The Best of the Net Part III

semester we invited Rose to speak at our football banquet. I'll never forget what she taught us. She was introduced and stepped up to the podium. As she began to deliver her prepared speech, she dropped all of her 3 x 5 note cards. Frustrated and a little embarrassed she leaned into the microphone and simply said, "I'm sorry I'm so jittery. I gave up beer for Lent and this whiskey is killing me! I'll never get my speech back in order so let me just tell you what I know." As we laughed she cleared her throat and began, "We do not stop playing because we are old; we grow old because we stop playing. There are only four secrets to staying young, being happy, and achieving success. You have to laugh and find humor every day. You've got to have a dream. When you lose your dreams, you die. We have so many people walking around who are dead and don't even know it!

There is a huge difference growing older and growing up. If you are nineteen years old and lie in bed for one full year and don't do one productive thing, you will turn twenty years old. If I am eighty-seven years old and stay in bed for a year and never do anything I will turn eighty-eight.

Anybody can grow older. That doesn't take any talent or ability. The idea is to grow up by always finding the opportunity in change. Have no regrets. The elderly rarely have regrets for the things we did, but rather for things we did not do. The only people who fear death are those with regrets." She concluded her speech by courageously singing "The Rose." She challenged each of us to study the lyrics. At the years end Rose finished the college degree she had begun all those years ago. One week after graduation Rose died peacefully in her sleep. Over two thousand college students attended her funeral tribute to the wonderful woman who taught by example that it's never too late to be all you can possibly be.

The Fly

There once was a happy little fly buzzing around a barn one day, when she happened upon a large pile of fresh cow manure. Since it had been hours since her last meal and she was feeling hunger pangs, she flew down to the irresistible delicacy and began to munch out. She ate... And ate...and then ... she ate some more!!!

Finally, she decided she'd had plenty. She washed her face with her tiny front legs, belched a few times, then attempted to fly away. But alas...she had pigged out far too much and could not get off the ground. She looked around wondering what to do about this unpleasant situation when she spotted a pitchfork leaning upright against the barn wall. She'd found a solution!! She realized if she could just become airborne she'd be able to fly again. So, she painstakingly, climbed to the top of the handle. Once there, she took a deep breath, spread her tiny fly wings, and leaped confidently into the air. She dropped like a rock and splattered all over the floor...

Six gentlemen were playing poker in the condo clubhouse

Six gentlemen were playing poker in the condo clubhouse when Meyer loses \$500 on a single hand, clutches his chest and drops dead on the table.

Showing respect for their fallen comrade, the other five complete their playing time standing up.

Frank looks around and asks "now, who is going to tell his wife?"

They draw straws. Goldberg, who is always the loser, picks the short one.

They tell him to be discreet, be gentle. Don't make a bad situation worse than it is.

Goldberg goes over to the Meyer apartment and knocks on the door. The wife answers and asks what he wants.

Goldberg declares: "Your husband just lost \$500 at poker and is afraid to come home."

She hollers "TELL HIM HE SHOULD DROP DEAD!"

Goldberg says, "I'll tell him."

SISTERS OF ST. FRANCIS HOUSE OF PROSTITUTION 10 MILES

A man is driving down a deserted stretch of highway when he notices a sign out of the corner of his eye. It reads: SISTERS OF ST. FRANCIS HOUSE OF PROSTITUTION 10 MILES He thinks it was just a figment of his imagination and drives on without a second thought. Soon, he sees another sign which says: SISTERS OF ST. Suddenly, he begins to realize that these signs are for real. Then he drives past a third sign saying: SISTERS OF ST. FRANCIS HOUSE OF PROSTITUTION NEXT RIGHT His curiosity gets the best of him and he pulls into the drive. On the far side of the parking lot is a somber stone building with a small sign next to the door reading: SISTERS OF ST. FRANCIS He climbs the steps and rings the bell. The door is answered by a nun in a long black habit who asks, "What may we do for you, my son?"

He answers, "I saw your signs along the highway, and was interested in possibly doing business." "Very well, my son. Please follow me." He is led through many winding passages and is soon quite disoriented. The nun stops at a closed door, and tells the man, "Please knock on this door."

Knut S-C Ojermark

He trots eagerly down the hall and slips through the door, pulling it shut behind him. As the door locks behind him, he finds himself back in the parking lot, facing another small sign: GO IN PEACE YOU HAVE JUST BEEN SCREWED BY THE SISTERS OF ST. FRANCIS

DETECTING A 2-WAY MIRROR.

How to determine if a mirror is 2 way or not (Not a Joke!) Not to scare you, but to make you aware. This was passed on by a policewoman who travels all over the US and gives seminars and techniques for business women.

The Best of the Net Part III

HOW TO DETECT A 2-WAY MIRROR.

When we visit toilets, bathrooms, hotel rooms, changing rooms, etc., how many of you know for sure that the seemingly ordinary mirror hanging on the wall is a real mirror, or actually a 2-way mirror (i.e., they can see you, but you can't see them)?

There have been many cases of people installing 2-way mirrors in female changing rooms. It is very difficult to positively identify the surface by just looking at it. So, how do we determine with any amount of certainty what type of mirror we are looking at? Just conduct this simple test: Place the tip of your fingernail against the reflective surface and if there is a GAP between your fingernail and the image of the nail, then it is a GENUINE mirror. However, if your fingernail DIRECTLY TOUCHES the image of your nail, then BEWARE, FOR IT IS A 2-WAY MIRROR!

So remember, every time you see a mirror, do the "fingernail test." It doesn't cost you anything. It is simple to do, and it might save you from getting "visually raped"! This is a really good thing to do.

The reason there is a gap on a real mirror, is because the silver is on the back of the mirror UNDER the glass. Whereas with a two-way mirror, the silver is on the surface. Keep it in mind!

So they order their drinks and pretty soon a hooker comes up to Bubba "You're cute," she says, "and I'd like to take you some place and make you feel good - but I've got a bad case of gonorrhoea." Bubba pulls his friend to the side and whispers, "Junior, go look in the dictionary and see what gonorrhoea means. If it's okay, give me the okay sign."

Junior goes to look it up, comes back, and gives Bubba the big OK sign. Three weeks later Bubba is laid up in the infirmary with a terrible case of gonorrhoea. "Junior," he says, "What you give me the okay for?" "Well, Bubba, in the dictionary, it says gonorrhoea only affects the privates." Then he pointed to his stripes and says, "But we's Sergeants now!"

APPLE LESSON:

A 4-year-old son was eating an apple in the back seat of the car, when he asked, "Daddy, why is my apple turning brown?"

"Because," his dad explained, "after you ate the skin off, the meat of the apple came into contact with the air, which caused it to oxidize, thus changing the molecular structure and turning it into a different color."

There was a long silence. Then the boy asked, "Daddy, are you talking to me?"

POKER GAME:

Two couple were playing cards one night. Marcus accidentally dropped some of his cards on the floor. As he bent down under the table to pick them up, he noticed that Bill's wife Sue's legs were wide open and she wasn't wearing any underwear! Shocked by this, Marcus, upon trying to sit up again, hit his head on the table and emerged blush-faced.

Later that night, Marcus went into the kitchen for some refreshments. Sue walked in and asked him, "Did you see anything under the table that you liked?"

Surprised by her boldness, Marcus admitted he did.

"Well," she said, "you can have it, but it will cost you \$500."

After taking a minute or two to assess the financial and moral cost of the offer, Marcus indicates that he is indeed interested. Sue tells him, "Since my husband works on Friday and you don't why don't you come over at

Knut S-C Ojermark

2:00PM?"

Friday rolls around and Marcus shows up at Bill and Sue's house at 2:00PM sharp...and after paying Sue the \$500 that they agree upon, they go into the bedroom and consummate their sexual transaction as Sue had promised.

Mrcus quickly gets dressed thanks her and leaves. As was his normal habit, at 6:00PM Bill arrived at home from work. Upon entering the house and encountering his wife, he asked abruptly, "Did Marcus come the house this afternoon?"

With a big lump in her throat, Sue answered, "Why yes, he did stop by for a few minutes this afternoon."

Her heart really dropped when Bill curtly asked, "And did he give you \$500?"

In total terror that somehow she had been found out, she pauses for a moment and then mustering up her best poker face she answers, "Well yes...in fact he did give me \$500 honey."

Bill, with this satisfied look on his face, surprises his wife by saying, "That's my boy! He stopped by my office this morning and borrowed \$500 from me. He promised me that he'd stop by our house on the way home and pay me back!"

Henry Ford died and went to heaven.

At the gates, an angel told Ford,
"Well, you've been such a good guy and your invention, the assembly line, changed the world. As a reward, you can hangout with anyone you

want to in Heaven."

Ford thinks about it and says, "I want to hang out with God Himself." The be-feathered fellow at the Gates took Ford to the Throne Room and introduced him to God.

Ford then asked God, "Hey, aren't you the inventor of Woman?"

God said, "Ah, yes."

"Well," said Ford, "you have some major design flaws in your invention:

1. There's too much front end protrusion.
2. It chatters at high speeds.
3. Maintenance is very costly.
4. It constantly needs repainting and refinishing.
5. It is out of commission 5 or 6 of every 28 days.
6. The rear end wobbles too much.
7. The intake is placed too close to the exhaust.

"Hmmm," replied God, "hold on." God went to the Celestial Super computer, typed in a few keystrokes, and waited for the results. The computer printed out a slip of paper. "It may be that my invention is flawed," God replied to Henry Ford, "but according to statistics, more men are riding my invention than yours!"

A little boy walks into his parents' bedroom to find his mother on top of his father, humping up and down. The mother spots her son and dismounts as the boy leaves the room. Worried about what her son has seen, the Mom quickly dresses and goes to find him in his bedroom.

The son asks, "What were you doing to Daddy, Mom?"

The Mom replies, "Well, you know how Dad has a big tummy?"

The boy answers, "Yes he sure does."

"Well, I have to get on it sometimes to help flatten it," explained the Mom.

The boy says, "You're just wasting your time, that will never work."

The Mom is confused, "Why not, son?"

"Because whenever you go shopping, the lady across the street comes over, gets down on her knees in the bedroom, and blows his tummy back up!"

IRISH TOASTMASTERS

John O'Riley was a member of an Irish Toast Masters Club and one evening at the local Irish Toast Masters meeting, a contest was held to see who could deliver the best toast.

Well, John O'Riley won the contest for the best toast of the evening,

Knut S-C Ojermark

"Here's To The Best Years o' Me Life, Spent Between The Legs o' Me Wife."

When John O'Riley arrived home his beautiful wife asked him how the Toast Masters meeting went and he said, "I won the contest for the best toast of the evening."

His wife then asked him what his toast was, and he said, "Here's To The Best Years o' me Life, Spent in Church wi' me Wife."

His wife then said, "Why John, that's so nice of you to include me in your Toast."

The next morning, Mrs. O'Riley was downtown shopping and ran into the local policeman on the beat who was also at the Toast Masters meeting with John O'Riley.

He said, "Hello Mrs. O'Riley, that was some great toast that your husband John gave at the Toast Masters meeting last evening. He won first prize".

"Yes, that's right," said Mrs. O'Riley, "but he wasn't quite honest with the facts: he's only been there twice, the first time he fell asleep and the second time I had to pull him out by the ears."

IT AIN'T SO BAD AFTER ALL, HUH?

I have always dreaded old age. I cannot imagine anything worse than being old...How awful it must be to have nothing to do all day long but stare at the walls or watch TV. So last week, when the mayor suggested

The Best of the Net Part III

we all celebrate Senior Citizen Week by cheering up a senior citizen, I determined to do just that. I would call on my new neighbor, an elderly retired gentleman, recently widowed, who, I presumed, had moved in with his married daughter because he was too old to take care of himself. I baked a batch of brownies, and, without bothering to call (some old people cannot hear the phone), I went off to brighten this old guy's day. When I rang the doorbell this "old guy" came to the door dressed in tennis shorts and a polo shirt, looking about as ancient and decrepit as Donny Osmond.

"I'm sorry I can't invite you in," he said when I introduced myself, "but I'm due at the Racquet Club at two. I'm playing in the semi-finals today."

"Oh that's all right," I said. "I baked you some brownies..."

"Great!" he interrupted, snatching the box. "Just what I need for bridge club tomorrow! Thanks so much!" "...and just thought we'd visit a while. But that's okay!"

"I'll just trot across the street and call on Granny Grady..." "Don't bother," he said. "Gran's not home; I know. I just called to remind her of our date to go dancing tonight. She may be at the beauty parlor. She mentioned at breakfast that she had an appointment for a tint job."

I called my Mother's cousin (age 83); she was in the hospital... working in the gift shop. I called my aunt (age 74); she was on vacation in China. I called my husband's uncle (age 79). I forgot; he was on his honeymoon. I still dread old age, now more than ever. I just don't think I'm up to it.

Elephant to a condom

The GOP national Committee announced today that it was changing the Republican emblem from an elephant to a condom because it more

A condom stands up to inflation, halts production, destroys the next generation, protects a bunch of pricks, and gives one a sense of security while screwing others. In other GOP news, it was reported today that at the White House staff meeting last week there was a heated discussion about the health of VP Cheney and his angina problem. President W interrupted and stated emphatically the "men do not have anginas." W was especially perplexed when a staff member said the Cheney has "acute angina"

The Best of the Net Part III

8:00 AM. The next day at 8:45 AM, there's a knock at the personnel manager's door.

The assembly line foreman comes in and starts ranting about this new employee. He says she's incredibly slow, and the whole line is backing up. The foreman takes the personnel manager down to the factory floor to show him the problem.

Sure enough, Elmos are backed up all over the place. At the end of the line is the new employee. She has a roll of the material used for the Elmos and a big bag of marbles. They both watch as she cuts a little piece of fabric, wraps it around two marbles, and starts sewing the little package between Elmo's legs.

The personnel manager starts laughing hysterically. After several minutes, he pulls himself together, walks over to the woman, and says, "I'm sorry, I guess you misunderstood me yesterday. Your job is to give Elmo two test tickles.

A bear walks into a bar in Billings, Montana and sits down.

He bangs on the bar with his paw and demands a beer. The bartender approaches and says, "We don't serve beer to bears in bars in Billings."

The bear, becoming angry, demands again that he be served a beer. The bartender tells him again, more forcefully, "We don't serve beer to belligerent bears in bars in Billings."

The bear, very angry now, says, "If you don't serve me a beer, I'm going to eat that lady sitting at the end of the bar."

The bartender says, "Sorry, we don't serve beer to belligerent, bully bears in bars in Billings."

The bear goes to the end of the bar, and as promised, eats the woman. He comes back to his seat and again demands a beer.

The bear says, "I'm NOT on drugs."

.....You're gonna love this.....

The bartender says, "You are now. That was a barbitchyouate."

How do these People Survive?

Recently, when I went to McDonald's I saw on the menu that you could have an order of 6, 9 or 12 Chicken McNuggets. I asked for a half dozen nuggets.

"We don't have half dozen nuggets", said the teenager at the counter.

"You don't?" I replied.

"We only have six, nine, or twelve," was the reply.

"So I can't order a half-dozen nuggets, but I can order six?"

"That's right."

So I shook my head and ordered six McNuggets.

After the girl had scanned all of my items, she picked up the "Divider" looking it all over for the bar code so she could scan it.

Not finding the bar code she said to me "Do you know how much this is?" and I said to her "I've changed my mind, I don't think I'll buy that today".

The 94 year old yells back "I don't know. I'll come up and see." She starts up the stairs and pauses. Then she yells "was I going up the stairs or down?"

### Empty jar

A philosophy professor stood before his class and had some items in front of him. When the class began, wordlessly he picked up a large empty jar and proceeded to fill it with rocks, rocks about 2" in diameter. He then asked the students if the jar was full? They agreed that it was. So the professor then picked up a box of

## **Knut S-C Ojermark**

pebbles and poured them into the jar. He shook the jar lightly. The pebbles, of course, rolled into the open areas between the rocks. He then asked the students again if the jar was full.

They agreed it was.

The students laughed. The professor picked up a box of sand and poured it into the jar. Of course, the sand filled up everything else. "Now," said the professor, "I want you to recognize that this is your life. The rocks are the important things - your family, your partner, your health, your children, - things that if everything else was lost and only they remained, your life would still be full. The pebbles are the other things that matter like your job, your house, your car. The sand is everything else. The small stuff."

"If you put the sand into the jar first, there is no room for the pebbles or the rocks. The same goes for your life. If you spend all your time and energy on the small stuff, you will never have room for the things that are important to you. Pay attention to the things that are critical to your happiness. Play with your children. Take time to get medical checkups.

Take your partner out dancing. There will always be time to go to work, clean the house, give a dinner party and fix the waste disposal." "Take care of the rocks first - the things that really matter. Set your priorities. The rest is just sand."

But then... A student then took the jar which the other students and the professor agreed was full, and proceeded to pour in a glass of beer. Of course the beer filled the remaining spaces within the jar making the jar truly full.

The moral of this tale is: That no matter how full your life is, there is always room for BEER.

### Badly Hurt Tarzan

Tarzan is walking through the jungle one day and gets in a fight with a lion. The lion rips off one arm, one eye, and rips off his penis.

Left for dead, Cheetah finds Tarzan lying there and rescues him. Taking him up to their tree house, they give him a gorilla arm to replace the one he lost, an eagle eye for his eye, and a baby elephant's trunk to replace his penis.

After a few days of using his new parts, Cheetah asks Tarzan, "How do you like?"

Tarzan replies, "Me like new arm, very strong. Me like new eye, see far and good. But me no like new willie, all day long it picks up leaves and shoves them up my ass."

A six-year-old boy told his father he wanted to marry the little girl across the street. The father, being modern and well-schooled in handling children, hid his smile behind his hand. "That's a serious step," he said, "Have you thought it out completely?"

"Sure," his young son answered. "We can spend one week in my room and the next in hers. It's right across the street, so I can run home if I get lonely in the night."

"How about transportation?" the father asked.

"I have my wagon and we both have our tricycles," the little boy answered.

The boy had answers to every question the father raised. Finally, in exasperation, the man asked, "What about babies? When you're married, you're likely to have babies, you know."

"We've thought about that too", the little boy replied. "We're not going

### **The OB-GYN Visit**

This is a laugh for all those women out there who so look forward to that wonderful time once a year when they get to be "intimate" with their OB/GYN doctor!

In Sydney, Australia one of the radio stations pays money (\$1000-\$5000) for people to tell their most embarrassing stories. This one netted the winner \$5000...

I was due later in the week for an appointment with the gynecologist. Early one morning I received a call from the doctor's office to tell me that I had been rescheduled for early that morning 9:30 a.m. I had only just packed everyone off to work and school, and it was already around 8:45 a.m. The trip to his office took about 35 minutes, so I didn't have any time to spare. As most women do, I like to take a little extra effort with hygiene when making such visits, but this time I wasn't going to be able to make the full effort. So I rushed upstairs, threw off my dressing gown, wet the washcloth that was sitting next to the sink, and gave myself a quick wash in "that area"

## **Knut S-C Ojermark**

to make sure I was at least presentable. I threw the washcloth in the clothes basket, donned some clothes, hopped in the car and raced to my appointment. I was in the waiting room only a few minutes when I was called in. Knowing the procedure, as I'm sure you all do, I hopped up on the table, looked over at the other side of the room and pretended I was in Paris or some other place a million miles away. I was a little surprised when the doctor said, "My, we have made an extra effort this morning, haven't we?" But I didn't respond. When the appointment was over, I heaved a sigh of relief and went home. The rest of the day was normal-some shopping, cleaning, cooking, etc. After school while my six-year-old daughter was playing, she called out from the bathroom, "Mommy, where's my washcloth?" I told her to get another one from the cupboard. She replied, "No, I need the one that was here by the sink. It had all my glitter and sparkles in it."

### **Canadian newspaper**

The following, from a Canadian newspaper, is worth sharing. Its subject is "America: The Good Neighbor"

Widespread but only partial news coverage was given recently to a remarkable editorial broadcast from Toronto by Gordon Sinclair, a Canadian television commentator. What follows is the full text of his trenchant remarks as printed in the Congressional Record: "This Canadian thinks it is time to speak up for the Americans as the most generous and possibly the least appreciated people on all the earth. Germany, Japan and, to a lesser extent, Britain and Italy were lifted out of the debris of war by the Americans who poured in billions of dollars and forgave other billions in debts. None of these countries is today paying even the interest on its remaining debts to the United States.

When France was in danger of collapsing in 1956, it

### The Best of the Net Part III

was the Americans who propped it up, and their reward was to be insulted and swindled on the streets of Paris. I was there. I saw it. When earthquakes hit distant cities, it is the United States that hurries in to help. This spring, 59 American communities were flattened by tornadoes. Nobody helped. The Marshall Plan and the Truman Policy pumped billions of dollars into discouraged countries. Now newspapers in those countries are writing about the decadent, warmongering Americans. I'd like to see just one of those countries that is gloating over the erosion of the United States dollar build its own airplane. Does any other country in the world have a plane to equal the Boeing Jumbo Jet, the Lockheed Tri-Star, or the Douglas DC10? If so, why don't they fly them? Why do all the International lines except Russia fly American Planes? Why does no other land on earth even consider putting a man or woman on the moon? You talk about Japanese technocracy, and you get radios. You talk about German technocracy, and you get automobiles. You talk about American technocracy, and you find men on the moon-not once, but several times-and safely home again. You talk about scandals, and the Americans put theirs right in the store window for everybody to look at. Even their draft-dodgers are not pursued and hounded. They are here on our streets, and most of them, unless they are breaking Canadian laws, are getting American dollars from ma and pa at home to spend here. When the railways of France, Germany and India were breaking down through age, it was the Americans who rebuilt them. When the Pennsylvania Railroad and the New York Central went broke, nobody loaned them an old caboose. Both are still broke. I can name you 5000 times when the Americans raced to the help of other people in trouble. Can you name me even one time when someone else raced to the Americans in trouble? I don't think there was outside help even during the San Francisco earthquake. Our neighbors have faced it alone, and I'm one

Canadian who is damned tired of hearing them get kicked around. They will come out of this thing with their flag high. And when they do, they are entitled to thumb their nose at the lands that are gloating over their present troubles. I hope Canada is not one of those."

**Women be aware**

### **The Best of the Net Part III**

The notice below was posted on JCPenney's e-mail this morning to sales associates and customers:

Recently on Inside Edition there was an article about several new scams to abduct women. In one, a man comes up to a woman in a Mall or Shopping Center and asks if she likes pizza. When she says she does, he offers her \$10,000 to shoot a commercial for Pizza, but they need to go outside where the lighting is better. When the woman goes out of the mall she is abducted and assaulted.

Another ploy is a very nicely dressed man asks a woman if she would be in a Public Service Announcement to discourage drug use. The man explains that they don't want professional actors or celebrities; they want the average mother to do this. Once she leaves the mall she is a victim.

The third ploy, and the most successful, a very frantic man comes running in to the mall and asks a woman to please help him, his baby is not breathing. She runs out of the mall following him and also becomes a victim.

These have been happening in well-lit parking areas, in daylight as well as night time, all over the country. The abductor usually uses a van to abduct the woman.

'Inside Edition' set up a test in a Mall and 10 out of 15 women went out of the mall on the Pizza and the PSA scam. And all of them went out of the Mall on the baby scam. Please pass this along to your friends and family as now that it has been shown on nation-wide TV there are bound to be copycats of this. The third one, I think, is the scariest. You might resist pizza or becoming a commercial celebrity...but who would be able to resist a frantic father asking for help for his child?

A woman was shopping at the Tuttle Mall in Columbus. She came out to

## **Knut S-C Ojermark**

her car and saw she had a flat. She got her jack and spare out of the trunk. A man in a business suit came up and started to help her. When the tire had been replaced, he asked for a ride to his car on the opposite side of the mall.

Feeling uncomfortable about doing this, she stalled for a while, but he kept pressing her. She finally asked why he was on this side of the mall if his car was on the other. He claimed he had been talking to friends. Still uncomfortable, she told him that she had just remembered something she had forgotten to pick up at the mall and she left him and went back inside the mall. She reported the incident to the Mall Security and they went out to her car. The man was nowhere in sight. Opening her trunk, she discovered a briefcase the man had set inside her trunk while helping her with the tire. Inside were rope and a butcher knife. And, when she took the tire to be fixed, the mechanic informed her that there was nothing wrong with her tire, that it was flat because the air had been let out of it.

I was going to send this to the ladies only, but guys, if you love your mothers, wives, sisters, daughters, etc., you may want to pass it on to them, as well.

Send this to any woman you know that may need to be reminded that the world we live in has a lot of crazies in it ....better safe than sorry.

**PLEASE BE SAFE AND NOT SORRY! JUST A WARNING TO ALWAYS BE ALERT AND USE YOUR HEAD!!!**

Pass this along to every woman you have access to. Never let your guard down.

This was forwarded this to me from a friend. Personally, I could not agree more with this - should be a standard speech on all flights.

-----  
-----  
-----  
  
I just wanted to drop you all a note and let you know that I arrived safe and sound into Dulles Airport tonight at about 6:00. It was an interesting

flight. The airport in Denver was almost spooky, it was so empty and quiet.

No one was in line for the security check point when I got there so that went fairly quickly, just x-ray of my bags and then a chemical test to be sure nothing explosive was on them. Then I waited 2 ½ hours to board the plane. What happened after we boarded was interesting and thought I would share it with you. The pilot/captain came on the loudspeaker after the doors were closed.

His speech went like this: First I want to thank you for being brave enough to fly today. The doors are now closed and we have no help from the outside

## Knut S-C Ojermark

for any problems that might occur inside this plane. As you could tell when you checked in, the government has made some changes to increase security in the airports. They have not, however, made any rules about what happens after those doors close. Until they do that, we have made our own rules and I want to share them with you. Once those doors close, we only have each other. The security has taken care of a threat like guns with all of the increased scanning, etc. Then we have the supposed bomb. If you have a bomb, there is no need to tell me about it, or anyone else on this plane; you are already in control. So, for this flight, there are no bombs that exist on this plane. Now, the threats that are left are things like plastics, wood, knives, and other weapons that can be made or things like that which can be used as weapons. Here is our plan and our rules. If someone or several people stand up and say they are hijacking this plane, I want you all to stand up together. Then take whatever you have available to you and throw it at them. Throw it at their faces and heads so they will have to raise their

### The Best of the Net Part III

hands to protect themselves. The very best protection you have against

knives are the pillows and blankets. Whoever is close to these people

should

then try to get a blanket over their head-then they won't be able to see.

Once that is done, get them down and keep them there. Do not let them up.

I

will then land the plane at the closest place and we WILL take care of

them.

After all, there are usually only a few of them and we are 200+ strong! We

will not allow them to take over this plane. I find it interesting that

the

US Constitution begins with the words "We, the people", that's who we are,

THE people and we will not be defeated.

With that, the passengers on the plane all began to applaud, people had

tears in their eyes, and we began the trip toward the runway. The flight

attendant then began the safety speech. One of the things she said is that

we are all so busy and live our lives at such a fast pace. She asked that

everyone turn to their neighbors on either side and introduce themselves,

tell each other something about your families and children, show pictures,

whatever. She said "for today, we consider you family. We will treat you

as

## **Knut S-C Ojermark**

such and ask that you do the same with us." Throughout the flight we learned that for the crew, this was their first flight since Tuesday's tragedies.

It was a day that everyone leaned on each other and together everyone was stronger than any one person alone. It was quite an experience. You can imagine the feeling when that plane touched down at Dulles and we heard "welcome to Washington Dulles Airport, where the local time is 5:40". Again, the cabin was filled with applause.

### **IDIOTS IN SERVICE**

This week, all our office phones went dead and I had to contact the telephone repair people. They promised to be out between 8:00 a.m. and 7:00 p.m. When I asked if they could give me a smaller time window,

the pleasant gentleman asked, "Would you like us to call you before we come?"

I replied that I didn't see how he would be able to do that, since our phones weren't working. He also requested that we report future outages by email (Does YOUR email work without a telephone line?).

### **IDIOTS AT WORK:**

I was signing the receipt for my credit card purchase when the clerk noticed I had never signed my name on the back of the credit card. She informed me that she could not complete the transaction unless the card was signed.

## The Best of the Net Part III

When I asked why, she explained that it was necessary to compare the signature I had just signed on the receipt. So I signed the credit card in front of her. She carefully compared the signature to the one I had just signed on the receipt. As luck would have it, they matched.

### IDIOTS IN THE NEIGHBORHOOD:

I live in a semi-rural area. We recently had a new neighbor call the local township administrative office to request the removal of the Deer Crossing sign on our road. The reason: too many deer were being hit by cars and he didn't want them to cross there anymore.

### IDIOTS IN FOOD SERVICE:

My daughter went to a local Taco Bell and ordered a taco. She asked the person behind the counter for "minimal lettuce." He said he was sorry, but they only had iceberg.

### IDIOT SIGHTING #1:

I was at the airport, checking in at the gate when an airport employee asked, "Has anyone put anything in your baggage without your knowledge?"

To which I replied, "If it was without my knowledge, how would I know?" He smiled knowingly and nodded, "That's why we ask."

### IDIOT SIGHTING #2:

The stoplight on the corner buzzes when it's safe to cross the street. I was crossing with an intellectually-challenged co-worker of mine when she asked if I knew what the buzzer was for. I explained that it signals blind people when the light is red. Appalled, she responded, "What on earth are blind people doing driving?!"

### IDIOT SIGHTING #3:

At a good-bye luncheon for an old and dear co-worker who was leaving the company due to "downsizing," our manager commented cheerfully, "This

is fun. We should do this more often." Not a word was spoken. We all just looked at each other with that deer-in-the-headlights stare.

## Knut S-C Ojermark

### IDIOT SIGHTING #4:

I work with an individual who plugged her power strip back into itself and for the life of her couldn't understand why her system would not turn on.

### IDIOT SIGHTING #5:

When my husband and I arrived at an automobile dealership to pick up our car, we were told the keys had been locked in it. We went to the service department and found a mechanic working feverishly to unlock the

driver's side door. As I watched from the passenger side, I instinctively

tried the door handle and discovered that it was unlocked.

"Hey," I announced to the technician, "It's open!"

To which he replied, "I know - I already got that side."

NOW DON'T YOU FEEL BETTER?

## The Melting Princess

Once upon a time...  
There lived a king. The King had a  
beautiful daughter, the Princess.

### The Best of the Net Part III

But the kingdom was a sad place.  
There was no laughter, and no joy.  
The problem was, that  
everything the Princess touched would melt.  
No matter what, metal, wood...  
anything she touched would melt!!

Because of this, men were afraid of her.  
Nobody would dare marry her.  
The king despaired.  
What could he do to help his  
beautiful daughter?  
He consulted his wizards and magicians.  
One wizard told the king, "If your  
daughter touches one thing that  
does not melt in her hands, she  
will be cured."

## Knut S-C Ojermark

The King was overjoyed. The next day, he held a competition. Any man who could bring his daughter an object that would not melt at her touch, would marry her and inherit the King's wealth. Three young princes took up the challenge.

The first Prince brought a very hard alloy of titanium. When the Princess touched it, it melted. The Prince went away sadly. The second Prince brought a huge diamond, thinking that diamond is the hardest substance in the world and will not melt.

### The Best of the Net Part III

But, alas, once the Princess touched it, it melted. He too went away disappointed.

The third Prince approached. He told the Princess, "Put your hand in my pocket and feel what is in there."

The Princess did as she was told, though she turned red.

She felt something hard. She held it in her hand...and it did not melt!!

The King was overjoyed!  
Everybody in the kingdom was overjoyed!

Knut S-C Ojermark

And the third Prince married the Princess and the both lived happily ever after.

The question is?!!?!?!?

What WAS the object in the Prince's pocket???

Warning: If you receive an email entitled "Badtimes," delete it immediately.

Do not open it. Apparently this one is pretty nasty. It will not only erase everything on your hard drive, but it will also delete anything on disks within 20 feet of your computer.

It demagnetizes the stripes on ALL of your credit cards. It reprograms your ATM access code, screws up the tracking on your VCR and uses subspace field harmonics to scratch any CD's you attempt to play. It will program your phone auto dial to call only 900 numbers.

It will drink ALL your beer. FOR GOD'S SAKE, ARE YOU LISTENING? ! ! !

It will leave dirty underwear on the coffee table when you are expecting company.

It will replace your shampoo with Nair and your Nair with Rogaine, all the while dating your current boy/girlfriend behind your back and billing their hotel rendezvous to your Visa card.

It will cause you to run with scissors and throw things in a way that is only fun until someone loses an eye.

It will rewrite your backup files, changing all your active verbs to passive tense and incorporating undetectable misspellings which grossly change the interpretations of key sentences.

### **The Best of the Net Part III**

If the "Badtimes" message is opened in a Windows 95/98 environment, it will leave the toilet seat up and leave your hair dryer plugged in dangerously close to a full bathtub.

It will not only remove the forbidden tags from your mattresses and pillows, it will also refill your skim milk with whole milk.

### Work VS. Prison

IN PRISON...you spend the majority of your time in an 8X10 cell.  
AT WORK....you spend most of your time in a 6X8 cubicle.

IN PRISON...you get three meals a day (free).  
AT WORK.....you only get a break for one meal and you have to pay for it yourself.

IN PRISON...you get time off for good behavior.  
AT WORK.....you get rewarded for good behavior with more WORK.

IN PRISON...a guard locks and unlocks the doors for you.  
AT WORK.....you must carry around a security card and unlock open all the doors yourself.

IN PRISON... you can watch TV and play games.  
AT WORK.....you get fired for watching TV and playing games.

IN PRISON...you get your own toilet.  
AT WORK.....you have to share.

IN PRISON...they allow your family and friends to visit.  
AT WORK.....you can not even speak to your family and friends.

## The Best of the Net Part III

IN PRISON...all expenses are paid by taxpayers with no work at all.  
AT WORK.....you get to pay all the expenses to go to work and then they deduct taxes from your salary to pay for the prisoners.

AT WORK.....you spend most of your time wanting to get out and go inside bars.

### Top Ten Reasons Why It's Great To Be A Dog

1. If it itches, you can reach it. And no matter where it itches, no one will be offended if you scratch it in public.
2. No one notices if you have hair growing in weird places as you get older.
3. Personal hygiene is a blast: No one expects you to take a bath every day, and you don't even have to comb your own hair.
4. Having a wet nose is considered a sign of good health.
5. No one thinks less of you for passing gas. Some people might actually

## **Knut S-C Ojermark**

think you're cute.

6. Who needs a big home entertainment system? A bone or an old shoe can entertain you for hours.

7. You can spend hours just smelling stuff.

8. No one ever expects you to pay for lunch or dinner. You never have to worry about table manners, and if you gain weight, it's someone else's fault.

9. It doesn't take much to make you happy. You're always excited to see the same old people. All they have to do is leave the room for five minutes and come back.

10. Every garbage can looks like a cold buffet to you.

### **Stock vs Beer**

If you bought \$1000 worth of Nortel stock one year ago, it would now be worth \$49.

If you bought \$1000 worth of Budweiser (the beer, not the stock) one year ago, drank all the beer, and traded in the cans for the nickel deposit, you would have \$79.

My advice to you is to start drinking heavily and recycle.

And, you have to answer them instantly.  
You can't take your time; you have to answer  
immediately! O.K.?

are ..... Ready?  
GO !!!!!

First Question:  
You are participating in a race. You overtake  
the second. What position do you finish?  
NOW! See the answer below..

Answer:  
If you answered that you arrived first, then  
you are absolutely wrong!!! When you  
overtake the second, you take his place.  
So, you arrived second!!! !!

To answer the second question, don't take as  
much time as you took for the first question.  
! ; Second Question: If you overtake the last,  
then you arrive...?

## Knut S-C Ojermark

Answer: If you answer that you arrived second last, then you are wrong again.

Tell me, how can you overtake the LAST !!!!  
Your answer is wrong! You're not very good at this, are you???

Here's your third Question, but on a new subject

-

- Subject: \*Very, very Tricky Maths!

Note: This riddle must be done IN YOUR HEAD ONLY and NOT using paper and a pen. Try it.

Take 1000 and add 40 to it.  
Now add another 1000.  
Now add 30.  
Another 1000.  
Now add 20.  
Now add another 1000.  
Now add 10.  
What is the total? (scroll down for answer)

Did you get 5000?

The correct ! answer is actually 4100. You don't believe it? Check with! your calculator! The decimal sequence confuses our brain, that always jumps to the highest decimals (100s instead of 10s).

### Be Nice To Your Nurse

In light of my injuries I sustained, I found this to be quite true. It sure brightened my day!

When you're hospitalized, it pays to be nice to your nurse, even when you're feeling miserable. A bossy businessman learned the hard way after ordering his nurses around as if they were his employees. But the head nurse stood up to him. One morning she entered his room and announced, "I have to take your temperature."

After complaining for several minutes, he finally settled down, crossed his arms and opened his mouth. "No, I'm sorry, the nurse stated, "but for this reading, I can't use an oral thermometer." This started another round of complaining, but eventually he rolled over and bared his bottom. After feeling the nurse insert the thermometer, he heard her announce, "I have to get something. Now you stay just like that until I get back!"

She left the door to his room open on her way out, and he cursed under his breath as he heard people walking past his door laughing. After almost an hour, the man's doctor came into the room. "What's going on here?" asked the doctor.

Angrily, the man answered, "What's the matter, Doc? Haven't you ever seen someone having their temperature taken?" "Yes," said the doctor. "But never with a carnation."

**We have all been to those meetings where someone wants over 100%!**

How about achieving 103%? Here's a little math that might prove helpful in the future!  
What makes life 100%?

If, A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

can be represented as

K N O W L E D G E

11 14 15 23 12 5 4 7 5 = 96 % Only

But,

A T T I T U D E

However,

2 21 12 12 19 8 9 20 = 103%

It stands to reason that hard work and knowledge will get you close, but attitude and bullshit will put you over the top!

If you've read the email going around about the number "11" for the past few weeks, you will love David's response to it. I don't know who David is, but his response is hilarious!!! Make sure you read beyond the Original Letter!

Original Letter:

The date of the attack: 9/11 -  $9 + 1 + 1 = 11$

September 11th is the 254th day of the year:  $2 + 5 + 4 = 11$

After September 11th there are 111 days left to the end of the year.

119 is the area code to Iraq/Iran.  $1 + 1 + 9 = 11$

Dave's response:

Oh my God! How worried should I be? There are 11 letters in the name "David Pawson!" I'm going into hiding NOW. See you in a few weeks.

### A Man And A Wish

There was a guy walking down the street in San Fransisco, and he tripped over an old looking oil lamp. He picked it up and hid it under his jacket, because he thaught it was priceless. While he was running to the antique shop to cash this puppy in, it rubbed against his shirt. \*POOF\* A genie popped out of his pocket!

The very angry looking Genie said, "Alright, I have had enough with this three wish stuff, and 'cuz you stole me away from my HBO Special, I will only give you one wish!"

The suprised man said, " OK, I want to live in Hawaii in a huge condo on the beach with three million dollars in the master bedroom, but I am afraid of boats and planes so I want you to build a bridge from here to Hawaii."

The genie replied with a smirk, " Are you crazy? Do you know how long that will take, with the pillars going down to the bottom of the ocean, all the cement it would take for the highway? No I'm sorry, it just can't happen."

### **IDIOTS IN SERVICE**

This week, all our office phones went dead and I had to contact the telephone repair people. They promised to be out between 8:00 a.m. and 7:00 p.m. When I asked if they could give me a smaller time window, the pleasant gentleman asked, "Would you like us to call you before we come?"

I replied that I didn't see how he would be able to do that, since our phones weren't working. He also requested that we report future outages by email (Does YOUR email work without a telephone line?).

### **IDIOTS AT WORK:**

I was signing the receipt for my credit card purchase when the clerk noticed I had never signed my name on the back of the credit card. She informed me that she could not complete the transaction unless the card was signed.

When I asked why, she explained that it was necessary to compare the signature I had just signed on the receipt. So I signed the credit card in front of her. She carefully compared the signature to the one I had just signed on the receipt. As luck would have it, they matched.

### Top Ten Reasons Why It's Great To Be A Dog

1. If it itches, you can reach it. And no matter where it itches, no one will be offended if you scratch it in public.
2. No one notices if you have hair growing in weird places as you get older.
3. Personal hygiene is a blast: No one expects you to take a bath every day, and you don't even have to comb your own hair.
4. Having a wet nose is considered a sign of good health.
5. No one thinks less of you for passing gas. Some people might actually think you're cute.
6. Who needs a big home entertainment system? A bone or an old shoe can entertain you for hours.
7. You can spend hours just smelling stuff.
8. No one ever expects you to pay for lunch or dinner. You never have to worry about table manners, and if you gain weight, it's someone else's fault.

## **Knut S-C Ojermark**

9. It doesn't take much to make you happy. You're always excited to see the same old people. All they have to do is leave the room for five minutes and come back.

10. Every garbage can looks like a cold buffet to you.

### **Computers vs Cars**

At a recent computer expo, Bill Gates reportedly compared the computer industry with the auto industry and stated "if GM had kept up with the technology like the computer industry has, we would all be driving \$25.00 cars that got 1,000 miles to the gallon."

In response to Bill's comments, General Motors issued a press release stating: If GM had developed technology like Microsoft, we would all be driving cars with the following characteristics:

01. For no reason whatsoever, your car would crash twice a day.
02. Every time they repainted the lines in the road, you would have to buy a new car.
03. Occasionally your car would die on the freeway for no reason. You would have to pull over to the side of the road, close all of the car windows, shut it off, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
04. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
05. Only one person at a time could use the car unless you bought "CarNT," but then you would have to buy more seats.
06. MacIntosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive -- but would only run on five percent of the roads.
07. The oil, water temperature, and alternator warning lights would all be replaced by a single "General Protection Fault" warning light.

## The Best of the Net Part III

08. New seats would force everyone to have the same sized butt.
09. The airbag system would ask "are you SURE?" before deploying.
10. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.
11. GM would require all car buyers to also purchase a deluxe set of Rand McNally road maps (now a GM subsidiary), even though they neither need nor want them. Attempting to delete this option would immediately cause the car's performance to diminish by 50% or more. Moreover, GM would become a target for investigation by the Justice Dept.
12. Every time GM introduced a new car, car buyers would have to learn to drive all over again because none of the controls would operate in the same manner as the old car.
13. You'd have to press the "Start" button to turn the engine off.

A few weeks later the meeting hall was packed, and the townspeople sat fascinated as the hypnotist withdrew a pocket watch. The hypnotist began chanting, "Watch the watch, watch the watch, watch the watch, watch the watch..." The crowd became mesmerised as the watch swayed back and forth, the light gleaming off its polished surface.

Two hundred of pairs of eyes followed the swaying watch, until suddenly the hypnotist's fingers slipped and the watch fell to the floor and smashed. "Shit," said the hypnotist.

It took three weeks to clean up the town hall....

### Parrot

A young man named John received a parrot as a gift. The parrot had bad attitude and an even worse vocabulary. Every word out of this bird's mouth was rude, obnoxious and laced with profanity. John tried and tried to change the bird's attitude by constantly saying polite words, playing soft music, and anything he could think of to set a good example.

Nothing worked.

Finally, John got fed up and he yelled at the parrot. And, the bird yelled back. John shook the parrot, and the bird got angrier and ruder.

Finally, in a moment of desperation, John put the bird in the refrigerator freezer.

For a few minutes, John heard the bird squawk and kick and scream... then suddenly there was quiet. Not a peep for over a minute. Fearing that he'd hurt the bird, John quickly opened the door to the freezer. The parrot calmly stepped out onto John's outstretched arm and said, "I believe I may have offended you with my rude language and actions. I am truly sorry, and I will do everything to correct my poor behavior."

John was astonished at the bird's change of attitude. As he was about to ask the parrot what had made such a dramatic change in his behavior, the bird continued, "May I ask what the chicken did?"

The underling signs back: "OK! You win! The money is in a brown briefcase, buried behind the shed in my cousin Enzo's backyard in Queens!"

The Godfather asks the attorney: "Well, what'd he say?"

### Modesty

An extremely modest man was in the hospital for a series of tests, the last of which had left his bodily systems extremely upset. Upon making several false alarm trips to the bathroom, he figured that the latest episode was just that, so he stayed put. Suddenly, however, he filled his bed with diarrhea and was embarrassed beyond his ability to remain rational.

In a complete loss of composure, he jumped out of bed, gathered up the bed sheets, and threw them out the hospital window. A drunk was walking by the hospital when the sheets landed on him. The drunk started yelling, cursing, and swinging his arms

violently, in an attempt to free himself of the sheets. He ended up with the soiled sheets in a tangled pile at his feet.

As the drunk stood there, staring down at the sheets, a hospital security guard who had witnessed the entire incident, walked up to him and asked, "What the heck is going on?"

The drunk, still staring down at the sheets, replied, "I think I just beat the shit out of a ghost."

### Fairy godmother

A couple had been married for 40 years and also celebrated their 60th birthdays. During the celebration, a fairy godmother appeared and said that because they had been such a loving couple all those years, she would give them one wish each. Being the faithful, loving spouse for all these years, naturally the wife wanted for her and her husband to have a romantic vacation together, so she wished for them to travel around the world. The fairy godmother waved her wand and boom! She had the tickets in her hand. Next, it was the husband's turn and the fairy godmother assured him he could have any wish he wanted, all he needed to do was ask for his heart's desire. He paused for a moment, then said, "Well, honestly, I'd like to have a woman 30 years younger than me." The fairy godmother picked up her wand and boom! He was 90!! (Don't you love fairy godmothers!!!!)

### Driving Too Fast!

A man and a woman were dating. She being of a religious nature had held back the worldly pleasure that he wanted from her so bad. In fact, he had never even seen her naked.

One day, as they drove down the freeway, she remarked about his slow driving habits.

### Improving Your Sex Drive

An elderly woman goes to the doctor and asks his help to revive her husband's sex drive.

"What about trying Viagra?" asks the doctor.

"Not a chance," says Mrs.. Murphy. "He won't even take an aspirin for a headache."

"No problem," replies the doctor. "Drop it into his coffee, he won't even taste it. Try it and come back in a week to let me know how you got on."

A week later Mrs.. Murphy returns to the doctor and he inquires as to how things went.

"Oh it was terrible, just terrible doctor."

## Knut S-C Ojermark

"What happened?" asks the doctor.

"Well I did as you advised and slipped it in his coffee. The effect was immediate. He jumped straight up, swept the cutlery off the table, at the same time ripping my clothes off and then proceeded to make passionate love to me on the tabletop. It was terrible."

"What was terrible?" said the doctor, "was the sex not good?"

"Oh no doctor, the sex was the best I've had in 25 years, but I'll never be able to show my face in McDonald's again."

### The Pharmacists Daughter

A girl asks her boyfriend to come over Friday night and have dinner with her parents. Since this is such a big event, the girl tells him that after dinner, she would like to have sex with him for the first time.

### The Test of the Net Part III

The boy is ecstatic, but he has never had sex before, so he takes a trip to the pharmacy to get some condoms. The pharmacist helps the boy for about half an hour. He tells the boy everything there is to know about condoms and sex. At the register, the pharmacist asks the boy how many condoms he'd like to buy a 3-pack, 10-pack or family pack. The boy insists on the family pack because he thinks he will be rather busy, it being his first time and all.

That night, the boy shows up at the girls parents house and meets his girlfriend at the door. Oh, I'm so excited for you to meet my parents! Come on in!

The boy goes inside and is taken to the dinner table where the girl's parents are seated. The boy quickly offers to say grace and bows his head. A minute passes, and the boy is still deep in prayer, with his head down. 10 minutes pass, and still no movement from the boy. Finally, after 20 minutes with his head down, the girlfriend leans over and whispers to the boyfriend, I had no idea you were this religious.

## Knut S-C Ojermark

The boy turns, and whispers back, I had no idea your father was a pharmacist!

### SCHOOL DAYS & SUZUKI

The teacher said, "Let's begin by reviewing some American history." Who said "Give me Liberty, or give me Death?" She saw a sea of blank faces, except for Suzuki, who had his hand up.

"Patrick Henry, 1775." he said.

"Very good! Who said 'Government of the people, by the people, for the people, shall not perish from the earth'?" Again, no response except from Suzuki: "Abraham Lincoln, 1863.", said Suzuki.

The teacher snapped at the class, "Class, you should be ashamed. Suzuki, who is new to our country, knows more about its history than you do." She heard a loud whisper: "F--- the Japanese." "Who said that?" she demanded.

Suzuki put his hand up. "Harry Truman, 1945."

At that point, a student in the back said, "I'm going to puke."

The teacher glares and asks "All right! Now, who said that?"

Again, Suzuki says, "George Bush to the Japanese Prime Minister, 1991."

Now furious, another student yells, "Oh yeah? Suck this!"

Suzuki jumps out of his chair waving his hand and shouts to the teacher, " Bill Clinton, to Monica Lewinsky, 1997!"

Now with almost a mob hysteria someone said, "You little shit, if you say anything else I will have you killed."

Suzuki frantically yells at the top of his voice, "Gary Condit to Chandra Levy 2001."

### **Fancy watch**

Jake is struggling through a bus station with two huge and obviously heavy suitcases when a stranger walks up to him and asks "Have you got the time?" Jake sighs, puts down the suitcases and glances at his wrist. "It's a quarter to six," he says.

"Hey, that's a pretty fancy watch!" exclaims the stranger.

Jake brightens a little. "Yeah, it's not bad. It's an invention of mine I've been working on. Check this out" - and he shows him a time zone display not just for every time zone in the world, but for the 86 largest metropolises.

He hits a few buttons and from somewhere on the watch a voice says "The time is eleven 'til six" in a very West Texas accent. A few more buttons and the same voice says something in Japanese.

Jake continues "I've put in regional accents for each city". The display is unbelievably high quality and the voice is simply astounding.

The stranger is struck dumb with admiration. "That's not all", says Jake. He pushes a

few more buttons and a tiny but very high resolution map of New York City appears on the display. "The flashing dot shows our location by satellite positioning," explains Jake. "Zoom out", Jake says, and the display changes to show all of eastern New York state.

"I want to buy this watch!" says the stranger.

"Oh, no, it's not ready for sale yet; I'm still working out the bugs", says the inventor.

"But look at this", and he proceeds to demonstrate that the watch is also a very creditable little FM radio receiver with a digital tuner, a sonar device that can measure distances up to 125 meters, a pager with thermal paper printout and, most impressive of all, the capacity for voice recordings of up to 300 standard-size books, "though I only have 32 of my favorites in there so far" says Jake.

"I've got to have this watch!", says the stranger.

"No, you don't understand; it's not ready..."

"I'll give you \$1000 for it!"

"Oh, no, I've already spent more than..."

"I'll give you \$5000 for it!"

"But it's just not..."

"I'll give you \$15,000 for it!" And the stranger pulls out a checkbook.

Jake stops to think. He's only put about \$8500 into materials and development, and with \$15,000 he can make another one and have it ready for merchandising in only six months. The stranger frantically finishes writing the check and waves it in front of him. "Here it is, ready to hand to you right here and now. \$15,000. Take it or leave it."

Jake abruptly makes his decision. "OK", he says, and peels off the watch. They make the exchange and the stranger starts happily away.

"Hey, wait a minute", calls Jake after the stranger, who turns around warily.

Jake points to the two suitcases he'd been trying to wrestle through the bus station.

A woman received a phone call that her daughter was very sick with a fever. She left work and stopped by the pharmacy for some medication for her daughter. When returning to her car to find she had locked her keys inside.

She had get home to her sick daughter, and didn't know what to do. She called her home to the baby sitter, and was told her daughter was getting worse. She said, "You might find a coat hanger and use that to open the door."

The woman found an old rusty coat hanger on the ground, as if someone else had locked their keys in their car. Then she looked at the hanger and said, "I don't know how to use this." She bowed her head and asked God for help.

An old rusty car pulled up, driven by a dirty, greasy, bearded man with a biker skull rag on his head. The woman thought, "Great God. This is what you sent to help me???" But she was desperate, and thankful.

The man got out of his car and asked if he could help. She said "Yes, my daughter is very sick. I must get home to her. Please, can you use this hanger to unlock my car." He said, "SURE." He walked over to the car and in seconds the car was opened.

She hugged the man and through her tears she said, "THANK YOU SO MUCH.....You are a very nice man."

The man replied, "Lady, I ain't a nice man. I just got out of prison for car theft."

The woman hugged the man again and cried out loud.....

## **The Best of the Net Part III**

Not long ago and far away, Santa was getting ready for his annual trip...but there were problems everywhere. Four of his elves got sick, and the trainee elves did not produce the toys as fast as the regular ones so Santa was beginning to feel the pressure of being behind schedule.

Then Mrs. Claus told Santa that her Mom was coming to visit. This stressed Santa even more. When he went to harness the reindeer, he found that three of them were about to give birth and two had jumped the fence and were out, heaven knows where to. More Stress! Then when he began to load the sleigh, one of the boards cracked and the toy bag fell to the ground and scattered the toys.

Totally frustrated, Santa went into the house for a cup of coffee and a shot of whiskey. When he went to the cupboard, he found the elves had hit the liquor and there was nothing to drink. In his frustration, he dropped the coffee pot and it broke into hundreds of little pieces all over the kitchen floor. He went to get the broom and found that mice had eaten the straw it was made from.

Just then the doorbell rang and Santa cursed on his way to the door. He opened the door and there was a little angel with a great big Christmas tree. The angel said: "Where would you like to put this tree fat man?"

And that my friend is how the little angel came to be on top of the tree.

4. A Christmas tree always looks good - even when it's lit.
5. A Christmas tree is always happy with its size.
6. A Christmas tree has cute balls.
7. A Christmas tree doesn't get mad if you break one of its balls.

12. It gets turned on only when you want it turned on.
13. It always smells nice and doesn't pass gas.
14. If it needles you, you can toss it out.

"Well, Husband #1 was a sales representative; he kept telling me how great it was going to be.

#### Men vs. Women

1. Why do men become smarter during sex?

Because they are plugged into a genius.

Why don't women blink during foreplay?

Because they don't have time to.

Why does it take 1 million sperm to fertilize egg?

Because they don't stop for directions.

Why did God put men on the earth?

Because a vibrator can't mow the lawn.

5. Why don't women have men's brains?

Because! they don't have penises to put them in.

6. What do electric trains and breasts have in common?

They're intended for children, but men usually end up playing with them.

7. Why do men snore when they lay on their backs?

Because their balls fall over their assholes and they vapor lock.

8. Why do men masturbate?

It's sex with someone they love.

9. Why were men given larger brains than dogs?

So they won't hump women's legs at cocktail parties.

## Knut S-C Ojermark

10. Why did God make men before women?

You need a rough draft before a final copy.

11. Why is men's pee yellow and his sperm white?

So he can tell if he is coming! or going.

12. How many men does it take to put the toilet seat down?

Nobody knows, it hasn't happened yet.

"We went to look for it and while I was rooting around, I noticed one of the cows had something white at its rear end.

"I walked over and lifted up the tail and sure enough, there was my wife's golf ball...stuck right in the middle of the cow's butt. That's when I made my mistake."

"What did you do?" asks the doctor.

"Well, I lifted the tail and yelled to my wife, 'Hey, this looks like yours!'"

### Israelis and Arabs

At the height of the Intafada, the Israelis and Arabs realized that, if they continued, they would someday end up destroying the world. So they sat down and decided to settle the whole dispute with a dogfight.

The negotiators agreed that each country would take five years to develop the best fighting dog they could. The dog that won the fight would earn its country the right to rule the world. The losing side would have to lay down its arms.

The Arabs found the biggest, meanest Dobermans and Rottweilers in the world. They bred them together and then crossed their offspring with the meanest Siberian wolves. They selected only the biggest, strongest puppy from each litter, killed all the other puppies and fed the lone dog all of the milk. They used steroids and trainers in their quest for the perfect killing machine, until, after the five years were up, they had a dog that needed iron prison bars on his cage. Only the trainers could handle this beast.

When the day of the big fight arrived, the Israelis showed up with a strange animal: It was a nine-foot-long Dachshund. Everyone felt sorry for the Israelis. No one else thought this weird animal stood a chance against the growling beast in the Arab camp. The bookies predicted the Arabs would win in less than a minute.

The cages were opened. The Dachshund waddled toward the center of the ring.

The Arab dog leapt from his cage and charged the giant wiener-dog. As he got to within an inch of the Israeli dog, the Dachshund opened its jaws and swallowed the Arab beast in one bite. There was nothing left but a small bit of fur from the killer dog's tail.

The Arabs approached the Israelis, shaking their heads in disbelief. "We do not understand. Our top scientists and breeders worked for five years with the meanest, biggest Dobermans and Rottweilers. They developed a killing machine."

"Really?" the Israelis replied. "We had our top plastic surgeons working for five years to make an alligator look like a Dachshund!"

### Emergency Room Doctors Notes

A man comes into the ER and yells "My wife's going to have her baby in the cab!" I grabbed my stuff, rushed out to the cab, lifted the lady's dress, and began to take off her underwear. Suddenly I noticed that there were several cabs, and I was in the wrong one.

At the beginning of my shift I placed a stethoscope on an elderly and slightly deaf female patient's anterior chest wall. "Big breaths," I instructed. "Yes, they used to be," remorseful the patient.

One day I had to be the bearer of bad news when I told a wife that her husband had died of a massive myocardial infarction. Not more than five minutes later, I heard her reporting to the rest of the family that he had died of a "massive internal fart. "

During a patient's two week follow-up appointment with his cardiologist, he informed his doctor that he was having trouble with one of his medications. "Which one?", asked the doctor. "The patch. The nurse told me to put on a new one every six hours and now I'm running out of places to put it!" The doctor had him quickly undress and discovered what he hoped he wouldn't see. Yes, the man had over fifty (?? Am no medical prof., but seems a bit much - wouldn't that much residual nitro kill the guy before he made it to an E.R.?) patches on his body! Now, the instructions to patients carefully include: "remove of the previous patch, before applying a new one."

While acquainting myself with a new elderly patient, I asked, "How long have you been bedridden?" After a look of complete confusion she

### **The Best of the Net Part III**

answered, "Why, not for about twenty years - when my husband was alive."

I was caring for a woman from Kentucky and asked, "So how's your breakfast this morning?" † "It's very good, except for the Kentucky Jelly. It has a very strange texture and taste," the patient replied. I then asked to see the jelly and the woman produced a foil packet, which had apparently been left on her tray, labeled: "KY Jelly".

#### **The Surgeon's Note**

A nurse was on duty in the Emergency Room, when a young woman with purple hair styled into a punk rocker Mohawk, sporting a variety of tattoos, and wearing strange clothing, entered. It was quickly determined that the patient had acute appendicitis, so she was scheduled for immediate surgery. When she was completely disrobed on the operating table, the staff noticed that her pubic hair had been dyed green, and above it there was a tattoo that read, "Keep off the grass." Once the surgery was completed, the surgeon wrote a short note on the patient's dressing which said, "Sorry, had to mow the lawn."

#### **Sahara desert**

An Arab was walking through the Sahara desert, desperate for water, then he saw something, far off in the distance. Hoping to find water, he walked towards the image, only to find a little old Jewish man sitting at a card table with a bunch of neckties laid out on it.

The Arab asked, "Please, I'm dying of thirst, can I have some water?"

The man replied "I don't have any water, but why don't you buy a tie?"

Here's one that goes nicely with your robes.

## **Knut S-C Ojermark**

The Arab shouted, "I don't want a tie, you idiot, I need water!"

"OK, don't buy a tie. But to show you what a nice guy I am, I'll tell you that over that hill there, about 5 miles, is a nice restaurant my brother runs. Walk that way, they'll give you all the water you want."

The Arab thanked him and walked away towards the hill and eventually disappeared.

Three hours later the Arab came crawling back to where the man was sitting behind his card table. The man said "I told you, about 5 miles over that hill. Couldn't you find it?"

The Arab rasped "I found it all right. They wouldn't let me in without a tie."

As he finished his sentence, he turned to find the man standing right behind him, so he added, "and this gentleman kindly offered to buy the other half." The manager approved the deal and the man went on his way.

Later, the manager found the boy and said, "I was impressed with the way you got yourself out of that situation earlier. We like people who

think on their feet here. Where are you from, son?"

"Canada, sir," the boy replied.

"Well, why did you leave Canada," the manager asked.

"Really!" said the manager. "My wife is from Canada!"

The boy replied, "No shit??? Which team did she play for?"

### **THE GREAT WALL --An American Dream**

Three guys, a Canadian, Osama Bin Ladin and Uncle Sam are out walking together one day. They come across a lantern and a Genie pops out of it. "I will give each of you each one wish, that's three wishes total," says the Genie.

The Canadian says, "I am a farmer, my dad was a farmer, and my son will also farm. I want the land to be forever fertile in Canada." With a blink of the Genie's eye, 'POOF' the land in Canada was forever made fertile for farming. Osama Bin Ladin was amazed, so he said, "I want a wall around Afghanistan, so that no infidels, Jews or Americans can come into our precious state." Again, with a blink of the Genie's eye, 'POOF' there was a huge wall around Afghanistan. Uncle Sam (A former civil engineer), asks, "I'm very curious. Please tell me more about this wall." The Genie explains, "Well, it's about 15,000 feet high, 500 feet thick and completely surrounds the country; nothing can get in or out---virtually impenetrable."

Uncle Sam says, "Fill it with water."

### **Woodpeckers (Arkansas vs Texas)**

An Arkansas woodpecker and a Texas woodpecker were arguing about which state had the toughest trees to peck.

The Arkansas woodpecker said that they had a tree that no woodpecker can peck. The Texas woodpecker challenged him and was able to peck a hole in the tree with no problem. The Arkansas woodpecker was in awe.

The Texas woodpecker then challenged the Arkansas woodpecker to peck a tree in Texas that no woodpecker had been able to peck successfully. After flying to Texas, the Arkansas woodpecker successfully pecked the tree with no problem.

The two woodpeckers were now confused.

How is it that the Texas woodpecker was able to peck the Arkansas tree and the Arkansas woodpecker was able to peck the Texas tree when neither one was able to peck the tree in their own state?

After thinking for some time they both came to the same conclusion:

Your pecker is always harder when you're away from home.

### **Computers vs Cars**

At a recent computer expo, Bill Gates reportedly compared the computer industry with the auto industry and stated "if GM had kept up with the technology like the computer industry has, we would all be driving \$25.00 cars that got 1,000 miles to the gallon."

### **The Best of the Net Part III**

In response to Bill's comments, General Motors issued a press release stating: If GM had developed technology like Microsoft, we would all be driving cars with the following characteristics:

01. For no reason whatsoever, your car would crash twice a day.
02. Every time they repainted the lines in the road, you would have to buy a new car.
03. Occasionally your car would die on the freeway for no reason. You would have to pull over to the side of the road, close all of the car windows, shut it off, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
04. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
05. Only one person at a time could use the car unless you bought "CarNT," but then you would have to buy more seats.
06. MacIntosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive -- but would only run on five percent of the roads.
07. The oil, water temperature, and alternator warning lights would all be replaced by a single "General Protection Fault" warning light.
08. New seats would force everyone to have the same sized butt. 09. The airbag system would ask "are you SURE?" before deploying.

## **Knut S-C Ojermark**

10. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.

11. GM would require all car buyers to also purchase a deluxe set of Rand McNally road maps (now a GM subsidiary), even though they neither need nor want them. Attempting to delete this option would immediately cause the car's performance to diminish by 50% or more. Moreover, GM would become a target for investigation by the Justice Dept.

12. Every time GM introduced a new car, car buyers would have to learn to drive all over again because none of the controls would operate in the same manner as the old car.

13. You'd have to press the "Start" button to turn the engine off.

### **The Hypnotist**

The town Fathers were looking for a way to increase attendance and participation at their regular meetings. One member suggested bringing in a hypnotist. The officials agreed. A famous hypnotist was hired, publicity distributed, and everyone was pleased. A few weeks later the meeting hall was packed, and the townspeople sat fascinated as the hypnotist withdrew a pocket watch. The hypnotist began chanting, "Watch the watch, watch the watch, watch the watch, watch the watch..." The crowd became mesmerized as the watch swayed back and forth, the light gleaming off its polished surface.

### **The Best of the Net Part III**

Two hundred of pairs of eyes followed the swaying watch, until suddenly the hypnotist's fingers slipped and the watch fell to the floor and smashed. "Shit," said the hypnotist.

It took three weeks to clean up the town hall....

#### **Parrot**

A young man named John received a parrot as a gift. The parrot had bad attitude and an even worse vocabulary. Every word out of this bird's mouth was rude, obnoxious and laced with profanity. John tried and tried to change the bird's attitude by constantly saying polite words, playing soft music, and anything he could think of to set a good example.

Nothing worked.

Finally, John got fed up and he yelled at the parrot. And, the bird yelled back. John shook the parrot, and the bird got angrier and ruder.

Finally, in a moment of desperation, John put the bird in the refrigerator freezer. For a few minutes, John heard the bird squawk and kick and scream...

then suddenly there was quiet. Not a peep for over a minute. Fearing that he'd hurt the bird, John quickly opened the door to the freezer. The parrot calmly stepped out onto John's outstretched arm and said, "I believe I may have offended you with my rude language and actions. I am truly sorry, and I will do everything to correct my poor behavior."

John was astonished at the bird's change of attitude. As he was about to ask the parrot what had made such a dramatic change in his behavior, the bird continued, "May I ask what the chicken did?"

### **Mafia Godfather**

A Mafia Godfather finds out that one of his underlings has screwed him for ten million bucks.

This underling happens to be deaf, so the Godfather brings along his attorney, who knows sign language.

The Godfather asks the underling: "Where is the 10 million bucks you embezzled from me?"

The attorney, using sign language, asks the underling where the 10 million dollars is hidden.

The underling signs back: "I don't know what you are talking about."

The attorney tells the Godfather: "He says he doesn't know what you're talking about."

That's when the Godfather pulls out a 9 mm pistol, puts it to the underling's temple, cocks it and says: "Ask him again!"

The attorney signs to the underling: "He'll kill you for sure if you don't tell him!"

The underling signs back: "OK! You win! The money is in a brown briefcase, buried behind the shed in my cousin Enzo's backyard in Queens!"

The Godfather asks the attorney: "Well, what'd he say?"

The attorney replies: "He says you don't have the balls to pull the trigger."

### SEX MATHEMATICS

This is pretty neat how it works out.

This is amazing SEX math!!!!!!!

DON'T CHEAT BY SCROLLING DOWN FIRST!

It only takes about a minute.....

Work this out as you read.

Be sure you don't read the bottom until you've worked it out! This is not one of those waste of time things, it's fun (& it's about sex).

First of all, pick the number of times a week that you would like to have sex .....(try for more than once but less than 10)

Multiply this number by 2 (Just to be bold)

Add 5. (for Friday Night)

Multiply it by 50 (being a bit stupid)

I'll wait while you get the calculator.....

If you have already had your birthday this year add 1751....

If you haven't, add 1750 .....

Now subtract the four digit year that you were born. (if you remember)

You should have a three digit number

## **Knut S-C Ojermark**

The first digit of this was your original number (i.e., how many times you want to have sex each week).

The next two numbers are your age.

### **Moishe Plotnik's Chinese Laundry**

Walking through New York's China town, I was fascinated with all the Chinese restaurants, shops, signs and banners. I turned a corner and saw a building with the sign "Moishe Plotnik's Chinese Laundry." "Moishe Plotnik?" I wondered. "How does that fit in Chinatown?"

So I walked into the shop and saw a fairly standard looking Chinese laundry. I could see that the proprietors were clearly aware of the uniqueness of the name as there were baseball hats, T-shirts and coffee mugs emblazoned with the logo "Moishe Plotnik's Chinese Laundry."

There was also a fair selection of Chinatown souvenirs, indicating that the name alone had brought many tourists into the shop. I selected a coffee cup as a conversation piece to take back with me. Behind the counter was a smiling old Chinese gentleman who thanked me for my purchase in English, thickly accented with Chinese. I asked, "Can you tell me how this place got a name "Moishe Plotnik's Chinese Laundry?"

The old man answered, "Ahh... Everybody ask that. Is name of owner." Looking around, I asked, "Is he here now?" "He is right here," replied the old man. "He is me."

"Really? How did you ever get a name like Moishe Plotnik?"

### The Best of the Net Part III

"Is simple," said the old man. "Many, many year ago when come to this country, was stand in line at Documentation Center. Man in front is Jewish gentleman from Poland. Lady look at him and say, 'What your name?' He say 'Moishe Plotnik.'

### Barbie's Nasty Christmas Letter To Santa

Dear Santa:

Listen you fat little troll, I've been helping you out every year, playing at being the perfect Christmas present, wearing skimpy bathing suits in frigid weather, and drowning in fake tea from one too many tea parties, and I hate to break it to ya Santa, but IT'S DEFINITELY PAYBACK TIME! There had better be some changes around here by next Christmas, or I'm gonna call for a nationwide meltdown (and trust me, you won't wanna be around to smell it). So, here's my holiday wish list:

1. A nice, comfy pair of sweat pants and a frumpy, oversized sweat shirt. I'm sick of looking like a hooker. How much smaller are these bathing suits gonna get? Do you have any idea what it feels like to have nylon and Velcro crawling up your butt?
2. Real underwear that can be pulled on and off. Preferably white. What bonehead at Mattel decided to cheap out and MOLD imitation underwear to my skin?!? It looks like cellulite!
3. A REAL man...maybe G.I. Joe. Hell, I'd take Tickle-Me Elmo over that wimped-out excuse for a boyfriend Ken. And what's with that earring anyway? If I'm gonna have to suffer with him, at least make him (and me) anatomically correct.
4. Arms that actually bend so I can push the aforementioned Ken-wimp away once

### The Best of the Net Part III

he is anatomically correct.

5. Breast reduction surgery. I don't care whose arm you have to twist, just get it done.

6. A jogging bra. To wear until I get the surgery.

7. A new career. Pet doctor and school teacher just don't cut it. How about a systems analyst? Or better yet, an advertising account exec.

8. A new, more 90's persona. Maybe "PMS Barbie", complete with a miniature container of chocolate chip cookie dough ice cream and a bag of chips; "Animal Rights Barbie", with my very own paint gun, outfitted with a fake fur coat and handcuffs; or "Stop Smoking Barbie", sporting a removable Nicotrol patch and equipped with several packs of gum.

9. No more McDonald's endorsements. The grease is wrecking my vinyl.

10. Mattel stock options. It's been 37 years. I think I deserve it.

Ok, Santa, that's it. Considering my valuable contribution to society, I don't think these requests are out of line. If you disagree, then you can find yourself a new bimbo doll for next Christmas. It's that simple.

Yours truly,

Barbie

### Two Blondes waiting

Two Blondes waiting at the pearly Gates strike up a conversation,

"How'd you die?" the first blonde asked the second.

"I froze to death," says the second.

"That's awful" says the first blonde. "How does it feel to freeze to death?"

"It's very uncomfortable at first," says the second blonde.

"You get the shakes, and you get pains in all your fingers and toes. But eventually, it's a very calm way to go. You get numb and you kind of drift off, as if you're sleeping."

How about you, how did you die?" asked the second blonde. "I had a heart attack," says the first blonde. "You see I knew my husband was cheating on me, so one day I showed up at home unexpectedly.

I ran up to the bedroom, and found him alone watching TV. I ran to the basement, but no one was hiding there either. I ran to the second floor, but no one was hiding there either. I ran as fast as I could to the attic, and just as I got there, I had a massive heart attack and died."

A retired gentleman went to the social security office to apply for social security. After waiting in line a long time he got to the counter. The woman behind the counter asked him for his drivers license to verify his age. He looked in his pockets and realized he had left his wallet home. He told the woman that he was very sorry but he seemed to have left his wallet home. "I will have to go home and comeback later."

The women says , "Unbutton your shirt." So he opens his shirt revealing lots of curly silver hair. She says, "That silver hair on your chest is proof enough for me," & she processed his social security application.

## The Sex Of The Computer

A language instructor was explaining to her class that in French, nouns unlike their English counterparts, are grammatically designated as masculine or feminine.

"House," in French, is feminine-"la maison."

"Pencil," in French, is masculine-"le crayon."

One puzzled student asked, "What gender is computer?"

The teacher did not know, and the word wasn't in her French dictionary. So for fun she split the class into two groups appropriately enough, by gender and asked them to decide whether "computer" should be a masculine or feminine noun.

Both groups were required to give four reasons for their recommendation.

### **The Best of the Net Part III**

The men's group decided that computers should definitely be of the feminine gender ("la computer"), because:

1. No one but their creator understands their internal logic
2. The native language they use to communicate with other computers is incomprehensible to everyone else
3. Even the smallest mistakes are stored in long-term memory for possible later retrieval
4. As soon as you make a commitment to one, you find yourself spending half your pay check on accessories for it.

The women's group, however, concluded that computers should be masculine ("le computer"), because:

1. In order to get their attention, you have to turn them on;
2. They have a lot of data but they are still clueless
3. They are supposed to help you solve problems, but half the time they ARE the problem
4. As soon as you commit to one, you realize that if you'd waited a little longer, you could have gotten a better model.

**The women won.**

#### **Incident In Rome!**

A virile, young Italian soldier was relaxing at his favorite bar in Rome, when

he managed to attract a spectacular young blonde. Things progressed to the point where he invited her back to his apartment; and after some small talk, they made love. After a pleasant interlude, he asked with a "So...you finish?"

She paused for a second, frowned, and replied "No."

Surprised, the young man reached for her; and the love making resumed. This time, she thrashes about wildly; and there are screams of passion.

The love making ends; and again, the young man smiles, and asks, "You finish?" And again, after a short pause, she returns his smile, cuddles closer to him, and softly says, "No."

Stunned, but damned if this woman is going to outlast him, the young man reaches for the woman. Using the last of his strength, he barely manages it; but they climax simultaneously, screaming, bucking, clawing and ripping bed sheets.

The exhausted man falls onto his back, gasping. Barely able to turn his head, he looks into her eyes, smiles proudly, and asks, "You finish?" "No!" she shouts back, "I Swedish!"

### Ethel and her wheelchair

Ethel is a bit of a demon in her wheelchair, and loves to charge around the nursing home, taking corners on one wheel and getting up to maximum speed on the long corridors.

Because she and her fellow residents are one sandwich short of a picnic, they all tolerate each other, some of the males actually join in.

One day, Ethel was speeding up one corridor when a door opened and Mad Mike stepped out of his room with his arm outstretched. "STOP!" he said in a firm voice. "Have you got a license for that thing?"

Ethel fished around in her handbag and pulled out a Kit Kat wrapper and held it up to him.

"OK" he said and away Ethel sped down the hall. As she took the corner near the TV lounge on one wheel, Weird William popped out in front of her and shouted, "STOP! Have you got proof of insurance?"

Ethel dug into her handbag, pulled out a beer coaster and held it up to him.

William nodded and said, "Carry on, ma'am."

As Ethel neared the final corridor before the front door, Bonkers Brian stepped out in front of her, stark naked, holding a very sizeable (for his age) erection in his hand. "Oh, no!" said Ethel, "Not the breathalyser again!"

This goes on for 5 nights. On the sixth night the guy comes into the bar. But this night he orders a beer and just goes and sits in the corner. Jill is disappointed and thinks that maybe she should pay him more attention.

She goes over and sits next to him. She asks him where he is from and he tells her Melbourne. "So am I" she says. "What suburb in Melbourne." "Glen Iris" he says. "That's amazing" she says, "so am I - what street?" "Cameo street" he says. "This is unbelievable" she says, "what number?" He says "Number 20" and she is astonished. **It's the Spring of 1957 and Bobby goes to pick up his date. He's a pretty hip guy with his own car. When he goes to the front door, the girl's father answers and invites him in. "Carrie's not ready yet. Why don't you have a seat?,"**

Carrie's father asks Bobby what they're planning to do. Bobby replies politely that they will probably just go to the soda shop or a movie.

"Why don't you two go out and screw? I hear all the kids are doing it!"

Naturally, this comes as a quite a surprise to Bobby so he asks Carrie's dad to please repeat himself.

"Yeah," says Carrie's father, "Carrie really likes to screw; she'll screw all night if we let her!"

A few minutes later, Carrie comes downstairs in her little poodle skirt and announces that she's ready to go. Almost breathless with anticipation, Bobby escorts his date out the front door.

About 20 minutes later, Carrie rushes back into the house, slams the door behind her, and screams at her father: "Dad, it's called the twist!"

trainee, were out checking meters in a suburban neighborhood. They parked their truck at the end of the alley and worked their way to the other end. At the last house, a woman looking out her kitchen window watched the two men as they checked her gas meter.

Finishing the meter check, the senior supervisor challenged his younger coworker to a foot race down the alley back to the truck to prove that an older guy could outrun a younger one.

As they came running up to the truck, they realized the lady from that last house was huffing and puffing right behind them. They stopped and asked her what was wrong.

Gasping for breath, she replied, "When I see two men from the gas company running as hard as you two were, I figured, 'HOLY MOLY!! I'M OUTTA HERE!!'"

"We went to look for it and while I was rooting around, I noticed one of the cows had something white at its rear end.

"I walked over and lifted up the tail and sure enough, there was my wife's golf ball...stuck right in the middle of the cow's butt. That's when I made my mistake."

"What did you do?" asks the doctor.

Next, I started putting a few potatoes in the sacks, but I would caution you not to overdo it at this level!

**I'M FINE!**

Clyde, a farmer in Alabama, decided his injuries from the accident were serious enough to take the trucking company (responsible for the accident) to court.

In court the trucking company's fancy lawyer was questioning Clyde.

"Didn't you say at the scene of the accident, 'I'm fine?'" asked the lawyer. Clyde responded, "Well, I'll tell you what happened. I had just loaded my favorite mule Bessie into the..."

"I didn't ask for any details," the lawyer interrupted, "just answer the question. Did you or did you not say 'I'm fine' at the scene of the accident?"

## Knut S-C Ojermark

Clyde said, "Well, yes, but I had just got Bessie into the trailer and was driving down the road..."

The lawyer interrupted again and said, "Judge, I am trying to establish the fact that, at the scene of the accident, this man told the Highway Patrolman on the scene that he was just fine. Now several weeks after the accident he is trying to sue my client. I believe he is a fraud. Please tell him to simply answer the question."

By this time the Judge was fairly interested in Clyde's answer and said to the lawyer, "I'd like to hear what he has to say about his favorite mule, Bessie."

Clyde thanked the Judge and proceeded, "Well, like I was saying, I had just loaded Bessie, my favorite mule, into the trailer and was driving her down the highway when this huge semi-truck and trailer ran the stop sign and smacked my truck right in the side. I was thrown into one ditch and Bessie was thrown into the other.

I was hurting real bad and didn't want to move. However, I could hear old Bessie moaning and groaning. I knew she was in terrible shape just by her groans.

"About that time a Highway Patrolman came on the scene. He could hear Bessie moaning and groaning so he went over to her. "After he looked at her he took out his gun and shot her between the eyes.

"Then the Patrolman came across the road with his gun in his hand and looked at me and said, 'And, how are you feeling?'"

Next time you have a bad day at work...think of this guy:

### The Best of the Net Part III

Rob is a commercial saturation diver for Global Divers in Louisiana. He performs underwater repairs on offshore drilling rigs. Below is an E-mail he sent to his sister. She then sent it to Laughline, who was sponsoring a "worst job experience" contest. Needless to say, she won.

Hi Sue,

Just another note from your bottom-dwelling brother. Last week I had a bad day at the office. I know you've been feeling down lately at work, so I thought I would share my dilemma with you to make you realize it's not so bad after all.

Before I can tell you what happened to me, I first must bore you with a few technicalities of my job. As you know, my office lies at the bottom of the sea. I wear a suit to the office. It's a wetsuit. This time of year the water is quite cool. So what we do to keep warm is this: We have a diesel powered industrial water heater. This \$20,000 item sucks the water out of the sea. It heats it to a delightful temperature. It then pumps it down to the diver through a garden hose, which is taped to the air hose.

Now this sounds like a damn good plan, and I've used it several times with no complaints. What I do, when I get to the bottom and start working, is I take the hose and stuff it down the back of my wetsuit. This floods my whole suit with warm water. It's like working in a Jacuzzi.

Everything was going well until all of a sudden, my ass started to itch. So, of course, I scratched it. This only made things worse. Within a few seconds my ass started to burn. I pulled the hose out from my back, but the damage was done. In agony I realized what had happened. The hot water machine had sucked up a jellyfish and pumped it into my suit. Now since I don't have any hair on my back, the

## Knud S-C Ojermark

jellyfish couldn't stick to it. However, the crack of my ass was not as fortunate. When I scratched what I thought was an itch, I was actually grinding the jellyfish into my ass.

I informed the dive supervisor of my dilemma over the communicator. His instructions were unclear due to the fact that he, along with 5 other divers, were all laughing hysterically.

Needless to say I aborted the dive. I was instructed to make 3 agonizing in-water decompression stops totaling 35 minutes before I could reach the surface to begin my chamber dry decompression. When I arrived at the surface, I was wearing nothing but my brass helmet. As I climbed out of the water, the medic, with tears of laughter running down his face, handed me a tube of cream and told me to rub it on my ass as soon as I get in the chamber. The cream put the fire out, but I couldn't shit for 2 days because my asshole was swollen shut.

So, next time you're having a bad day at work, think about how much worse it would be if you had a jellyfish shoved up your ass!

As Claude took to the stage, he announced, "Unlike most stage hypnotists who invite two or three people up onto the stage to be put into a trance, I intend to hypnotize each and every member of the audience." Hundreds of pairs of eyes followed the swaying watch, until suddenly it slipped from the hypnotist's fingers and fell to the floor, breaking into a hundred pieces.

"Shit" said the hypnotist.

It took three weeks to clean up the theatre.

### Potentially and Realistically

A young boy went up to his father and asked him, "What is the difference between Potentially and Realistically?"

The father thought for a moment, then answered, "Go ask your mother if she would sleep with Robert Redford for a million dollars? Then, ask your sister if she would sleep with Brad Pitt for a million dollars? Then come back and tell me what you learn from that."

So the boy went to his mother and asked, "Would you sleep with Robert Redford for a million dollars?" The mother replied, "Of course I would! I wouldn't pass up an opportunity like that!"

The boy then went to his sister and asked, "Would you sleep with Brad Pitt for a million dollars?" The girl replied, "Oh my God! I would just love to do that! I would be nuts to pass up that opportunity!"

#### George Bush and Moses

George W. Bush was walking through an airport last week, when he saw an old man with white hair, a long white beard, wearing a long white robe and holding a staff. He walked up to the man, who was staring at the ceiling, and said, "Excuse me sir, aren't you Moses?"

The man stood perfectly still and continued to stare at the ceiling, saying nothing. Again George W asked, a little louder this time "Excuse me sir, aren't you Moses?"

Again the old man stared at the ceiling motionless without saying a word. George W tried a third time, louder yet, "Excuse me sir, aren't you Moses?"

Again, no movement or words from the old man. He continued to stare at the ceiling. One of George W's aides asked him if there was a problem, and George W said, "Either this man is deaf or extremely rude. I have asked him three times if he was Moses, and he has not answered me yet."

To which the man, still staring at the ceiling finally replied, "I can hear you and yes, I am Moses, but the last time I spoke to a bush, I spent 40 years wandering in the wilderness."

**Jewish gentleman marries a younger lady**

### The Best of the Net Part III

An older Jewish gentleman marries a younger lady and they are very much in love. However, no matter what the husband does sexually, the woman never achieves orgasm. Since a Jewish wife is entitled to sexual pleasure, they decide to ask the rabbi.

The rabbi listens to their story, strokes his beard, and makes the following suggestion: "Hire a strapping young man. While the two of you are making love, have the young man wave a towel over you. That will help the wife fantasize and should bring on an orgasm."

They go home and follow the rabbi's advice. They hire a handsome young man and he waves a towel over them as they make love.

It doesn't help and she is still unsatisfied.

Perplexed, they go back to the rabbi. "Okay," says the rabbi to the husband, "let's try it reversed. Have the young man make love to your wife and you wave the towel over them."

Once again, they follow the rabbi's advice. The young man gets into bed with the wife and the husband waves the towel. The young man gets to work with great enthusiasm and the wife soon has an enormous, room-shaking, screaming orgasm.

The husband smiles, looks at the young man and says to him triumphantly:

"You see, schmuck? THAT'S the way to wave a towel!"

### Viagra

The boss of a small company called a spontaneous staff meeting in the middle of a particularly stressful week. When everyone gathered, the employer, who understood the benefits of having fun, told the burnt-out staff the purpose of the meeting was to have a quick contest, whose theme was "Viagra advertising slogans." Dividing into 10 groups of three, the only rule was they had to use past ad slogans that captured the essence of Viagra.

About 7 minutes later, they turned in their suggestions, and created a "Top Ten List." After all the laughter and camaraderie, the rest of the week went very well for everyone.

10. Viagra, It's "Whaazzzz Up!"
9. Viagra, The quicker pecker upper
8. Viagra, Like a rock!
7. Viagra, When it absolutely, positively has to be there tonight.
6. Viagra, Be all that you can be.
5. Viagra, Reach out and touch someone.

## Knut S-C Ojermark

4. Viagra, Strong enough for a [woman], but made for a [man].

3. Viagra, Tastes great!.....More filling!

2. Viagra, We bring good things to life!

1. This is your penis. This is your penis on drugs. Any questions?

### **Real rules of life**

1. Never give yourself a haircut after three margaritas.

2. You need only two tools. WD-40 and duct tape. If it doesn't move and it should, use WD-40. If it moves and shouldn't, use the tape.

3. The five most essential words for a healthy, vital relationship "I apologize" and "You are right."

4. Everyone seems normal until you get to know them.

5. When you make a mistake, make amends immediately. It's easier to eat crow while it's still warm.

6. The only really good advice that your mother ever gave you was, "Go! You might meet somebody!"

7. If he/she says that you are too good for him/her-believe them.

## The Best of the Net Part III

8. Learn to pick your battles; ask yourself, 'Will this matter one year from now? How about one month? One week? One day?'
9. Never pass up an opportunity to pee.
10. If you woke up breathing, congratulations! You have another chance!
11. Living well really is the best revenge. Being miserable because of a bad or former relationship just might mean that the other person was right about you.
12. Work is good, but it's not that important.
13. And finally... Be really nice to your friends. You never know when you are going to need them to empty your bedpan.

This woman dies, and when she gets to heaven she asks Saint Peter, "Would it be possible for me to get together with my dear departed husband? He died many years ago."

Saint Peter asks, "What's his name?"

"John Smith," replies the woman.

"Gee," says Saint Peter, "we've got a lot of John Smiths up here. But sometimes we can identify people by their last words. Do you happen to remember what his last words were?"

### **Communication Problems**

There was this Asian lady married to an English gentleman and they lived in London. The poor lady was not very proficient in English, but managed to communicate with her husband. The real problem arose whenever she had to shop for groceries. One day, she went to the butcher and wanted to buy pork legs. She didn't know how to put forward her request, and in desperation, lifted up her skirt to show her thighs. The butcher got the message and the lady went home with pork legs.

The next day, she needed to get chicken breasts. Again, she didn't know how to say, and so she unbuttoned her blouse to show the butcher her breast. The lady got what she wanted.

The 3rd day, the poor lady needed to buy sausages. Unable to find a way to communicate this, she brought her husband to the store...

### THE SILENT TREATMENT

A man and his wife were having some problems at home and were giving each other the silent treatment. The next week, the man realized that he would need his wife to wake him at 5:00 AM for an early morning business flight to Chicago. Not wanting to be the first to break the silence (AND LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM.

The next morning the man woke up, only to discover it was 9:00 AM and that he had missed his flight. Furious, he was about to go and see why his wife hadn't woken him when he noticed a piece of paper by the bed.

The paper said, "It is 5:00 AM. Wake up."

Little David comes home from first grade and tells his father that they

learned about the history of Valentine's Day. "Since Valentine's day is for a Christian saint and we're Jewish," he asks, "will God get mad at me for giving someone a valentine?"

David's father thinks a bit, then says "No, I don't think God would get mad.

Who do you want to give a valentine to?"

"Osama Bin Laden," David says.

"Why Osama Bin Laden," his father asks in shock.

"Well," David says, "I thought that if a little American Jewish boy could have enough love to give Osama a valentine, he might start to think that maybe we're not all bad, and maybe start loving people a little bit. And if other kids saw what I did and sent valentines to Osama, he'd love everyone a lot. And then he'd start going all over the place to tell everyone how much he loved them and how he didn't hate anyone anymore."

His father's heart swells and he looks at his boy with newfound pride. "David, that's the most wonderful thing I've ever heard."

"I know," David says, "and once that gets him out in the open, the Marines could blow the shit out of him." 🤔
